Over dit boek

Dit is een digitale kopie van een boek dat al generaties lang op bibliotheekplanken heeft gestaan, maar nu zorgvuldig is gescand door Google. Dat doen we omdat we alle boeken ter wereld online beschikbaar willen maken.

Dit boek is zo oud dat het auteursrecht erop is verlopen, zodat het boek nu deel uitmaakt van het publieke domein. Een boek dat tot het publieke domein behoort, is een boek dat nooit onder het auteursrecht is gevallen, of waarvan de wettelijke auteursrechttermijn is verlopen. Het kan per land verschillen of een boek tot het publieke domein behoort. Boeken in het publieke domein zijn een stem uit het verleden. Ze vormen een bron van geschiedenis, cultuur en kennis die anders moeilijk te verkrijgen zou zijn.

Aantekeningen, opmerkingen en andere kanttekeningen die in het origineel stonden, worden weergegeven in dit bestand, als herinnering aan de lange reis die het boek heeft gemaakt van uitgever naar bibliotheek, en uiteindelijk naar u.

Richtlijnen voor gebruik

Google werkt samen met bibliotheken om materiaal uit het publieke domein te digitaliseren, zodat het voor iedereen beschikbaar wordt. Boeken uit het publieke domein behoren toe aan het publiek; wij bewaren ze alleen. Dit is echter een kostbaar proces. Om deze dienst te kunnen blijven leveren, hebben we maatregelen genomen om misbruik door commerciële partijen te voorkomen, zoals het plaatsen van technische beperkingen op automatisch zoeken.

Verder vragen we u het volgende:

+ *Gebruik de bestanden alleen voor niet-commerciële doeleinden* We hebben Zoeken naar boeken met Google ontworpen voor gebruik door individuen. We vragen u deze bestanden alleen te gebruiken voor persoonlijke en niet-commerciële doeleinden.

+ *Voer geen geautomatiseerde zoekopdrachten uit* Stuur geen geautomatiseerde zoekopdrachten naar het systeem van Google. Als u onderzoek doet naar computervertalingen, optische tekenherkenning of andere wetenschapsgebieden waarbij u toegang nodig heeft tot grote hoeveelheden tekst, kunt u contact met ons opnemen. We raden u aan hiervoor materiaal uit het publieke domein te gebruiken, en kunnen u misschien hiermee van dienst zijn.

+ *Laat de eigendomsverklaring staan* Het “watermerk” van Google dat u onder aan elk bestand ziet, dient om mensen informatie over het project te geven, en ze te helpen extra materiaal te vinden met Zoeken naar boeken met Google. Verwijder dit watermerk niet.

+ *Houd u aan de wet* Wat u ook doet, houd er rekening mee dat u er zelf verantwoordelijk voor bent dat alles wat u doet legaal is. U kunt er niet van uitgaan dat wanneer een werk beschikbaar lijkt te zijn voor het publieke domein in de Verenigde Staten, het ook publiek domein is voor gebruikers in andere landen. Of er nog auteursrecht op een boek rust, verschilt per land. We kunnen u niet vertellen wat u in uw geval met een bepaald boek mag doen. Neem niet zomaar aan dat u een boek overal ter wereld op allerlei manieren kunt gebruiken, wanneer het eenmaal in Zoeken naar boeken met Google staat. De wettelijke aansprakelijkheid voor auteursrechten is behoorlijk streng.

CAP. LXXIII.

An Act for the Abolition of Slavery throughout the *British* Colonies; for promoting the Industry of the manumitted Slaves; and for compensating the Persons hitherto entitled to the Services of such Slaves.

[28th *August*, 1833.]

WHEREAS divers Persons are holden in Slavery within divers of His Majesty's Colonies, and it is just and expedient that all such Persons should be manumitted and set free, and that a reasonable Compensation should be made to the Persons hitherto entitled to the Services of such Slaves for the Loss which they will incur by being deprived of their Right to such Services: And whereas it is also expedient that Provision should be made for promoting the Industry and securing the good Conduct of the Persons so to be manumitted, for a limited Period after such their Manumission: And whereas it is necessary that the Laws now in force in the said several Colonies should forthwith be adapted to the new State and Relations of Society therein which will follow upon such general Manumission as aforesaid of the said Slaves; and that, in order to afford the necessary Time for such Adaptation of the said Laws, a short Interval should elapse before such Manumission should take effect: Be it therefore enacted by the King's Most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That from and after the First Day of *August* One thousand eight hundred and thirty-four, all Persons who in conformity with the Laws now in force in the said Colonies respectively shall on or before the First Day of *August* One thousand eight hundred and thirty-four have been duly registered as Slaves in any such Colony, and who on the said First Day of *August* One thousand eight hundred and thirty-four shall be actually within any such Colony, and who shall by such Registries appear to be on the said First Day of *August* One thousand eight hundred and thirty-four of the full Age of Six Years or upwards, shall by force and virtue of this Act, and without the previous Execution of any Indenture of Apprenticeship, or other Deed or Instrument for that Purpose, become and be apprenticed Labourers; provided that, for the Purposes aforesaid, every Slave engaged in his ordinary Occupation on the Seas shall be deemed and taken to be within the Colony to which such Slave shall belong.

II. And be it further enacted, That during the Continuance of the Apprenticeship of any such apprenticed Labourer such Person or Persons shall be entitled to the Services of such apprenticed Labourer as would for the Time being have been entitled to his or her Services as a Slave if this Act had not been made.

III. Provided also, and be it further enacted, That all Slaves who may at any Time previous to the passing of this Act have been brought with the Consent of their Possessors, and all apprenticed Labourers who may hereafter with the like Consent be brought, into any Part of the United Kingdom of *Great Britain* and *Ireland*, shall from and after the passing of this Act be absolutely and entirely free to all Intents and Purposes whatsoever.

IV. And whereas it is expedient that all such apprenticed Labourers should, for the Purposes hereinafter mentioned, be divided into Three distinct Classes, the First of such Classes consisting of prædial apprenticed Labourers attached to the Soil, and comprising all Persons who in their State of Slavery were usually employed in Agriculture, or in the Manufacture of Colonial Produce or otherwise, upon Lands belonging to their Owners; the Second of such Classes consisting of prædial apprenticed Labourers not attached to the Soil, and comprising all Persons who in their State of Slavery were usually employed in Agriculture, or in the Manufacture of Colonial Produce or otherwise, upon Lands not belonging to their Owners; and the Third of such Classes consisting of non-prædial apprenticed Labourers, and comprising all apprenticed Labourers not included within either of the Two preceding Classes: Be it therefore enacted, That such Division as aforesaid of the said apprenticed Labourers into such Classes as aforesaid shall be carried into effect in such Manner and Form and subject to such Rules and Regulations as shall for that Purpose be established under such Authority, and in and by such Acts of Assembly, Ordinances, or Orders in Council, as hereinafter mentioned: Provided always, that no Person of the Age of Twelve Years and upwards shall by or by virtue of any such Act of Assembly, Ordinance, or Order in Council be included in either of the said Two Classes of prædial apprenticed Labourers, unless such Person shall for Twelve Calendar Months at the least next before the passing of this present Act have been habitually employed in Agriculture or in the Manufacture of Colonial Produce.

V. And be it further enacted, That no Person who by virtue of this Act, or of any such Act of Assembly, Ordinance, or Order in Council as aforesaid, shall become a prædial apprenticed Labourer, whether attached or not attached to the Soil, shall continue in such Apprenticeship beyond the First Day of *August* One thousand eight hundred and forty; and that during such his or her Apprenticeship no such prædial apprenticed Labourer, whether attached or not attached to the Soil, shall be bound or liable, by virtue of such Apprenticeship, to perform any Labour in the Service of his or her Employer or Employers for more than Forty-five Hours in the whole in any One Week.

VI. And be it further enacted, That no Person who by virtue of this Act or of any such Act of Assembly, Ordinance, or Order in Council as aforesaid, shall become a non-prædial apprenticed Labourer, shall continue in such Apprenticeship beyond the First Day of *August* One thousand eight hundred and thirty-eight.

VII. And be it further enacted, That if before any such Apprenticeship shall have expired the Person or Persons entitled for and during the Remainder of any such Term to the Services of such apprenticed Labourer shall be desirous to discharge him or her from such Apprenticeship, it shall be lawful for such Person or Persons so to do by any Deed or Instrument to be by him, her, or them for that Purpose made and executed; which Deed or Instrument shall be in such Form, and shall be executed and recorded in such Manner and with such Solemnities, as shall for that Purpose be prescribed under such Authority, and in and by such Acts of Assembly, Ordinances, or Orders in Council, as herein-after mentioned: Provided nevertheless, that if any Person so discharged from any such Apprenticeship by any such voluntary Act as aforesaid shall at that Time be of the Age of Fifty Years or upwards, or shall be then labouring under any such Disease or mental or bodily Infirmity as may render him or her incapable of earning his or her Subsistence, then and in every such Case the Person or Persons so discharging any such apprenticed Labourer as aforesaid shall continue and be liable to provide for the Support and Maintenance of such apprenticed Labourer during the remaining Term of such original Apprenticeship, as fully as if such apprenticed Labourer had not been discharged therefrom.

VIII. And be it further enacted, That it shall be lawful for any such apprenticed Labourer to purchase his or her Discharge from such Apprenticeship, even without the Consent, or in opposition, if necessary, to the Will of the Person or Persons entitled to his or her Services, upon Payment to such Person or Persons of

the appraised Value of such Services; which Appraisement shall be effected, and which Purchase Money shall be paid and applied, and which Discharge shall be given and executed, in such Manner and Form. and upon, under, and subject to such Conditions, as shall be prescribed under such Authority, and by such Acts of Assembly, Ordinances, or Orders in Council, as are herein-after mentioned.

IX. And be it further enacted, That no apprenticed Labourer shall be subject or liable to be removed from the Colony to which he or she may belong; and that no prædial apprenticed Labourer who may in Manner aforesaid become attached to the Soil shall be subject or liable to perform any Labour in the Service of his or her Employer or Employers except upon or in or about the Works and Business of the Plantations or Estates to which such prædial apprenticed Labourer shall have beeh attached or on which he or she shall have been usually employed on or previously to the said First Day of *August* One thousand eight hundred and thirty-four: Provided nevertheless, that, with the Consent in Writing of any Two or more Justices of the Peace holding such Special Commission as herein-after mentioned, it shall be lawful for the Person or Persons entitled to the Services of any such attached prædial apprenticed Labourer or Labourers to transfer his or their Services to any other Estate or Plantation within the same Colony to such Person or Persons belonging; which written Consent shall in no Case be given, or be of any Validity, unless any such Justices of the Peace shall first have ascertained that such Transfer would not have the Effect of separating any such attached prædial apprenticed Labourer from his or her Wife or Husband, Parent or Child, or from any Person or Persons reputed to bear any such Relation to him or her, and that such Transfer would not probably be injurious to the Health or Welfare of such attached prædial apprenticed Labourer; and such written Consent to any such Removal shall be expressed in such Terms, and shall be in each Case given, attested, and recorded in such Manner, as shall for that Purpose be prescribed under such Authority, and by such Acts of Assembly, Ordinances, and Orders in Council, as herein-after mentioned.

X And be it further enacted and declared, That the Right or Interest of any Employer or Employers to and in the Services of any such apprenticed Labourers as aforesaid shall pass and be transferable by Bargain and Sale, Contract, Deed, Conveyance, Will, or Descent, according to such Rules and in such Manner as shall for that Purpose be provided by any such Acts of Assembly, Ordinances, or Orders in Council as herein-after mentioned; provided that no such apprenticed Labourer shall, by virtue of any such Bargain and Sale, Contract, Deed, Conveyance, Will, or Descent, be subject or liable to be separated from his or her Wife or Husband, Parent or Child, or from any Person or Persons reputed to bear any such Relation to him or her.

XI. And be it further enacted, That during the Continuance of any such Apprenticeship as aforesaid the Person or Persons for the Time being entitled to the Services of every such apprenticed Labourer shall be and is and are hereby required to supply him or her with such Food, Clothing, Lodging, Medicine, Medical Attendance, and such other Maintenance and Allowances as by any Law now in force in the Colony to which such apprenticed Labourer may belong an Owner is required to supply to and for any Slave being of the same Age and Sex as such apprenticed Labourer shall be; and in Cases in which the Food of any such prædial apprenticed Labourer shall be supplied, not by the Delivery to him or her of Provisions, but by the Cultivation by such prædial apprenticed Labourer of Ground set apart for the Growth of Provisions, the Person or Persons entitled to his or her Services shall and is or are hereby required to provide such prædial apprenticed Labourer with Ground adequate, both in Quantity and Quality, for his or her support, and within a reasonable Distance of his or her usual Place of Abode, and to allow to such prædial apprenticed Labourer, from and out of the annual Time during which he or she may be required to labour, after the Rate of Forty-five Hours *per* Week as aforesaid, in the Service of such his or her Employer or Employers, such a Portion of Time as shall be adequate for the proper Cultivation of such Ground, and for the raising and securing the Crops thereon grown; the actual Extent of which Ground, and the Distance thereof from the Place of Residence of the prædial apprenticed Labourer for whose Use it may be so allotted, and the Length of Time to be deducted for the Cultivation of the said Ground from the said annual Time, shall and may, in each of the Colonies aforesaid, be regulated under such Authorities, and by such Acts of Assembly, Ordinances, or Orders in Council as herein-after mentioned.

XII. And be it further enacted, That, subject to the Obligations imposed by this Act, or to be imposed by any such Act of General Assembly, Ordinance, or Order in Council as herein-after mentioned, upon such apprenticed Labourers as aforesaid, all and every the Persons who on the said First Day of *August* One thousand eight hundred and thirty-four shall be holden in Slavery within any such *British* Colony as foresaid shall upon and from and after the said First Day of *August* One thousand eight hundred and thirty-four become and be to all Intents and Purposes free and discharged of and from all Manner of Slavery, and shall be absolutely and for ever manumitted; and that the Children thereafter to be born to any such Persons, and the Offspring of such Children, shall in like Manner be free from their Birth; and that from and after the said First Day of *August* One thousand eight hundred and thirty-four Slavery shall be and is hereby utterly and for ever abolished and declared unlawful throughout the *British* Colonies, Plantations, and Possessions Abroad.

XIII. And whereas it may happen that Children who have not attained the Age of Six Years on the said First Day of *August* One thousand eight hundred and thirty-four, or that Children who after that Day may be born to any Female apprenticed Labourers, may not be properly supported by their Parents, and that no other Person may be disposed voluntarily to undertake the Support of such Children; and it is necessary that Provision should be made for the Maintenance of such Children in any such Contingency; be it therefore enacted, That if any Child who on the said First Day of *August* One thousand eight hundred and thirty-four had not completed his or her Sixth year, or if any Child to which any Female apprenticed Labourer may give birth on or after the said First Day of *August* One thousand eight hundred and thirty-four, shall be brought before any Justice of the Peace holding any such Special Commission as herein-after mentioned, and if it shall be made to appear to the Satisfaction of such Justice that any such Child is unprovided with an adequate Maintenance, and that such Child hath not completed his or her Age of Twelve Years, it shall be lawful for such Justice, and he is hereby required, on behalf of any such Child, to execute an Indenture of Apprenticeship, thereby binding such Child as an apprenticed Labourer to the Person or Persons entitled to the Services of the Mother of such Child, or who had been last entitled to the Services of such Mother; but in case it shall be made to appear to any such Justice that such Person or Persons aforesaid is or are unable or unfit to enter into such Indenture, and properly to perform the Conditions thereof, then it shall be lawful for such Justice and he is hereby required by such Indenture to bind any such Child to any other Person or Persons to be by him for that purpose approved, and who may be willing and able properly to perform such Conditions; and it shall by every such indenture of Apprenticeship be declared whether such Child shall thenceforward belong to the Class of attached prædial apprenticed Labourers, or to the Class

of unattached prædial apprenticed Labourers, or to the Class of non-prædial apprenticed Labourers; and the Term of such Apprenticeship of any such Child shall by such Indenture be limited and made to continue in force until such Child shall have completed his or her Twenty-first Year, and no longer; and every Child so apprenticed as aforesaid by the Order of any such Justice of the Peace as aforesaid shall during his or her Apprenticeship be subject to all such and the same Rules and Regulations respecting the Work or Labour to be by them done or performed, and respecting the Food and other Supplies to be to him or her furnished, as any other such apprenticed Labourers as aforesaid: Provided always, that the said Indenture of Apprenticeship shall contain sufficient Words of Obligation upon the Employer to allow reasonable Time and Opportunity for the Education and Religious Instruction of such Child.

XIV. And for ensuring the effectual Superintendence of the said apprenticed Labourers, and the Execution of this Act, be it enacted, That it shall and may be lawful for His Majesty to issue, or to authorize the Governor of any such Colony as aforesaid, in the Name and on the Behalf of His Majesty, to issue under the Public Seal of any such Colony, One or more Special Commission or Commissions to any One or more Person or Persons, constituting him or them a Justice or Justices of the Peace for the whole of any such Colony, or for any Parish, Precinct, Quarter, or other District within the same, for the special Purpose of giving effect to this present Act, and to any Laws which may, in manner herein-after mentioned, be made for giving more complete Effect to the same; and every Person to or in favour of whom any such Commission may be issued shall by force and virtue thereof, and without any other Qualification, be entitled and competent to act as a Justice of the Peace within the limits prescribed by such his Commission for such special Purposes aforesaid, but for no other Purposes: Provided nevertheless, that nothing herein contained shall prevent or be construed to prevent any Person commissioned as a Justice of the Peace for such special Purpose as aforesaid from being included in the General Commission of the Peace for any such Colony, or for any Parish, Precinct, Quarter, or other District thereof, in case it shall seem fit to His Majesty, or to the Governor of any such Colony acting by His Majesty's Authority, to address both such Special Commission and such General Commission as aforesaid in any Case to the same Person or Persons

XV. And be it further enacted, That His Majesty shall be and he is hereby authorized to grant to any Person or Persons, not exceeding One hundred in the whole, holding any such Special Commission or Commissions as aforesaid, and so from Time to Time as Vacancies may occur, Salaries at and after a Rate not exceeding in any Case the Sum of Three hundred Pounds Sterling *per Annum*, which Salary shall be payable so long only as any such Justice of the Peace shall retain any such Special Commission, and shall be actually resident in such Colony, and engaged in the Discharge of the Duties of such his Office; provided that no Person receiving or entitled to receive any Half Pay, Pension, or Allowance for or in respect of any past Services in His Majesty's Naval or Land Forces shall, by the Acceptance of any such Special Commission or Salary as aforesaid, forfeit or become incapable of receiving or lose his Right to receive such Half Pay, Pension, or Allowance, or any Part thereof, any Law, Statute, or Usage to the contrary in anywise notwithstanding: Provided also, that there be annually laid before both Houses of Parliament a List of the Names of all Persons to whom any such Salary shall be so granted, specifying the Date of every such Commission, and the Amount of the Salary assigned to every such Justice of the Peace.

XVI. And whereas it is necessary that various Rules and Regulations should be framed and established for ascertaining, with reference to each apprenticed Labourer within the said Colonies respectively, whether he or she belongs to the Class of attached prædial apprenticed Labourers, or to the Class of unattached apprenticed Labourers, or to the Class of non-prædial apprenticed Labourers, and for determining the Manner and Form in which and the Solemnities with which the voluntary Discharge of any apprenticed Labourer from such his or her Apprenticeship may be effected, and for prescribing the Form and Manner in which and the Solemnities with which the Purchase by any such apprenticed Labourer or his or her Discharge from such Apprenticeship without, or in opposition, if necessary, to, the Consent of the Person or Persons entitled to his or her Services, shall be effected, and how the necessary Appraisement of the future Value of such Services shall be made, and how and to whom the Amount of such Appraisement shall in each Case be paid and applied, and in what Manner and Form and by whom the Discharge from any such Apprenticeship shall thereupon be given, executed, and recorded; and it is also necessary, for the Preservation of Peace throughout the said Colonies, that proper Regulations should be framed and established for the Maintenance of Order and good Discipline amongst the said apprenticed Labourers, and for ensuring the punctual Discharge of the Services due by them to their respective Employers, and for the Prevention and Punishment of Indolence, or the Neglect or improper Performance of Work by any such apprenticed Labourer, and for enforcing the due Performance by any such apprenticed Labourer of any Contract into which he or she may voluntarily enter for any hired Service during the Time in which he or she may not be bound to labour for his or her Employer, and for the Prevention and Punishment of Insolence and Insubordination on the Part of any such apprenticed Labourers towards their Employers, and for the Prevention or Punishment of Vagrancy or af any Conduct on the Part of any such apprenticed Labourers injuring or tending to the Injury of the Property of any such Employer, and for the Suppression and Punishment of any Riot or combined Resistance of the Laws on the Part of any such apprenticed Labourers, and for preventing the Escape of any such apprenticed Labourers, during their Term of Apprenticeship, from the Colonies to which they may respectively belong: And whereas it will also be necessary for the Protection of such apprenticed Labourers as aforesaid that various Regulations should be framed and established in the said respective Colonies for securing Punctuality and Method in the Supply to them of such Food, Clothing, Lodging, Medicines, Medical Attendance, and such other Maintenance and Allowances as they are herein-before declared entitled to receive, and for regulating the Amount and Quality of all such Articles in Cases where the Laws at present existing in any such Colony may not in the Case of Slaves have made any Regulation or any adequate Regulation for that Purpose; and it is also necessary that proper Rules should be established for the Prevention and Punishment of any Frauds which might be practiced, or of any Omissions or Neglects which might occur, respecting the Quantity or the Quality of the Supplies so to be furnished, or respecting the Periods for the Delivery of the same: And whereas it is necessary, in those Cases in which the Food of any such prædial apprenticed Labourers as aforesaid may either wholly or in part be raised by themselves by the Cultivation of Ground to be set apart and allotted for that Purpose, that proper Regulations should be made and established as to the Extent of such Grounds, and as to the Distance at which such Grounds may be so allotted from the ordinary Place of Abode of such prædial apprenticed Labourers, and respecting the Deductions to be made from the Cultivation of such Grounds from the annual Time during which such prædial apprenticed Labourers are herein-before declared liable to labour: And whereas it may also be necessary, by such Regulations as aforesaid, to secure to the said prædial apprenticed Labourers the Enjoyment for their own Benefit of that Portion of their Time during

which they are not hereby required to labour in the Service of their respective Employers, and for securing Exactness in the Computation of the Time during which such prædial apprenticed Labourers are hereby required to labour in the Service of such their respective Employers; and it is also necessary that Provision should be made for preventing the Imposition of Task-work on any such apprenticed Labourer without his or her free Consent to undertake the same; but it may be necessary by such Regulations in certain Cases to require and provide for the Acquiescence of the Minority of the prædial apprenticed Labourers attached to any Plantation or Estate in the Distribution and Apportionment amongst the whole Body of such Labourers of any Task-work which the Majority of such Body shall be willing and desirous collectively to undertake; and it is also necessary that Regulations should be made respecting any voluntary Contracts into which any apprenticed Labourers may enter with their respective Employers or with any other Person for hired Service for any future Period, and for limiting the greatest Period of Time to which such voluntary Contract may extend, and for enforcing the punctual and effectual Performance of such voluntary Contracts on the Part both of such apprenticed Labourers and of the Person or Persons engaging for their Employment and Hire; and it is also necessary that Regulations should be made for the Prevention or Punishment of any Cruelty, Injustice, or other Wrong or Injury which may be done to or inflicted upon any such apprenticed Labourers by the Persons entitled to their Services; and it is also necessary that proper Regulations should be made respecting the Manner and Form in which such Indentures of Apprenticeship as aforesaid shall be made on behalf of such Children as aforesaid, and respecting the registering and Preservation of all such Indentures: And whereas it is also necessary that Provision should be made for ensuring Promptitude and Dispatch, and for preventing all unnecessary Expence, in the Discharge by the Justices of the Peace holding such Special Commissions as aforesaid of the Jurisdiction and Authorities thereby committed to them, and for enabling such Justices to decide in a summary Way such Questions as may be brought before them in that Capacity, and for the Division of the said respective Colonies into Districts for the Purposes of such Jurisdiction, and for the frequent and punctual Visitation by such Justices of the Peace of the apprenticed Labourers within such their respective Districts; and it is also necessary that Regulations should be made for indemnifying and protecting such Justices of the Peace in the upright Execution and Discharge of their Duties: And whereas such Regulations as aforesaid could not without great Inconvenience be made except by the respective Governors, Councils, and Assemblies, or other local Legislatures of the said respective Colonies, or by His Majesty, with the Advice of His Privy Council, in reference to those Colonies to which the Legislative Authority of His Majesty in Council extends; be it therefore enacted and declared, That nothing in this Act contained extends or shall be construed to extend to prevent the Enactment by the respective Governors, Councils, and Assemblies, or by such other local Legislatures as aforesaid, or by His Majesty, with the Advice of His Privy Council, of any such Acts of General Assembly, or Ordinances, or Orders in Council as may be requisite for making and establishing such several Rules and Regulations as aforesaid, or any of them, or for carrying the same or any of them into full and complete Effect: Provided nevertheless, that it shall not be lawful for any such Governor, Council, and Assembly, or for any such local Legislature, or for His Majesty in Council, by any such Acts of Assembly, Ordinances, or Orders in Council as aforesaid, to make or establish any Enactment, Regulation, Provision, Rule, or Order which shall be in anywise repugnant or contradictory to this present Act or any part thereof, but that every such Enactment, Regulation, Provision, Rule, or Order shall be and is hereby delared to be absolutely null and void and of no effect.

XVII. Provided also, and be it further enacted, That it shall not be lawful for any such Governor, Council, and Assembly, or other Colonial Legislature, or for His Majesty in Council, by any such Act, Ordinance, or Order in Council, to authorize any Person or Persons entitled to the Services of any such apprenticed Labourer, or any other Person or Persons other than such Justices of the Peace holding such Special Commissions as aforesaid, to punish any such apprenticed Labourer for any Offence by him or her committed or alleged to have been committed by the whipping, beating, or Imprisonment of his or her Person, or by any other personal or other Correction or Punishment whatsoever, or by any Addition to the Hours of Labour herein-before limited; nor to authorize any Court, Judge, or Justice of the Peace to punish any such apprenticed Labourer, being a Female, for any Offence by her committed, by whipping or beating her Person; and that every Enactment, Regulation, Provision, Rule, or Order for any such Purpose in any such Act, Ordinance, or Order in Council contained shall be and is hereby declared to be absolutely null and void and of no effect: Provided always, that nothing in this Act contained doth or shall extend to exempt any apprenticed Labourer in any of the said Colonies from the Operation of any Law or Police Regulation which is or shall be in force therein for the Prevention or Punishment of any Offence, such Law or Police Regulation being in force against and applicable to all other Persons of free Condition.

XVIII. Provided also, and be it further enacted, That it shall not be lawful for any such Governor, Council, and Assembly, or for any such local Legislature, or for His Majesty in Council, by any such Acts of General Assembly, Ordinances, or Orders in Council as aforesaid, to authorize any Magistrate or Justice of the Peace, other than and except the Justices of the Peace holding such Special Commissions as aforesaid, to take cognizance of any Offence committed or alleged to have been committed by any such apprenticed Labourer, or by his or her Employer, in such their Relation to each other, or of the Breach, Violation, or Neglect of any of the Obligations owed by them to each other, or of any Question, Matter, or Thing incident to or arising out of the Relations subsisting between such apprenticed Labourers and the Persons respectively entitled to their Services; and every Enactment, Regulation, Provision, Rule, or Order in any such Acts, Ordinances, and Orders in Council to the contrary contained shall be and is hereby declared to be null and void and of no effect.

XIX. And it is hereby further declared and enacted, That the several Justices of the Peace having Special Commissions as aforesaid shall, within the respective Colonies to which they shall be respectively appointed, have, exercise, and enjoy a sole and exclusive Jurisdiction over, and shall solely and exclusively take cognizance of, all such Offences or alleged Offences as last aforesaid, and of every such Breach, Violation, or Neglect of any of the aforesaid Obligations, and of every such Question, Matter, or Thing as aforesaid, any Law, Custom, or Usage in any of the said Colonies to the contrary in anywise notwithstanding: Provided nevertheless, that nothing herein contained shall extend or be construed to extend to abrogate or take away the Powers by Law vested in the Supreme Courts of Record, or the Superior Courts of Civil and Criminal Justice in any of the said respective Colonies.

XX. Provided also, and be it further enacted, That no apprenticed Labourer shall, by any such Act of Assembly, Ordinance, or Order in Council as aforesaid, be declared or rendered liable for and in respect of any Offence by him or her committed, or for any Cause or upon any Ground or Pretext whatsoever, except as hereafter is mentioned, to any Prolongation of his or her Term of Apprenticeship, or to any new or additional Apprenticeship, or to any such additional Labour as shall impose upon any such apprenticed Labourer the

Obligation of working in the Service or for the Benefit of the Person or Persons entitled to his or her Services for more than Fifteen extra Hours in the whole in any One Week, but every such Enactment, Regulation, Provision, Rule, or Order shall be and is hereby declared null and void and of no effect: Provided nevertheless, that any such Act of Assembly, Ordinance, or Order in Council as aforesaid may contain Provisions for compelling any apprenticed Labourer who shall, during his or her Apprenticeship, wilfully absent himself or herself from the Service of his or her Employer, either to serve his or her Employer after the Expiration of his or her Apprenticeship for so long a Time as he or she shall have so absented himself or herself from such Service, or to make Satisfaction to his or her Employer for the Loss sustained by such Absence, (except so far as he or she shall have made Satisfaction for such Absence, either out of such extra Hours as aforesaid, or otherwise,) but nevertheless so that such extra Service or Compensation shall not be compellable after the Expiration of Seven Years next after the Termination of the Apprenticeship of such Apprentice.

XXI. *Provided* always, and be it hereby further *enacted, That* neither under the Provisions of this Act, nor under the Obligations imposed by this Act, or to be imposed by any Act of any General Assembly, Ordinance, or Order in Council, shall any apprenticed Labourer be compelled or compellable to labour on *Sundays*, except in Works of Necessity or in Domestic Services, or in the Protection of Property, or in tending of Cattle, nor shall any apprenticed Labourer be liable to be hindered or prevented from attending anywhere on *Sundays* for Religious Worship, at his or her free Will or Pleasure, but shall be at full Liberty so to do without any Let, Denial, or Interruption whatsoever.

XXII. And whereas it may be expedient that Persons in the Condition of apprenticed Labourers should, during the Continuance of such their Apprenticeship, be exempted from the Performance of certain Civil and Military Services, and be disqualified from holding certain Civil and Military Offices, and from the Enjoyment of certain Political Franchises, within the said Colonies, and be exempted from being arrested or imprisoned for Debt; be it therefore enacted, That nothing in this Act contained extends or shall be construed to extend to interfere with or prevent the Enactment by the respective Governors, Councils, and Assemblies, or by such other local Legislature as aforesaid of any such Colonies, or by His Majesty in Council in reference to such of the said Colonies as are subject to the Legislative Authority of His Majesty in Council, of any Acts, Ordinances, or Orders in Council for exempting any such apprenticed Labourers as aforesaid, during the Continuance of such their Apprenticeship, from any such Civil or Military Service as aforesaid, or for disqualifying them or any of them during the Continuance of any such Apprenticeships from the Enjoyment or Discharge of any such Political Franchise as aforesaid, or for exempting them during the Continuance of such Apprenticeships from being arrested or imprisoned for Debt.

XXIII. And whereas it would be desirable that such of the Provisions of this Act as relate to the internal Concerns of the said respective Colonies should be enacted in such respective Colonies so far as may be possible by the Authority of the several local Legislatures of such Colonies respectively; be it therefore enacted, That in Case the Governor, Council, and Assembly of any One or more of His Majesty's Colonies aforesaid shall, by any Act or Acts of General Assembly for that Purpose made, substitute for the several Enactments herein-before contained, or any of them, any Enactments accomplishing the several Objects in such herein-before contained Enactments respectively contemplated as fully and to the like Effect, but in a Manner and Form better adapted to the local Circumstances of any such Colonies or Colony, and in case His Majesty shall, by any Order or Orders to be by Him made, by the Advice of His Privy Council, confirm and allow any such Act or Acts of Assembly, and shall in and by any such Order or Orders in Council recite and set forth at length the several Provisions and Enactments of this present Act for which such other Enactments as aforesaid shall have been substituted by any such Act or Acts of General Assembly, then and in such Case so much and such Parts of this present Act as shall be so recited and set forth at length in any such Order or Orders of His Majesty in Council shall be suspended and cease to be of any Force or Effect in any such Colony from and after the Arrival and Proclamation therein of any such Order or Orders of His Majesty in Council, and shall continue to be so suspended so long as any such substituted Enactments shall continue in force and unrepealed, and no longer.

XXIV. XLVIII. And be it further enacted, That the general Rules to be transmitted as aforesaid to the said Lord President shall be forthwith published in the *London Gazette* on Three several Occasions at least, together with a Notice that all Persons interested in or affected by any such general Rules may, by a Time to be in such Notice limited, appeal against any such Rules to His Majesty in Council; and it shall be lawful for the Lords and others of His Majesty's Privy Council, or for any Three or more of them, by any further Notice or Notices to be for that Purpose published in the *London Gazette*, to enlarge, as to them may seem meet, the Time for receiving any such Appeals.

XLIX. And be it further enacted, That if within the Time so to be limited for receiving such Appeals any Person or Persons shall prefer any Petition of Appeal to His Majesty in Council against any such general Rule so published as aforesaid in the *London Gazette*, it shall be lawful for His Majesty in Council, or for any Committee of Privy Council, to hear such Appeal, and to cause Notice thereof to be served upon the said Commissioners, who shall thereupon undertake the Defence of such Appeal; and upon hearing any such Appeal it shall be lawful for His Majesty in Council to confirm and annul or to rescind and disallow any such General Rule as aforesaid, or thereupon to alter, amend, or vary any such Rule in such Manner as to His Majesty may seem just, or to remit the same to the said Commissioners for further Consideration and Revision.

L. And be it further enacted, That at the Expiration of the Time limited for receiving such Appeals as aforesaid it shall be lawful for His Majesty in Council to confirm and allow, or to rescind and disallow, in the whole or in part or to amend, alter, or vary, any such general Rule or Rules, though not so appealed against, as to His Majesty may seem just, or to remit such Rules to the said Commissioners for further Consideration and Revision.

LII. And be it further enacted, That it shall be lawful, by any Rules so to be framed, published, confirmed, allowed, and inrolled as aforesaid, to revoke, amend, alter, and again renew, as Occasion may require, and as may be thought just, any former or preceding Rule or Rules.

LIII. And be it further enacted, That every such general Rule as aforesaid, when so inrolled as aforesaid, shall be of the same Validity, Force, Virtue, and Effect as if the same had been made and enacted by His Majesty, by and with the Advice and Consent of Parliament: Provided nevertheless, that no such Rule shall be in anywise repugnant to or at variance with this Act or any Part thereof, or with the Laws and Usages in force in the several Colonies respectively to which such Rules may relate, so far as any such Laws or Usages may not be repugnant to or at variance with the Provisions of this Act.

LIV. ABSTRACT, explaining the Provisions of an Act of Parliament, for the Abolition of Slavery, and for compensating the Persons hitherto entitled to the services of such Slaves.

ALL Slaves who, on or before the 1st December, 1834, shall have attained the age of six years or upwards, and who shall on that day be duly registered, and shall be actually within this Colony, shall, from and after that day, cease to be Slaves, and become and are to be called apprenticed Labourers to their Owners, who are then to be called Employers. After the 1st December, 1840, all prædial (agricultural) apprenticed Labourers shall be entirely free and their own Masters; and after the 1st December, 1838, all other apprenticed Labourers shall be entirely free and their own Masters. No prædial (agricultural) apprenticed Labourer is obliged to work more than 45 hours in the week. Any Employer may discharge an apprenticed Labourer before his time is out by a formal deed, but if the apprenticed Labourer be above 50, or diseased or infirm, the Employer must support him till the Apprenticeship expires. An apprenticed Labourer may buy his discharge from his Apprenticeship by paying his Employer the appraised value thereof. No apprenticed Labourer can be removed from the Colony, and no apprenticed prædial (agricultural) Labourer is subject to work for his Employer except on the Farms on which he has been usually employed previous to the 1st December, 1834, except by the consent of two Justices appointed under this Act.

The right to the Services of apprenticed Labourers may be transferred by one Employer to any other Person by bargain and sale, contract, deed, conveyance, will, or inheritance, provided Husbands and Wives, Parents and Children, be not thereby separated. Employers are to supply the apprenticed Labourers with such Food, Clothing, Medicine, and other things as Masters must now supply Slaves with, or may allot a piece of ground for prædial (agricultural) Labourers in lieu of Food, under Ordinances or Orders in Council regulating the same; and, in such cases, must allow time for the cultivation thereof out of the time during which the Apprentice is required to labour in the service of his Employer.

After the 1st December, 1834, Slavery shall no longer exist in this Colony, and all Children born after that time, shall be free from their birth.

Children below the age of 6, on the 1st December, 1834, or born after that time to any female Apprentice, if destitute, may be bound out by any Justice appointed under this Act, as an Apprentice to the Person entitled to the Service of the Mother; or if he be unfit, then to some proper Person; but at the date of such Apprenticeship, the Apprentice must be under 12 years of age, and the Apprenticeship shall last till the Apprentice be 21. Special Justices are to be appointed to give effect to this Act, and to all Laws made in pursuance of it. The Colonial Government, or King in Council, may enact Laws necessary for establishing Regulations to give full effect to this Act, but may not authorise the whipping or other punishment of the Labourer by the Employer's Authority. The special Justices have the exclusive jurisdiction between the apprenticed Labourers and their Employers, saving the jurisdiction of the Supreme and Circuit Courts.

Apprenticed Labourers are not to be subjected to a prolongation or renewal of their Apprenticeship, nor to more than 15 hours' extra labour in the week for their Employer's benefit, under any pretext, or for any Crime, excepting absenting themselves from their Employer's Service, subject to further regulation by King in Council or Colonial Government.

Apprenticed Labourers cannot be compelled to labour on Sundays, except in works of necessity, or in domestic Services, and cannot be prevented from attending religious worship on Sundays. The Sum of 20 Millions Pounds Sterling is granted to His Majesty, by Him to be given towards compensating the Persons at present entitled to the Services of the Slaves to be manumitted by this Act.

The King may appoint not less than five Commissioners of Arbitration for enquiring into and deciding upon Claims made for Compensation. The Governor and Attorney General, with any two or more resident inhabitants in this Colony, to be nominated, during pleasure, by the Governor, are to be auxiliary Commissioners in the Colony, and are to act in aid of and under the directions of the aforesaid Commissioners, in all such cases, and in relation to all matters which shall be referred to them by the said Commissioners, and for such purposes shall have the powers of the said Commissioners, and shall take an Oath, truly and impartially to execute their duties, and shall transmit to the Commissioners in England, a full statement of the matters given in evidence before them, and true copies of such written evidence as shall have been received by them, whereupon the Commissioners shall adjudicate. The Commissioners may compel the attendance of Witnesses, and examine them on oath.

No part of the Compensation Fund is to be applicable to the Colony, unless His Majesty, by Order in Council, shall have first declared that adequate provision has

been made by Law, for giving effect to this Act, by proper supplementary Enactments.

The Commissioners are to apportion the Compensation Fund into 19 Shares, one for each Colony; which Shares are to be calculated by multiplying the number of Slaves in each Colony, by the value of one Slave in such Colony, ascertained by an average of the sale prices during the eight years ending on the 31st December, 1830. No Compensation is to be allowed for any Person held illegally in slavery. The Commissioners are to institute enquiries to ascertain the facts to be taken into account in effecting the apportionment of the Compensation Fund between the Proprietors in the Colony, and to frame Rules for promoting method, economy, and despatch, in effecting the equitable distribution of the Fund assigned to each Colony, which are to be laid before the King in Council, and may be appealed from, but when confirmed and enrolled shall, until revoked or amended, be as valid as an Act of Parliament. and shall then be observed by the Commissioners in making their Awards

Any Person interested, who is dissatisfied with any adjudication of the Commissioners, may appeal to the King in Council, where the proceedings are to be carried on according to such rules as are consistent with justice, economy, and dispatch. A Certificate, containing a list of the Persons to whom Compensation is awarded from time to time, by the Commissioners, is to be signed by the Commissioners, and transmitted to the Secretary of State for the Colonies, who, when he shall approve, shall sign the same, and transmit it to the Commissioners of the Treasury, and they shall authorise the Commissioners for the reduction of the National Debt, to pay such Compensation to the Persons named in the Certificate.

WHEREAS it is expedient that the Roads in the vicinity of Port Elizabeth should be kept at all times in good and sufficient repair; and whereas it is necessary for that purpose, and to defray the expenses thereof, that a certain rate of Toll-duty should be levied within the Town of Port Elizabeth; and whereas the Regulations now in force relative to the Toll now existing at Port Elizabeth, and the mode of collecting Toll-duty within the Town of Port Elizabeth are found to be inconvenient, and it is expedient that the same should be repealed, and some further provision made in lieu thereof: Be it therefore enacted by His Excellency the Acting Governor in Council, that from and after the First Day of February, 1834, all Laws now in force regulating the said Toll, and the mode of collecting the Toll-duty thereof, shall be, and the same are hereby repealed accordingly.

II. And be it further enacted, That from and after the said First Day of February, 1834, there shall be levied, taken, and received, at any place within the distance of a half Mile from the Market-place of the said Town, where any Collector of Tolls shall demand the same, the several Sum or Sums of Money, by way of Toll, mentioned and set forth in the Schedule hereunto annexed.

III. And be it further enacted, That from and after the said First Day of February, 1834, no Toll shall be demanded at any place within the said limit, on account of any Beast of Draught or Burthen, Cattle or Carriage employed in conveying or returning from conveying any Gravel, Stone or other Material for making and repairing the said Road, or any Buildings appertaining thereto, or which may be used by any Overseer of the Road, or Officer or Officers of Police, in the conveyance of any Prisoner or Prisoners, or otherwise, in discharge of his or their official duty, or which may be used in conveying the Mails of Letters and Expresses under the authority of the Postmaster General, nor for the Horse or Horses used by any Officer or Soldier being in proper Staff or Regimental Uniform, dress or undress, nor for any Beast of Draught or Burthen, or any Carriage employed in conveying any sick or wounded Officer, Soldier, or Soldiers.

IV. And be it further enacted, That such Toll-duty shall be levied and received by the Civil Commissioner for the District of Uitenhage, his Lessee or Collector, or other Person or Persons duly authorised by him, and shall be paid quarterly into the Colonial Treasury.

V. And be it further enacted, That from and after the said First Day of February, 1834, it shall and may be lawful for the Civil Commissioner for the District of Uitenhage, and he is hereby directed to let to farm the said Toll-duty, at such rates as are mentioned in the Schedule hereunto annexed; and for that purpose to cause Notices to be published three several successive times in the Government Gazette, and such other public Newspaper or Newspapers as he may think proper, stating that he will let such Toll-duty for the then next ensuing twelve Months, or any less period, by Auction, to the highest Bidder, on his producing sufficient Sureties for payment of the Hire of such Toll-duty, at the times and in the manner for that purpose to be specified; and if the Person, being the highest Bidder at such Auction, shall not forthwith enter into such Agreement, it shall and may be lawful for the said Civil Commissioner, to put up the said Toll-duty again immediately for another Bidder, and in like manner to continue putting up the same, until a Bidder shall be found who shall enter into such Agreement: Provided always, that in case of any loss accruing in consequence of such repeated putting up the Toll-duty, the Bidder or Bidders, who shall have failed forthwith to enter into such Agreement, shall remain personally bound to the said Civil Commissioner for the payment of the Amount of the difference between the Sum for which he or they shall have declared his or their intention, by bidding for the Toll-duty, to have the same and the Sum for which the same shall be let to any succeeding Bidder, who shall have duly entered into such Agreement; and it shall be lawful for the said Civil Commissioner, to appoint a Collector of such Toll-duty, or to fix a future day for the letting thereof, as he shall judge most proper, giving such notice as before is required: Provided always, and be it enacted, that in every letting of such Toll-duty, the said Civil Commissioner shall require the Renter or Farmer thereof, to enter into Bond, with not less than two responsible Sureties, each binding himself as principal Debtor for the payment of the whole Hire of the Toll-duty and performance of the Contract, at the time and in the manner therein specified; and that, in case any of such payments shall be in arrear and unpaid for the space of three days after the same shall have become due, then it shall be lawful for the said Civil Commissioner, to enter upon the said Toll-duty, and to re-let the same, or otherwise to appoint a Collector thereof, at the risk and at the costs and charges of the Farmer or Hirer so making default; and such deficiency, or any further deficiency which may occur in the receipts by such Collector, in the Sum at which such Toll-duty was hired, shall be made good by the Farmer or Hirer making default, and his Sureties; but if there shall be any surplus above the Hire of such Toll, it shall be paid to the Farmer or Hirer, after reducing the expenses of collecting the same.

VI. And be it further enacted, That the Farmer or Hirer of the said Toll-duty shall be at liberty to nominate and appoint, by writing under his hand, a Collector, or Collectors, to receive and take the said Toll-duty; and such Collector, or Collectors, at his pleasure, to remove, and appoint others in their stead

PEREMPTORY SALE,
On the ROAD to CAMP's BAY,
Of a MARINE VILLA, very beautifully situated
ON THE KLOOF.

On MONDAY, the 27th JANUARY, 1834, at 11 o'Clock in the Forenoon,
WILL BE SOLD BY AUCTION,
ON THE PREMISES,
Before a Special Commissioner,
PEREMPTORILY TO THE HIGHEST BIDDER,
BY ORDER OF THE SUPREME COURT,
IN ONE LOT,

ALL that very desirable Property, called *Schoemnaker's Gat*, with the Dwelling House and Buildings thereon, situate at the foot of the Lion's Head, on the Road to Camp's Bay, measuring per Diagram, 23 morgen, 509 square roods, held under a perpetual Grant from the Colonial Government, on payment of an annual Rent of £1:16:0.

The Lands are well calculated for grazing Stock, the Gardens are planted with numerous Fruit Trees, and abundantly supplied with water, which is conveyed through the Grounds from the Mountain.

The Buildings consist of a commodious Dwelling House, the greater part of which has been recently built, at very great expense, containing an Entrance Hall, Dining Room, 22 feet by 15, a Drawing Room of the same size, and five Bed Rooms, a Kitchen, Pantry, Store Room, Servants' Rooms, Coach House, Stabling, Cow House, Fowl House, and a detatched Cottage, containing two Rooms, and a Loft.

The Situation of this Property as a Marine Residence is, perhaps, the most picturesque and beautiful in the Colony; it commands an unobstructed view of the Ocean, which breaks with exceeding grandeur over a long irregular line of rocky Coast and Headlands, surmounted by Mountain Scenery terminating the prospect to the North.

This Property cost the present Proprietor £1450, which sum has been declared, on oath, to be its present value by a competent Appraiser appointed to ascertain its value.

Its distance from Cape Town is between four and five miles.

This Property is to be sold under the Insolvent Estate of HENRY HEWITT, and may be viewed any day prior to the sale.

Conditions of Sale may be seen at the Master's Office, the Commercial Room, the Office of the Trustee, and at Mr. JONES' Sale Room, on the Parade. R. W. EATON, Sole Trustee.

SCHETS, verklarende de voorzieningen eener Parlements Acte, voor de afschaffing van de Slaverny en voor het schadeloos stellen der Personen tot nu toe geregtigd tot de diensten van zoodanige Slaven.

ALLE Slaven, die voor of op den 1 December 1834 den ouderdom van zes jaren of daarboven zullen hebben bereikt, en die op dien dag behoorlyk zullen zyn geregistreerd, en werkelyk binnen deze Kolonie zullen zyn, zullen van en na dien dag ophouden Slaven te zyn, en zyn en genoemd worden geapprenticeerde Arbeiders van hunne Lyfheeren, die dan zullen worden genoemd Dienstheeren. Na den 1sten December 1840, zullen alle prædiale (in den landbouw gebezigde) geapprenticeerde Arbeiders volkomen vry en hunne eigene meesters zyn. En na den 1sten December 1838 zullen alle andere geapprenticeerde Arbeiders volkomen vry en hunne eigene meesters zyn. Geen prædiale (in den landbouw gebezigde) geapprenticeerde Arbeider is verpligt meer dan 45 uren in de week te werken. Ieder Dienstheer kan een geapprenticeerde Arbeider, voor dat zyn tyd uit is, door eene formele acte ontslaan, doch indien de geapprenticeerde Arbeider boven de 50 jaren, of ziek of zwak is, moet de Dienstheer hem onderhouden tot het Apprenticeschap eindigt. Een geapprenticeerde Arbeider kan zyn ontslag uit zyn Apprenticeschap koopen, door zynen Dienstheer de getaxeerde waarde daarvan te betalen. Geen geapprenticeerde Arbeider kan uit de Kolonie worden gevoerd, en geen geapprenticeerde prædiale (in den landbouw gebezigde) Arbeider is gehouden voor zynen Dienstheer te werken, uitgezonderd op de plaatsen waar hy gewoonlyk voor den 1 December 1834 is gebruikt, behalve met de toestemming van twee Regters onder deze Acte aangesteld.

Het regt op de diensten van geapprenticeerde Arbeiders kan door eenen Dienstheer aan eenig ander persoon worden overgemaakt, door koop en verkoop, kontrakt, acte, overdragt, testament of erfenis, wel verstaan dat Man en Vrouw, Ouders en Kinderen, daardoor niet worden gescheiden. Dienstheeren moeten de geapprenticeerde Arbeiders met zoodanig Voedsel, Kleederen, Medicynen en andere dingen voorzien, als Lyfheeren nu hunne Slaven mede moeten voorzien, of kunnen een stuk grond toestaan voor prædiale (in den landbouw gebezigde) Arbeiders, in plaats van Voedsel, onder Ordonnantien of Orders in Rade welke hetzelve bepalen; en moeten, in zoodanige gevallen, tyd vergunnen voor de bebouwing van hetzelve uit den tyd gedurende welken de Apprentice in den dienst van zynen Dienstheer moet arbeiden.

Na den 1 December 1834, zal de Slaverny niet langer in deze Kolonie bestaan, en alle Kinderen na dien tyd geboren, zullen van hunne geboorte vry zyn.

Kinderen onder den ouderdom van 6 jaren, op den 1 December 1834, of na dien tyd geboren uit eenige vrouwelyke Apprentice, zullen, hulpeloos zynde, door eenigen Regter onder deze Acte aangesteld, als een Apprentice mogen worden verbonden by den persoon die tot de dienst van de Moeder is geregtigd; of indien hy onbekwaam is, dan by eenig geschikt persoon; doch op den datum van zoodanig Apprenticeschap, moet de Apprentice onder de 12 jaren oud zyn, en het Apprenticeschap zal duren tot de Apprentice 21 jaren oud is. Speciale Regters zullen worden aangesteld om werking aan deze Acte, en aan alle Wetten overeenkomstig dezelve gemaakt, te geven. Het Koloniale Gouvernement, of de Koning in Rade, mogen Wetten uitvaardigen vereischt tot het daarstellen van Regulatien om volle werking aan deze Acte te geven, doch kunnen het geeselen of andere straffe van den Arbeider op gezag van den Dienstheer niet autoriseren. De Speciale Regters hebben de uitsluitende jurisdictie tusschen de geapprenticeerde Arbeiders en hunne Dienstheeren, behoudens de jurisdictie van het Hooge en de Rondgaande Geregtshoven.

Geapprenticeerde Arbeiders zullen niet onderworpen zyn aan eene verlenging of vernieuwing van hun Apprenticeschap, noch aan meer dan 15 uren extra arbeid in de week ten voordeele van hunnen Dienstheer, onder eenig voorwendsel, of voor eenige misdaad, uitgezonderd wanneer zy zich absenteren uit de dienst van hunnen Lyfheer, onderworpen aan verdere bepaling door den Koning in Rade of het Koloniale Gouvernement.

Geapprenticeerde Arbeiders kunnen niet worden gedwongen des Zondags te arbeiden, uitgezonderd in werk van noodzakelykheid, of in huisselyke diensten, en kunnen niet worden verhinderd de Godsdienst des Zondags by te wonen. De som van 20 millioenen Ponden Sterling is aan Zyne Majesteit verleend, om door Hem te worden besteed tot het compenseren der personen die tegenwoordig geregtigd zyn tot de diensten der Slaven door deze Acte te worden vrygesteld.

De Koning kan niet minder dan vyf Commissarissen van Arbitrage aanstellen, om onderzoek te doen naar, en te beslissen over vorderingen voor compensatie gedaan. De Gouverneur en Procureur Generaal, benevens twee of meer residerende Ingezetenen in deze Kolonie, te worden benoemd, gedurende welbehagen, door den Gouverneur, zullen auxiliaire Commissarissen in de Kolonie zyn, en moeten ageren tot assistentie en onder de directien van de voorm. Commissarisen, in alle zulke gevallen, en met betrekking tot alle zaken welke

aan hen door de gez. Commissarissen zullen worden gerefereerd, en zullen voor zoodanige einden de magt van de gez. Commissarissen hebben, en zullen eenen eed moeten afleggen om getrouwelyk en onpartydiglyk hunne pligten uit te oefenen, en zullen aan de Commissarissen in Engeland moeten overzenden, een volledig verslag van de zaken in getuigenis voor hen gegeven, en authenthieke kopyen van zoodanig schriftelyk getuigenis als door hen zal zyn ontvangen, waarop de Commissarissen zullen toewyzen. De Commissarissen kunnen getuigen dwingen om te compareren, en hen onder eede onderzoeken.

Geen deel van het Compensatie Fonds is toepasselyk op de Kolonie, ten zy Zyne Majesteit, by Order in Rade, eerst zal hebben verklaard dat evenredige voorziening by de Wetten is gemaakt, om uitwerking aan deze Acte, door behoorlyke supplementaire verordeningen, te geven.

De Commissarissen moeten het Compensatie Fonds in 19 deelen verdeelen, een voor iedere Kolonie; welke deelen moeten worden berekend door het vermenigvuldigen van het getal Slaven in iedere Kolonie, met de waarde van een *Slaaf* in zoodanige Kolonie, bepaald volgens eenen overslag van de verkoopspryzen gedurende de acht *jaren* eindigende den 31 December 1830. Geen compensatie zal worden toegestaan voor eenig persoon onwettig in Slaverny gehouden. De Commissarissen zullen onderzoek moeten doen naar de daadzaken welke in overweging moeten worden genomen in het daarstellen van de verdeeling van het Compensatie Fonds onder de Eigenaren in de Kolonie, en Reglementen opmaken ter bevordering van geregeldheid, spaarzaamheid en spoed in het bewerkstelligen van de regtmatige verdeeling van het Fonds aan iedere Kolonie toegewezen, welke aan den Koning in Rade moeten worden voorgelegd, waarvan kan worden geappelleerd; doch zullen, geconfirmeerd en geënrolleerd zynde, tot dat dezelve worden herroepen of verbeterd, van dezelfde kracht zyn als eene Parlements Acte, en zullen dan door de Commissarissen moeten worden in acht genomen in het uitmaken hunner gewysden.

Ieder belanghebbend persoon, die niet voldaan is met eenige uitwyzing van de Commissarissen, kan aan den *Koning in Rade appelleren*, waar de procedures moeten worden voortgezet volgens zoodanige reglementen als bestaanbaar zyn met regtvaardigheid, spaarzaamheid en spoed. Een certifikaat, bevattende eene lyst der personen aan welke door de Commissarissen van tyd tot tyd compensatie is toegewezen, moet door de Commissarissen worden geteekend, en aan den Secretaris van Staat voor de Kolonien toegezonden, die, wanneer hy zulks zal goedkeuren, hetzelve zal teekenen, en aan de Commissarissen der Trezorie toezenden, en zy zullen de Commissarissen voor de reductie der Nationale Schuld autoriseren, aan de personen in het certifikaat genoemd zoodanige compensatie te betalen.

ANNO TERTIO & QUARTO

GULIELMI IV. REGIS.

CAP. LXXII.

An Act for carrying into effect Two Conventions with the King of the *French* for suppressing the Slave Trade.

[28th *August*, 1833.]

WHEREAS a Convention was concluded between His Majesty and His Majesty the King of the *French* for rendering more effectual the Means of suppressing the criminal Traffic called the Slave Trade, and signed at *Paris* on the Thirtieth Day of *November* in the Year of our Lord One thousand eight hundred and thirty-one: And whereas by the First Article of the said Convention it was agreed that the mutual Right of Search might be exercised on board the Vessels of each Nation, but only within the Waters herein-after described; namely,

First, Along the Western Coast of *Africa*, from *Cape Verd* to the Distance of Ten Degrees to the South of the Equator, that is to say, from the Tenth Degree of South Latitude to the Fifteenth Degree of North Latitude, and as far as the Thirtieth Degree of West Longitude, reckoning from the Meridian of *Paris*.

Second, All round the Island of *Madagascar*, to the Extent of Twenty Leagues from that Island:

Third, To the same Distance from the Coast of the Island of *Cuba*:

Fourth, To the same Distance from the Coasts of the Island of *Porto Rico*:

Fifth, To the same Distance from the Coasts of *Brazil*:

It was however understood, that a suspected Vessel, descried and begun to be chased by the Cruizers, while within the said Space of Twenty Leagues, might be searched by them beyond those Limits, if, without ever having lost sight of her, they should only succeed in coming up with her at a greater Distance from the Coast:

And whereas by the Second Article it was agreed, that the Right of searching Merchant Vessels of either of the Two Nations in the Waters herein-before mentioned should be exercised only by Ships of War whose Commanders should have the Rank of Captain, or at least that of Lieutenant in the Navy: And whereas by the Third Article it was agreed, that the Number of Ships to be invested with the said Right should be fixed each Year by a special Agreement, that the Number for each Nation need not be the same, but that in no Case should the Number of the Cruizers of the one Nation be more than Double the Number of the Cruizers of the other: And whereas by the Fourth Article it was agreed, that the Names of the Ships and of their Commanders should be communicated by each of the contracting Governments to the other, and Information should be reciprocally given of all Changes which might take place in the Cruizers: And whereas by the Fifth Article it was agreed, that Instructions should be drawn up and agreed upon in common by the Two Governments for the Cruizers of both Nations, which Cruizers should afford to each other mutual Assistance in all Circumstances in which it might be useful that they should act in concert; and that the Ships of War authorized to exercise the reciprocal Right of Search should be furnished with a special Authority from each of the Two Governments: And whereas by the Sixth Article it was agreed, that whenever a Cruiser should have chased and overtaken a Merchant Vessel, as liable to Suspicion, the Commanding Officer, before he should proceed to the Search, should exhibit to the Captain of the Merchant Vessel the special Orders which confer upon him, by Exception, the Right to visit her: and in case he should ascertain the Ship's Papers to be regular, and her Proceedings lawful, he should certify upon the Log Book of the Vessel that the Search took place only in virtue of the said Orders; and that, these Formalities having been completed, the Vessel should be at liberty to continue her Course: And whereas by the Seventh Article it was agreed, that the Vessels captured for being engaged in the Slave Trade, or as being suspected of being fitted out for that infamous Traffic, should, together with their Crews, be delivered over, without Delay, to the Jurisdiction of the Nation to which they should belong: and it was furthermore distinctly understood, that they should only be judged according to the Laws in force in their respective Countries: And whereas by the Eighth Article it was agreed, that in no Case should the Right of mutual Search be exercised upon the Ships of War of either Nation; that the Two Governments should agree on a particular signal with which those Cruizers only should be furnished which were invested with that Right, and which Signal should not be made known to any other Ship not employed upon that Service; and by the Ninth Article the High Contracting Parties to the said Treaty agreed to invite the other Maritime Powers to accede to it within as short a Period as possible; and by the Tenth Article it was agreed, that the then present Convention should be ratified, and the Ratifications of it should be exchanged within One Month, or sooner, if it were possible: And whereas the said Convention was ratified by and between His Majesty and His Majesty the King of the *French* respectively, and such Ratifications were exchanged on the Sixteenth Day of *December* One thousand eight hundred and thirty-one: And whereas a Supplementary Convention was concluded between His Majesty and His Majesty the King of the *French* for the more effectual Suppression of the Traffic in Slaves, and signed at *Paris* on the Twenty-second Day of *March* in the Year of our Lord One thousand eight hundred and thirty-three: And whereas by the First Article of the said Supplementary Convention it was agreed, that whenever a Merchant Vessel navigating under the Flag of one of the said Two Nations should have been detained by the Cruizers of the other, duly authorized to that effect, conformably to the Provisions of the said Convention of the Thirtieth Day of *November* in the Year One Thousand eight hundred and thirty-one, such Merchant Vessel, and also her Master, her Crew, her Cargo, and the Slaves who might be on board, should be carried to such Places as should have been appointed by the Contracting Parties respectively, in order that Proceedings might be there instituted respecting them, agreeably to the Laws of each Country, and that they should be delivered over to the Authorities appointed for that Purpose by the respective Governments; and that when the Commander of the Cruizer should not think proper to take upon himself the carrying in and delivering up the detained Vessel, he should not entrust that Duty to an Officer below the Rank of Lieutenant in the Navy: And whereas by the Second Article of the said Supplementary Convention it was agreed, that the Cruizers of the Two Nations authorized to exercise the Right of Visit and Detention, in execution of the Convention of the Thirtieth Day of *November* One thousand eight hundred and thirty-one, should, in all that relates to the Formalities of the Visit and of the Detention, as well as to the Measures to be taken for delivering up Vessels suspected of being engaged in the Slave Trade to the respective Jurisdictions, conform strictly to the Instructions annexed to the said Supplementary Convention, and which should be considered as an integral Part thereof; and the said Two High Contracting Parties reserved to themselves the Power of making in those Instructions, by common Consent, any Modifications which Circumstances might render necessary: And whereas in conformity with the Second Article of the said Supplementary Convention, it was agreed, that the Instructions next following should be annexed to the said Supple

mentary Convention, and considered as an integral Portion thereof; (that is to say,)

INSTRUCTIONS TO CRUIZERS.

First. Whenever a Merchant Vessel of either of the Two Nations shall be visited by a Cruizer of the other, the Officer commanding the Cruizer shall exhibit to the Master of such Vessel the special Orders which confer upon him the exceptional Right of Visit, and shall deliver to him a Certificate signed by him, specifying his Rank in the Navy of his Country, with the Name of the Ship which he commands, and declaring that the only Object of such Visit is to ascertain whether the Vessel is engaged in the Slave Trade, or is fitted out for the Purposes of such Traffic. When the Visit is made by another Officer of the Cruizer than her Commander, this Officer shall not be under the Rank of Lieutenant in the Navy, and in this Case such Officer shall exhibit to the Master of the Merchant Vessel a Copy of the special Orders above-mentioned, signed by the Commander of the Cruizer, and shall likewise deliver to him a Certificate signed by him, specifying the Rank which he holds in the Navy, the Name of the Commander under whose Orders he is acting, and of the Cruizer to which he belongs, and the Object of his Visit, as herein-before recited. If it shall be ascertained by the Visit that the Ship's Papers are regular, and her Proceedings lawful, the Officer shall certify upon the Log Book of the Vessel that the Visit took place only in virtue of the special Orders above mentioned; and the Vessel shall be permitted to continue her Course.

Secondly. If, in consequence of the Visit, the Officer commanding the Cruizer shall be of opinion that there are sufficient Grounds for believing that the Vessel is engaged in the Slave Trade, or has been fitted out for that Traffic, and if he shall in consequence determine to detain her, and to have her delivered up to the respective Jurisdiction, he shall forthwith cause a List to be made out in Duplicate of all the Papers found on board, and he shall sign this List and the Duplicate, adding to his Name his Rank in the Navy, and the Name of the Vessel under his Command. He shall in like Manner make out and sign in Duplicate a Declaration, stating the Place and Time of the Detention, the Name of the Vessel, that of her Master, and those of the Persons composing her Crew, and also the Number and Condition of the Slaves found on board. This Declaration shall further contain an exact Description of the State of the Vessel and her Cargo.

Thirdly. The Commander of the Cruizer shall without Delay carry or send the detained Vessel, with her Crew, Cargo, and the Slaves found on board, to one of the Ports herein after specified, in order that Proceedings may be instituted in regard to them conformably to the respective Laws of each Country; and he shall deliver the same to the competent Authorities, or to the Persons who shall have been specially appointed for that Purpose by the respective Governments.

Fourthly. No Person whatever shall be taken out of the detained Vessel, nor shall any Part of her Cargo, nor of the Slaves found on board, be removed from her until after such Vessel shall have been delivered over to the Authorities of her own Nation, excepting only when the Removal of the whole or of Part of the Crew, or of the Slaves found on board, shall be deemed necessary either for the Preservation of their Lives, or from any other Consideration of Humanity, or for the Safety of the Person who shall be charged with the Navigation of the Vessel after her Detention. In this Case the Commander of the Cruizer, or the Officer appointed to bring in the detained Vessel, shall make a Declaration of such Removal, in which he shall specify the Reasons for the same; and the Masters, Sailors, Passengers, or Slaves so removed shall be carried to the same Port as the Vessel and her Cargo, and they shall be received in the same Manner as the Vessel, agreeably to the Regulations herein-after set forth.

Fifthly. All such *French* Vessels as shall be detained by the Cruizers of His *Britannic* Majesty on the *African* Station shall be carried and delivered up to the *French* Jurisdiction at *Goree:*

All such *French* Vessels as shall be detained by the *British* Squadron on the *West India* Station shall be carried and delivered up to the *French* Jurisdiction at *Martinique*:

All such *French* Vessels as shall be detained by the *British* Squadron on the *Madagascar* Station shall be carried and delivered up to the *French* Jurisdiction at the *Isle of Bourbon:*

All such *French* Vessels as shall be detained by the *British* Squadron on the *Brazilian* Station shall be carried and delivered up to the *French* Jurisdiction at *Cayene:*

All such *British* Vessels as shall be detained by the Cruizers of His Majesty the King of the *French* on the *African* Station shall be carried and delivered up to the Jurisdiction of His *Britannic* Majesty at *Bathurst* on the River *Gambia*:

All such *British* Vessels as shall be detained by the *French* Squadron on the *West India* Station shall be carried and delivered up to the *British* Jurisdiction at *Port Royal* in *Jamaica*:

All such *British* Vessels as shall be detained by the *French* Squadron on the *Madagascar* Station, shall be carried and delivered up to the *British* Jurisdiction at the *Cape of Good Hope*:

All such *British* Vessels as shall be detained by the *French* Squadron on the *Brazilian* Station shall be carried and delivered up to the *British* Jurisdiction at the Colony of *Demerara.*

Sixthly. As soon as a Merchant Vessel which shall have been detained as aforesaid shall arrive at one of the Ports or Places above mentioned, the Commander of the Cruzier, or the Officer appointed to bring in the detained Vessel, shall forthwith deliver to the Authorities, duly appointed for that Purpose by the respective Governments, the Vessel and her Cargo, together with the Master, Crew, Passengers, and Slaves found on board, as also the Papers which shall have been seized on board the Vessel, and one of the Lists made out in Duplicate of the said Papers, the other remaining in his Possession: such Officers shall at the same Time deliver to the said Authorities one of the Declarations made out in Duplicate as herein-before specified, adding thereto a Statement of any Changes which may have taken place from the Time of the Detention to that of the Delivery, as well as a Copy of the Declaration of any Removals which may have taken place as above provided for. In delivering over these several Documents the Officer will make Attestation of their Truth on Oath and in Writing.

Seventhly. If the Commander of a Cruzier of either

of the High Contracting Parties, who shall be duly furnished with the aforesaid special Instructions, shall have reason to suspect that a Merchant Vessel sailing under Convoy or in Company with a Ship of War of the other Party is engaged in the Slave Trade, or has been fitted out for the Purpose of that Traffic, he shall confine himself to the communicating his Suspicions to the Commander of the Convoy or of the Ship of War, and he shall leave it to the latter to proceed alone to a Visit of the suspected Vessel, and to deliver her up, if the Case require it, to the Jurisdiction of her own Country.

Eighthly. The Cruizers of the Two Nations shall conform strictly to the Tenor of these Instructions, which are to be considered as a Development of the Clauses of the Principal Convention of the Thirtieth of *November* One thousand eight hundred and thirty-one, as well as of the said Supplementary Convention to which they are annexed.

And whereas by the Third Article of the aforesaid Supplementary Convention it was agreed that it was clearly understood, that if the Commander of a Cruizer of one of the Two Nations should have reason to suspect that a Merchant Vessel navigating under Convoy of or in Company with a Vessel of War of the other Nation had engaged in the Slave Trade, or had been fitted out for the said Trade, he should make known his Suspicions to the Commander of the Convoy or Vessel of War, who should proceed alone to visit the suspected Vessel, and in case the latter Commander should find that the Suspicion was well founded, he should cause the Vessel to be taken, together with her Master, her Crew, and the Cargo and the Slaves who might be on board, into a Port of his own Nation, in order that Proceedings might be instituted with regard to them agreeably to the respective Law: And whereas by the Fourth Article of the aforesaid Supplementary Convention it was agreed, that as soon as any Merchant Vessel detained and sent before the Tribunals aforesaid should arrive at one of the Ports respectively pointed out, the Commander of the Cruizer which should have detained her, or the Officer appointed to bring her in, should deliver to the Authorities appointed for that Purpose One Copy signed by him of all the Lists, Declarations, and other Documents specified in the before-mentioned Instructions annexed to the said Supplementary Convention; and the said Authorities should in consequence proceed to a Survey of the detained Vessel and her Cargo, and to an Inspection of her Crew and of the Slaves who might be on board, after having previously given Notice of the Time of such Survey and Inspection to the Commander of the Cruizer, or to the Officer who should have brought in the Vessel, in order that he or some Person in his Behalf might be present thereat; and that a Declaration of such Proceedings should be drawn up in Duplicate, signed by the Persons who should have acted therein or been present at the same, and One of the said Declarations should be delivered to the Commander of the Cruizer, or to the Officer who should have been appointed to bring in the detained Vessel: And whereas by the Fifth Article to the aforesaid Supplementary Convention it was agreed, that the Vessels detained as before mentioned, their Masters, Crews, and Cargoes, should be forthwith proceeded against before the proper Tribunals in the respective Countries, according to the established Forms, and if, in consequence of such Proceedings, the said Vessels should be found to have been employed in the Slave Trade, or to have been fitted out for the Purposes thereof, the Master, the Crew, and the Accomplices, as well as the Ship and Cargo should be dealt with conformably to the respective Laws of the Two Countries; and that in case the said Vessel should be confiscated a Portion of the Proceeds arising from their Sale should be paid into the Hands of the Government to which the Captor should belong, to be distributed among the Officers and Crew of the capturing Ship; that this Portion should be Sixty-five *per Centum* of the Net Produce of the Sale, as long as such a Distribution of the Proceeds should be consistent with the respective Laws of the Two Countries: And whereas by the Sixth Article of the said Supplementary Convention it was agreed, that any Merchant Vessel of either of the Two Nations visited and detained in pursuance of the Convention of the Thirtieth of *November* One thousand eight hundred and thirty-one, and of the Provisions herein-before recited, should, unless Proof were given to the contrary, be held and taken of right to have engaged in the Slave Trade, or to have been fitted out for the Purposes of such Traffic, if any of the Particulars therein-after specified should be found in her Outfit or Equipment, or on board of her; *videlicet*,

First, Having her Hatches fitted with open Gratings, instead of being close Hatches, as usual in Merchant Vessels:

Second, Having more Divisions or Bulk Heads in the Hold or on Deck than necessary for trading Vessels:

Third, Having on board spare Planks, either actually fitted in that Shape, or fit for readily laying a second or moveable Deck, or Slave Deck:

Fourth, Having on board Shackles, Bolts, or Handcuffs:

Fifth, Having on board a Supply of Water more than sufficient for the Consumption of her Crew as a Merchant Vessel:

Sixth, Having on board an unreasonable Number of Water Casks or other Vessels for holding Water, unless the Master should produce a Certificate from the Custom House of the Place at which he cleared outwards, stating that a sufficient Security had been given by the Owners of such Vessel that such Casks or other Vessels should only be used for the Reception of Palm Oil, or be employed in any other lawful Trade:

Seventh, Having on board a greater Quantity of Mess Tubs or Kids than requisite for the Use of her Crew as a Merchant Vessel:

Eighth, Having on board Two or more Copper Boilers, or even One evidently larger than requisite for the Use of her Crew as a Merchant Vessel:

Ninth, Having on board a Quantity of Rice or Farinha Flour of the Manioc of *Brazil*, or Cassada or Maize, or *Indian* Corn, beyond any probable requisite Provision for the Use of her Crew, and such Rice, Flour, Maize, or *Indian* Corn not being entered in the Manifest as Part of the Cargo for Trade:

And whereas by the Seventh Article of the said Supplementary Convention it was agreed, that no Compensation should in any Case be granted either to the Master or to the Owner or to any other Person interested in the Equipment or Lading of a Merchant Vessel in which any of the Particulars specified in the preceding Article should be found, even if the Tribunals should not pronounce any Condemnation, in consequence of her Detention: And whereas by the Eighth Article of the said Supplementary Convention it was agreed, that when a Merchant Vessel of either of the Two Nations should have been visited and detained illegally, or without sufficient Cause of Suspicion, or when the Visit and Detention should have been attended with any Abuse or vexatious Act, the Commander of the Cruizer, or the Officer who should have boarded the said Vessel, or the Officer who should have been appointed to bring her in, as the Case might be, should be liable to Costs and Damages to the Master and to the Owners of the Vessel and Cargo; that those Costs and Damages might be awarded by the Tribunal before

which the Proceedings against the detained Vessel, her Master, Crew, and Cargo, should have been instituted; and the Government of the Country to which the Officer who gave Occasion for such Award should belong should pay the Amount of the said Costs and Damages within the Period of One Year from the Date of the Award: And whereas by the Ninth Article of the said Supplementary Convention it was agreed, that if in the Visit or Detention of a Merchant Vessel made in virtue of the Provisions of the said Convention of the Thirtieth of *November* One thousand eight hundred and thirty-one, or of the said present Convention, any Abuse or Vexation should have been committed, but the Vessel should not have been delivered over to the Jurisdiction of her own Nation, the Master of the Vessel should make a Declaration on Oath of the Abuses or Vexations of which he had to complain, and of the Costs and Damages to which he laid claim, before the competent Authorities in the first Port of his own Country at which he might arrive, or before the Consular Agent of his Nation, if the Vessel should proceed to a Foreign Port where there was such an Agent; that this Declaration should be confirmed by an Examination under Oath of the principal Persons of the Crew or Passengers who had witnessed the Visit or Detention, and One formal Declaration of the whole should be drawn up, and Two Copies thereof delivered to the Master, who should forward One of them to his own Government in support of his Claim for Costs and Damages; and that it was understood, that if any compulsory Circumstances should prevent the Master from making his Declaration, it might be made by the Owner or by any other Person interested in the Vessel or in her Cargo; that on the official Transmission of One Copy of the formal Declaration above mentioned through the Channel of the respective Embassies, the Government of the Country to which the Officer charged with Abuses or Vexations should belong should forthwith institute an Inquiry into the Matter, and if the Validity of the Complaint should be admitted, the said Government should cause to be paid to the Master or Owner, or to any other Person interested in the Vessel which should have been molested, or in her Cargo, the Amount of Costs and Damages which might be due to them: And whereas by the Tenth Article of the said Supplementary Convention it was agreed, and the Two Governments did engage reciprocally to communicate each to the other, free of Expence, and upon Application being made, Copies of all the Proceedings instituted and Judgments given relative to Vessels visited or detained in execution of the Provisions of the said Convention of the Thirtieth Day of *November* in the Year of our Lord One thousand eight hundred and thirty-one, and of the said present Convention: And whereas by the Eleventh Article of the said Supplementary Convention the Two Governments did agree to insure the immediate Freedom of all Slaves who should be found on board Vessels visited and detained in virtue of the Stipulations of the Principal Convention therein-before referred to, or of the said present Convention, whenever the Offence of trafficking in Slaves should have been established by the Sentence of the respective Tribunals; the Two Governments did however, by the said last-mentioned Article, reserve to themselves, for the Welfare of the Slaves themselves, the Right to employ them as Servants or Free Labourers, conformably to their respective Laws: And whereas by the Twelfth Article of the said Supplementary Convention it was agreed between the Two High Contracting Parties, that in all Cases in which a Vessel under the said Convention of the Thirtieth Day of *November* in the Year of our Lord One thousand eight hundred and thirty-one, or under the said Supplementary Convention, should be detained by their respective Cruizers as having been engaged in the Slave Trade or fitted out for the Purposes thereof, and should be placed at the Disposal of their Government for the Purpose of being sold in consequence of a Sentence of Confiscation pronounced by a competent Tribunal, the said Vessel should be broken up, in whole or in part, before the Sale, whenever its peculiar Construction or Outfit should give reason to fear that it might be again employed in the Slave Trade or any other illicit Traffic: And whereas by the Thirteenth and last Article of the said Supplementary Convention it was agreed, that the said present Convention should be ratified, and the Ratifications should be exchanged at *Paris* within the Space of One Month, or sooner if possible: And whereas the said Supplementary Convention was ratified by and between His Majesty and His Majesty the King of the *French* respectively, and such Ratifications were exchanged on the Twelfth Day of *April* in the Year of our Lord One thousand eight hundred and thirty-three: And whereas it is expedient and necessary that effectual Provision should be made for carrying into execution the Provisions of the Convention aforesaid: Be it therefore enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That it shall be lawful for any Officer commanding any Ship of War of His Majesty or of the King of the *French*, who shall have such Rank as by the said Second Article of the said first-mentioned Convention is agreed, and shall be duly instructed and authorized and furnished according to the several Provisions of the said Two Conventions, and within the Waters described, and according to the Provisions and Exceptions contained in the First Article of the said first-mentioned Convention, to exercise the Right of visiting and searching any Merchant Vessel of either of the said Two Nations liable to Suspicion, and suspected of having engaged in or having been employed in the Slave Trade, or of having been fitted out for the Purposes of such Traffic, according to the several Provisions and Instructions of the said Two Conventions, except as in the said Third Article of the said Supplementary Convention is excepted, and, upon sufficient Grounds, of detaining, and of sending or carrying in and delivering over without Delay any such Vessel, together with its Master, Sailors, Passengers, Slaves and Cargo, to the Authorities appointed for the Purposes of the said Two Conventions, by the respective Governments of the said Two Nations, and to one of the Jurisdictions in the said Instructions mentioned, in order that Proceedings may be instituted conformably to the respective Laws of the said Two Countries; and all such Commanders of His said Majesty's Ships are hereby authorized and required, in the Exercise of such Rights of visiting, searching, detaining, sending, carrying in, and delivering as aforesaid, to execute, perform, and comply with the said several Provisions and Instructions of the said Two Conventions as apply thereto respectively.

II. And be it further enacted, That where any such Officer of His Majesty the King of the *French* shall send, carry, or deliver over as aforesaid any such Merchant Vessel, wholly or in part owned by Subject or Subjects of His Majesty the King of the United Kingdom of *Great Britain* and *Ireland*, all and every Proceeding instituted in the Tribunals herein-after mentioned in regard to such Merchant Vessel, and its Crew, Cargo, and Slaves, and in respect to the Cause, shall be conducted in the Name of His said Majesty the King of the United Kingdom of *Great Britain* and *Ireland* by some Person duly thereunto authorized; that is to say, all Ships, Cargoes, and Slaves which shall be detained by the Cruizers of His Majesty the King of the *French*, and delivered up to the Jurisdiction of His Majesty at *Bathurst* on the River *Gambia*, shall be proceeded against and adjudicated in the Vice Admiralty Court at *Sierra Leone*; and that all other Ships, Cargoes, and Slaves which may in like Manner be detained by the Cruizers of His Majesty the King of the *French*, and delivered up to the Jurisdiction of His Majesty either at *Jamaica*, *Cape of Good Hope*, or *Mauritius*, shall be proceeded against and adjudicated in the Vice Admiralty Court established in th

XII. En wordt verder vastgesteld, dat onderhevig aan de verpligtingen door deze acte bepaald, of te worden daargesteld door eenige zulke acte van algemeene vergadering, ordonnantie of order in rade als hierna vermeld, ten aanzien van zoodanige voorsch. geapprenticeerde arbeiders, alle personen die op den gemelden 1sten dag van Augustus 1834 in slaverny worden gehouden, binnen eenige zoodanige Britsche Kolonie als voorschreven, zullen op, en van en na den gemelden 1sten Augustus 1834, worden en zyn, in den volsten zin des woords, vry en ontslagen van alle wyze van slaverny, en zullen volstrekt en voor altoos in vryheid gesteld zyn; en de kinderen daarna geboren uit eenig zoodanig persoon, en de nakomelingen van zoodanige kinderen, zullen op gelyke wyze vry zyn van hunne geboorte af aan; en dat van en na den gemelden 1sten dag van Augustus 1834, de slaverny zal zyn, en by deze geheel en al en voor altoos vernietigd en voor onwettig wordt verklaard in al de Britsche kolonien, plantaadjen, en buitenlandsche bezittingen.

XIII. En naardien het kan komen te gebeuren, dat kinderen die op den gem. 1 Augustus 1834 nog den ouderdom van zes jaren niet hebben bereikt, of kinderen die na dien dag mogten worden geboren uit eenige geapprenticeerde arbeidsters, niet behoorlyk door hunne ouders kunnen worden onderhouden, en dat geen ander persoon genegen mogt zyn, vrywillig het onderhoud van zoodanige kinderen op zich te nemen, en het noodzakelyk is, voorziening te maken, tot onderhoud van zoodanige kinderen in eenig zoodanig geval; zoo wordt derhalve vastgesteld, dat indien eenig kind, dat op den gem. 1 Augustus 1834 nog niet zyn of haar volle zesde jaar zal hebben bereikt, of zoo eenig kind, hetwelk op of na den gem. 1 Augustus 1834 mogt worden geboren uit eenige geapprenticeerde arbeidster, hetzelve zal worden gebragt voor eenen vrederegter, houdende eenige zoodanige speciale commissie als hierna zal worden vermeld: en wanneer het ten genoegen van zoodanigen regter zal komen te blyken, dat eenig zoodanig kind ontbloot is van behoorlyk onderhoud, en dat zoodanig kind zyne of hare twaalf jaren nog niet ten volle zal hebben bereikt, zal het zoodanigen regter vrystaan, en hy wordt by deze gelast, ten behoeve van zoodanig kind, een "indenture" van apprenticeschap te passeren,

daarby zoodanig kind verbindende, als een geapprenticeerde arbeider, aan den persoon of personen geregtigd tot de diensten van de moeder van zoodanig kind, of die het laatste geregtigd was tot de diensten van zoodanige moeder. Maar indien het zoodanigen vrederegter blyken zal, dat zoodanig persoon buiten staat is zoodanig verband aan te gaan, en de voorwaarde daarvan te volbrengen, zal het zoodanigen vrederegter vrystaan, en wordt hy by deze gelast, zoodanig kind aan eenig ander persoon of personen te verbinden, die hy daartoe zal goedkeuren, en die genegen en bekwaam zyn die voorwaarden te volbrengen; en het zal by elke zoodanige "indenture" van apprenticeschap worden verklaard, of zoodanig kind voortaan zal behooren tot de klasse van vaste geapprenticeerde veldarbeiders, of tot de klasse van niet aan den grond verbonden geapprenticeerde arbeiders, of tot de klasse van niet prediale geapprenticeerde arbeiders; en de tyd van zoodanig apprenticeschap van eenig zoodanig kind zal by zulk eene "indenture" worden bepaald en gemaakt, om te duren tot zoodanig kind zyne of hare volle 21 jaren zal hebben bereikt; en elk kind aldus geapprenticeerd als bovengem. op last van eenigen zoodanigen vrederegter, zal, gedurende zyn of haar apprenticeschap, onderworpen zyn aan alle zoodanige en dezelfde reglementen en regulatien, ten aanzien van werk of arbeid, door hen te worden gedaan of verrigt, en met betrekking tot het voedsel en andere benoodigdheden, om aan hem of haar te worden verstrekt, als aan eenige andere zoodanige geapprenticeerde arbeiders als bovengemeld; wel verstaan dat zoodanig verband van apprenticeschap genoegzame woorden van verbindtenis op den dienstheer zal moeten bevatten, om tyd te geven voor de opvoeding en het godsdienstig onderwys van zoodanig kind.

XIV. En ten einde het effectueel toeverzigt over de gezegde geapprenticeerde arbeiders, en de uitoefening van deze acte te verzekeren, wordt by deze vastgesteld, dat zyne Majesteit geregtigd zal zyn uit te vaardigen, of den gouverneur van eene kolonie te autoriseren, onder het publiek zegel van zoodanige kolonie, in den naam van zyne Majesteit, een of meer speciale commissien op te dragen aan een of meer personen, hem of hen aanstellende als vrederegter of vrederegters voor zoodanige kolonie in het geheel, of voor eenig gedeelte van dezelve, ten einde aan deze acte, en alle wetten uit kracht derzelver gemaakt, effect te geven; zullende ieder aldus aangestelde persoon geregtigd zyn als vrederegter te ageren, binnen de limieten door zyne commissie voorgeschreven, voor zulke speciale einden, maar voor geene andere; nogtans wel te verstaan, dat niets hierin vervat, een vrederegter aldus aangesteld tot zoodanig speciaal einde, zal beletten, betrokken te zyn in eene algemeene commissie van het vrederegt van eenige zoodanige kolonie, indien zyne Majesteit, of de gouverneur van zoodanige kolonie goedvinden mogt, eenige zoodanige speciale en algemeene commissie aan dezelfde persoon of personen op te dragen.

XV. En wordt verder vastgesteld, dat zyne Majesteit geregtigd zyn zal, gelyk zulks geschiedt by deze, aan eenig persoon of personen, geene honderd in het geheel te bovengaande, eenige zoodanige speciale commissie als voormeld hebbende, en zoo van tyd tot tyd wanneer vacatures zullen plaats vinden, salarissen toe te staan, in geen geval drie honderd ponden per jaar te bovengaande, welk salaris alleen zoo lang betaalbaar zal zyn, als zy zoodanige commissie behouden, en werkelyk in zulk eene kolonie woonachtig en de pligten van zoodanig ambt zullen volbrengen; wel te verstaan, dat geen persoon van zyne Majesteits land- of zeedienst, op halve soldy, of pensioen trekkende, van dezelve, door het aannemen van zoodanige commissie of salaris, ontstoken zal zyn; moetende er mede jaarlyks voor het parlement eene lyst worden gelegd van de namen van alle personen, aan wien zoodanige salarissen zullen worden verleend, den datum vermeldende van iedere zoodanige commissie, en het bedragen van salaris aan iederen zoodanigen vrederegter toegekend.

XVI. En nademaal het noodzakelyk is, dat er onderscheidene reglementen en regulatien moeten worden gemaakt, ten einde met betrekking tot iederen geapprenticeerden arbeider binnen de gez. kolonien respectivelyk te weten te kunnen komen, of hy of zy behoort tot vaste op het veld arbeidende geapprenticeerde arbeiders, of tot de klasse van niet vaste op het veld arbeidende geapprenticeerde arbeiders, of tot de klasse van niet op het veld arbeidende geapprenticeerde arbeiders, en ten einde te beslissen over de manier en wyze waarop, en de plegtigheden waarmede het vrywillige ontslag van eenigen zoodanigen geapprenticeerden arbeider, of zyn of haar ontslag van zoodanig apprenticeschap bewerkstelligd kan worden, met of tegen den wil van den persoon of personen, tot zyne of hare diensten geregtigd, en hoe de noodige waardering der toekomende waarde van zulke diensten zal geschieden, en hoe en aan wien het bedragen van zulke waardering zal worden betaald en verleend, en op welke manier en wyze het ontslag van zoodanig apprenticeschap daarna zal worden gegeven, ten uitvoer gebragt en aangeteekend; en het mede noodzakelyk is om ter bewaring der rust in de gem. kolonien, behoorlyke regulatien te ontwerpen en intevoeren, voor de instandhouding van order en goede tucht onder de gemelde geapprenticeerde arbeiders, en de behoorlyke volbrenging te verzekeren der diensten, door hen aan hunne onderscheidene dienstheeren te worden gedaan, en ter voorkoming en bestraffing van luiheid, of het verzuimen of onbehoorlyk volbrengen van werk, door zoodanigen geapprenticeerden arbeider, en ter volbrenging van eenig kontrakt, door eenigen zoodanigen geapprenticeerden arbeider vrywillig aangegaan, voor eenigen huurdienst, in den tyd, in welk hy of zy niet verpligt is, voor zynen of haren dienstheer te werken, en ter voorkoming en bestraffing van brutaliteit en ongehoorzaamheid van zoodanigen geapprenticeerden arbeider jegens hunne dienstheeren, en ter voorkoming en straffing van vagabonderen of eenig ander gedrag, strekkende om het goed van zoodanigen dienstheer te benadeelen, en ter demping en straffing van oproer of eenigen te zamen gespannen tegenstand, tegen de wetten, aan den kant van eenige zoodanige geapprenticeerde arbeiders, en ter voorkoming van de opdrossing van eenigen zoodanigen geapprenticeerden arbeider, gedurende zyn apprenticeschap, uit de kolonie waartoe hy behoort: En nademaal het mede noodzakelyk zyn zal, om ter bescherming van zoodanige geapprenticeerde arbeiders in de gezegde respective kolonien als voormeld, verscheidene regulatien te maken en daartestellen, ten einde naauwgezetheid te verzekeren, in het voorzien van voedsel, kleeding, logies, medicynen, geneeskundige hulp, en van zoodanigen anderen bystand, als waartoe zy geregtigd zyn; en ten einde de hoeveelheid en hoedanigheid van al zulke artikelen te verzekeren, in gevallen, waarin de thans bestaande wetten in eenige zoodanige kolonie, in de zaak van slaven, geene regulatien daartoe hebben gemaakt; en het mede noodzakelyk is, dat er behoorlyke wetten worden gemaakt, ter voorkoming en straffing van alle bedrog, dat kan worden gepleegd, of van eenig verzuim of nalatigheid aangaande de hoeveelheid en hoedanigheid der artikelen, en de tyden ter verstrekking derzelve: En nademaal het noodzakelyk is, om in zulke gevallen, waarin het voedsel van eenige zoodanige op het veld arbeidende geapprenticeerde arbeiders, geheel of gedeeltelyk door hen zelven mogt worden verstrekt, door de bebouwing des lands, ten dien einde afgezonderd en verleend, behoorlyke regulatien te maken en daartestellen, omtrent de uitgestrektheid van zulke stukken gronds, en omtrent den afstand waarop dezelve kunnen zyn van de gewone verblyfplaats van zulke op het veld arbeidende geapprenticeerde arbeiders, en betrekkelyk de uren ter bebouwing van zulke stukken gronds, te worden afgetrokken van den jaarlykschen tyd, welke de gemelde op het veld arbeidende geapprenticeerde arbeiders hierin reeds te voren verpligt verklaard zyn te verrigten: En nademaal het mede noodzakelyk kan zyn, om by zulke regulatien als voor-

PEREMPTORY SALE,
On the ROAD to CAMP's BAY,
Of a MARINE VILLA, very beautifully situated
ON THE KLOOF.

On MONDAY, the 27th JANUARY, 1834, at 11 o'Clock in the Forenoon,

WILL BE SOLD BY AUCTION,
ON THE PREMISES,
Before a Special Commissioner,
PEREMPTORILY TO THE HIGHEST BIDDER,
BY ORDER OF THE SUPREME COURT,
IN ONE LOT,

ALL that very desirable Property, called *Schoenmaker's Gat*, with the Dwelling House and Buildings thereon, situate at the foot of the Lion's Head, on the Road to Camp's Bay, measuring per Diagram, 23 morgen, 509 square roods, held under a perpetual Grant from the Colonial Government, on payment of an annual Rent of £1 : 16 : 0.

The Lands are well calculated for grazing Stock, the Gardens are planted with numerous Fruit Trees, and abundantly supplied with water, which is conveyed through the Grounds from the Mountain.

The Buildings consist of a commodious Dwelling House, the greater part of which has been recently built, at very great expense, containing an Entrance Hall, Dining Room, 22 feet by 15, a Drawing Room of the same size, and five Bed Rooms, a Kitchen, Pantry, Store Room, Servants' Rooms, Coach House, Stabling, Cow House, Fowl House, and a detatched Cottage, containing two Rooms, and a Loft.

The Situation of this Property as a Marine Residence is, perhaps, the most picturesque and beautiful in the Colony; it commands an unobstructed view of the Ocean, which breaks with exceeding grandeur over a long irregular line of rocky Coast and Headlands, surmounted by Mountain Scenery terminating the prospect to the North.

This Property cost the present Proprietor £1450, which sum has been declared, on oath, to be its present value by a competent Appraiser appointed to ascertain its value.

Its distance from Cape Town is between four and five miles.

This Property is to be sold under the Insolvent Estate of HENRY HEWITT, and may be viewed any day prior to the Sale.

Conditions of Sale may be seen at the Master's Office, the Commercial Room, the Office of the Trustee, and at Mr. JONES' Sale Room, on the Parade.

R. W. EATON, Sole Trustee.

That they, the Executors, in their aforesaid capacity, wishing to liquidate the said Estate, (but, however, being ignorant as to what Debts there may be to the charge of the same, which might prevent their bringing it to a final settlement,) are desirous the said Court would be pleased, *more solito*, to summon all Persons conceiving they have any Claims, of what nature soever, against the said Estate, to give in the same at the Registrar's Office of the Supreme Court, within the term of three Months subsequently to the publication hereof, on pain of being deprived of further right:

GULIELMI IV. REGIS.

CAP. LXXII.

Eene Acte om in werking te brengen twee Overeenkomsten met den Koning der Franschen tot het tegengaan van den Slavenhandel. [28 *Augustus*, 1833.]

NADEMAAL eene Overeenkomst gesloten is tusschen Zyne Majesteit en Zyne Majesteit den Koning der *Franschen*, om werkdadiger te maken de middelen tot het tegengaan van den misdadigen handel genaamd den Slavenhandel, en geteekend te *Parys* op den Dertigsten Dag van *November* in het jaar onzes Heeren Een duizend acht honderd en een en dertig: En nademaal men by het Eerste Artikel der gez. Overeenkomst overeengekomen is, dat het wederzydsch regt van onderzoek uitgeoefend moge worden aan boord der Schepen van beiden Natien, edoch alleenlyk binnen de wateren hierna omschreven: namelyk,

Ten *Eersten*, Langs de Westkust van Afrika, van Kaap Verd tot op den afstand van Tien Graden tot het Zuiden van de Evenachtslyn, dat is te zeggen, van den Tienden Graad Zuider breedte, tot den Vyftienden Graad Noorder breedte, en zoo ver als tot den Dertigsten Graad Wester lengte, berekend naar den Meridiaan van *Parys*:

Ten *Tweeden*, Rondom het Eiland Madagascar, tot op eene uitgestrektheid van Twintig Mylen van dat Eiland:

Ten Derden, Tot op denzelfden afstand van de Kust van het Eiland Cuba:

Ten Vierden, Tot op denzelfden afstand van de Kusten van het Eiland Porto Rico:

Ten Vyfden, Tot op denzelfden afstand van de Kusten van Brazilie:

Nogtans wel te verstaan, dat een verdacht Vaartuig, door de Kruisers ontdekt en jagt op gemaakt wordende binnen de gez. ruimte van Twintig Mylen, door dezelve buiten deze limieten mag worden onderzocht, indien hetzelve nooit uit het gezigt ware geweest, en het alleen gelukken kon met hetzelve op te komen op eenen grooteren afstand van de kust:

En nademaal men by het tweede Artikel overeengekomen is, dat het regt om Koopvaardyschepen van eene der twee Natien in de hier te voren genoemde wateren te onderzoeken, alleen zal worden uitgeoefend door Oorlogschepen, wier Gezagvoerders den rang van Kapitein, of ten minste dien van Luitenant in de Marine hebben:

En nademaal men by het Derde Artikel is overeengekomen, dat het getal der Schepen met het gezegd regt bekleed, elk jaar zal worden bepaald door eene speciale Overeenkomst, dat het getal voor elke Natie niet even groot behoeft te zyn, maar dat in geen geval het getal der Kruisers van de eene Natie meer zal zyn dan het dubbel getal Kruisers van de andere Natie: En nademaal by het Vierde Artikel is overeengekomen, dat de Namen der Schepen en van derzelver Gezagvoerders, door elk der Kontrakterende Gouvernementen aan den anderen zal worden medegedeeld, en wederkeerig narigt zal worden gegeven van alle veranderingen welke plaats mogten vinden in de Kruisers: En nademaal men by het Vyfde Artikel is overeengekomen, dat Instructien zullen worden opgemaakt en in gemeen overeengekomen door de twee Gouvernementen voor de Kruisers van beide Natien, welke Kruisers elkanderen wederkeerig bystand zullen verleenen in alle omstandigheden in welke het nuttig moge zyn eenparig te handelen, en dat de Oorlogschepen gemagtigd om het wederzydsch regt van onderzoek uit te oefenen zullen worden voorzien met eene speciale magt van elk der Gouvernementen: En nademaal men by het zesde Artikel is overeengekomen, dat wanneer een Kruiser zal hebben gejaagd en ingehaald een Koopvaardyschip, als onderhevig aan verdenkingen, de gezaghebbende officier, alvorens tot het onderzoek over te gaan, aan den bevelhebber van het Koopvaardyschip de speciale orders moet vertoonen, welke aan hem by uitsluiting het regt geven om hetzelve te onderzoeken; en in geval hy zich verzekerd houdt dat de Scheepspapieren in orde zyn, en de voortgangen wettig, zal hy in het logboek van het Schip certificeren dat het onderzoek heeft plaats gevonden alleen uit krachte van gezegde orders; en dat deze formaliteiten vervuld geworden zynde, het Schip de vryheid zal hebben zyn koers te vervolgen: En nademaal men by het zevende Artikel is overeengekomen, dat de vaartuigen prys genomen door te wezen gebezigd in den Slavenhandel, of verdacht wezende uitgerust te zyn voor dien schandelyken handel, met hun Scheepsvolk onverwyld zullen worden overgeleverd aan de jurisdictie der Natie aan welke zy zullen behooren: en het verder duidelyk is verstaan, dat zy alleenlyk zullen worden geoordeeld naar de in kracht zynde wetten in hunne respective Landen: En nademaal men by het achtste Artikel is overeengekomen, dat in geen geval het regt van wederzydsch onderzoek zal worden uitgeoefend op de Oorlogschepen van een van beide der Natien; dat de twee Gouvernementen zullen overeenkomen wegens een byzonder sein met welke deze Kruisers, die met dat regt bekleed zyn, zullen worden voorzien, en welk sein niet bekend zal worden gemaakt aan eenig ander schip niet gebezigd tot deze dienst: en by het negende Artikel zyn de hooge Kontrakterende partyen tot het gez. verdrag overeengekomen, de andere Zeemogendheden uit te noodigen daarin toe te treden, binnen een zoo kort tydvak als mogelyk; en men by het tiende Artikel is overeengekomen, dat de toen tegenwoordige Overeenkomst geratificeerd zoude worden, en de ratificatien derzelve uitgewisseld binnen eene maand of vroeger, zoo het mogelyk ware: En nademaal de gezegde Overeenkomst geratificeerd is by en tusschen zyne Majesteit, en zyne Majesteit den Koning der *Franschen* respectivelyk, en zoodanige ratificatien uitgewisseld zyn op den zestienden dag van December, een duizend acht honderd en een en dertig: En nademaal eene Supplementaire Overeenkomst gesloten is tusschen zyne Majesteit en zyne Majesteit den Koning der *Franschen*, tot het krachtdadiger tegengaan van den handel in Slaven, en geteekend te *Parys* op den twee en twintigsten dag van *Maart* in het jaar onzes Heeren een duizend acht honderd en drie en dertig: En nademaal men by het eerste Artikel der gezegde Supplementaire Overeenkomst is overeengekomen, dat wanneer een Koopvaardyschip varende onder de vlag van eene der gez twee Natien, aangehouden zal worden door de Kruisers van de andere Natie, ten dien einde behoorlyk gemagtigd, ingevolge de voorzieningen der gez. Overeenkomst van den dertigsten dag van November, in het jaar een duizend acht honderd en een en dertig, zoodanig Koopvaardyschip, zoo ook deszelfs Bevelhebber, deszelfs Scheepsvolk, deszelfs Lading en de Slaven welke aan boord mogen zyn, gebragt zullen worden naar zulke plaatsen als door de Kontrakterende Partyen respectivelyk zullen worden aangewezen, ten einde aldaar regtsgedingen mogen worden aangelegd hen betreffende, naar gelange der wetten van elk land, en dat zy zullen worden overgeleverd aan de Authorititen ten dien einde aangesteld door de respective Gouvernementen; en dat indien de Bevelhebber van de Kruiser niet zal noodig oordeelen, het inbrengen en overleveren van het aangehouden vaartuig op zich te nemen, hy die dienst niet zal mogen toevertrouwen aan een officier minder in rang als Luitenant in de Marine: En nademaal men by het tweede Artikel der gez. Supplementaire Overeenkomst is overeengekomen, dat de Kruisers der twee Natien gemagtigd om het regt van doorzoeking en aanhouding uit te oefenen, ter uitvoering der Overeenkomst van den dertigsten dag van November, een duizend acht honderd een en dertig, in al dat betrekking heeft op de

formaliteiten der doorzoeking en der aanhouding, zoo wel als op de maatregelen die genomen moeten worden om vaartuigen, die verdacht worden gehouden van tot den Slavenhandel te behooren, overteleveren aan de respective jurisdictien, zich striktelyk zullen moeten gedragen naar de instructien by de gez. Supplementaire Overeenkomst gevoegd, en welke zullen worden beschouwd als een geheel deel derzelve; en de gez. twee hooge Kontrakterende Partyen behouden aan zich zelven de magt in deze instructien, met onderlinge bewilliging, eenige schikkingen te maken welke de omstandigheden zullen vereischen: En nademaal men volgens het tweede Artikel der gez. Supplementaire Conventie overeengekomen is, dat de volgende instructien gevoegd zullen worden by de gez. Supplementaire Conventie, en beschouwd als een geheel gedeelte derzelve; (dat is te zeggen,)

Instructien voor de Kruisers.

Ten eersten. Wanneer een Koopvaardyschip van eene der twee Natien doorzocht zal worden door een' Kruiser van de andere, zal de Officier die den Kruiser commandeert, aan den Schipper van zoodanig Vaartuig de speciale orders vertoonen, welke hem opgedragen zyn tot het uitsluitend regt van doorzoeking, en zal hem overleveren een door hem geteekend Certifikaat, meldende zyn rang in de Marine van zyn Land, met den naam van het Schip dat hy commandeert, en verklarende dat het eenige doel van zoodanige doorzoeking is om te ontwaren of het schip tot den Slavenhandel behoort, of eigenlyk uitgerust is tot dien handel. Als deze doorzoeking gedaan wordt door eenen anderen Officier van de Kruiser dan de Bevelhebber zelf, zal de Officier niet minder in rang zyn als Luitenant in de Marine, en in dit geval zal zulk een Officier aan den Schipper van het Koopvaardyschip eene kopy moeten vertoonen der bovengemelde speciale orders, geteekend door den Bevelhebber van den Kruiser, en hem overleveren een Certificaat door hem geteekend, uitdrukkende den rang welke hy heeft by de Marine, den naam van den Bevelhebber, onder wiens orders hy ageert, en van den Kruiser tot welken hy behoort, en het oogmerk der doorzoeking, als hier te voren is aangehaald. Als by de doorzoeking blyken zal dat de Scheepspapieren behoorlyk en deszelfs handelingen wettig zyn, zal de Officier certificeren op het logboek van het schip, dat de doorzoeking plaats vond alleen uit krachte der speciale orders hierboven vermeld; en het schip zal veroorloofd worden deszelfs koers te vervolgen.

Ten tweeden. Wanneer, ten gevolge der doorzoeking, de Officier die den Kruiser commandeert, van gevoelen zal zyn dat er genoegzame gronden zyn om te gelooven dat het Vaartuig in den Slavenhandel is gebezigd, of uitgerust is voor dien handel, en wanneer hy dien ten gevolge besluiten zal, hetzelve aan te houden en hetzelve over te leveren aan de respective Jurisdictie, zoo zal hy dadelyk eene lyst doen maken, in duplicaat, van al de papieren aan boord gevonden, en hy zal deze lyst en het duplicaat teekenen, voegende by zynen naam, zynen rang in de Marine, en den naam van het schip onder zyn bevel. Hy zal op gelyke wyze maken en teekenen, in duplicaat, eene verklaring, bekend stellende de plaats en den tyd der aanhouding, den naam van het schip, dien van den Schipper, en die van de personen welke de equipagie uitmaken, zoo ook het getal en den staat der Slaven aan boord gevonden. Deze verklaring zal verder bevatten eene juiste beschryving van den staat des schips en van deszelfs lading.

Ten derden. De Bevelhebber van den Kruiser zal zonder uitstel brengen of zenden het aangehouden vaartuig, met deszelfs scheepsvolk, lading, en de Slaven aan boord gevonden, naar eene de Havens hier onder uitgedrukt, op dat regtsgedingen mogen worden geïnstitueerd, ten dien opzigte, overeenkomstig de respective Wetten van elk Land; en hy zal dezelve overleveren aan de bevoegde Authoriteiten, of aan de personen, die tot dat einde benoemd zyn door de respective Gouvernementen.

Ten vierden. Geen persoon, hoegenaamd, zal genomen worden uit het aangehouden vaartuig, noch zal eenig deel der lading, noch der Slaven aan boord gevonden, uit hetzelve worden verplaatst, tot na dat zulk een vaartuig zal wezen overgeleverd aan de Authoriteiten van deszelfs eigene Natie, uitgezonderd alleen, wanneer de verplaatsing van de equipagie, het zy geheel of gedeeltelyk, of van de Slaven aan boord gevonden, noodzakelyk zal worden geacht, het zy tot behoud van hun leven, of uit eenige andere overweging van menschelykheid, of voor de veiligheid van den persoon, die belast zal wezen met de navigatie van het schip na deszelfs aanhouding. In dit geval zal de Bevelhebber van den Kruiser, of de Officier, die benoemd is om het aangehouden vaartuig op te brengen, eene verklaring van zoodanige verplaatsing doen, in welke hy omschryven zal de redenen derzelve: en de Schipper, Matrozen, Passagiers, of Slaven dus verplaatst, zullen naar dezelfde Haven als het schip en diens lading gevoerd worden, en zy zullen op dezelfde wyze als het Vaartuig overgangen worden, overeenkomstig de bepalingen hier na beschreven.

Ten vyfden. Al zulke *Fransche* Vaartuigen, welke door de Kruisers van Zyne *Brittannische* Majesteit aangehouden zullen worden op de Afrikaansche Statie, zullen gevoerd worden naaren overgeleverd aan de Fransche Jurisdictie te Goree: Al zulke *Fransche* Vaartuigen, welke door het Britsche Smaldeel aangehouden zullen worden op de *West Indische* Statie, zullen gevoerd worden naar en overgeleverd aan de Fransche Jurisdictie te Martinique:

Al zulke *Fransche* Vaartuigen welke door het *Britsche* Smaldeel aangehouden zullen worden op de Madagascarsche Statie, zullen gevoerd worden naar en overgeleverd aan de *Fransche* Jurisdictie op het *Eiland van Bourbon:*

Al zulke Fransche Vaartuigen welke door het *Britsche* Smaldeel aangehouden zullen worden op de Brazilische Statie, zullen gevoerd worden naar en overgeleverd aan de *Fransche* Jurisdictie te Cayenne:

Al zulke Britsche vaartuigen welke door de Kruisers van Zyne Majesteit den Koning der *Franschen* zullen worden aangehouden op de Afrikaansche Statie, zullen gevoerd worden naar en overgeleverd aan de Jurisdictie van Zyne Brittannische Majesteit te Bathurst aan de Rivier Gambia:

Al zulke *Britsche* vaartuigen welke zullen worden aangehouden door het *Fransche* Smaldeel op de West-Indische Statie, zullen gevoerd worden naar en overgeleverd aan de Britsche Jurisdictie te *Port Royal* in *Jamaica:*

Al zulke *Britsche* vaartuigen, welke zullen worden aangehouden door het *Fransche* Smaldeel op de Madagascarsche Statie, zullen gevoerd worden naar, en overgeleverd worden aan de Britsche Jurisdictie aan de *Kaap de Goede Hoop:*

Al zulke *Britsche* vaartuigen, welke zullen worden aangehouden door het *Fransche* Smaldeel op de Brazilische Statie, zullen gevoerd worden naar en overgeleverd aan de Britsche Jurisdictie in de Kolonie van *Demerary:*

Ten zesden. Zoodra een Koopvaardyschip, dat aangehouden is als voorzegd, aankomen zal in eene der Havens of Plaatsen als boven vermeld, zal de Bevelhebber van den Kruiser, of de Officier

That all and every person and persons having or pretending to have any right, title, or interest, to or in a certain Fund, commonly called "The Latin School Fund," which was created in or about the year 1790, for the greater part by voluntary subscriptions of a number of Inhabitants of this Colony, and which from the year 1813 till the year 1828, was administered by a Board under the Name of School Commission, the Members of which were named and appointed in the manner as prescribed by a Law in that respect in force under the denomination of School Order, but which Board, in consequence of the changes which in or about the year 1828 took place in the Civil Establishment of this Colony, cannot any longer be composed as required in the said School Order,—having been summoned by Public Edict to appear this day in Court, either in person or by proxy, to hear Claim and Conclusion made on behalf of the Government of this Colony, why the said Fund should not be vested in the Council of Directors of the South African College for the time being, to answer thereupon, and further to proceed according to Law, without any person or persons having appeared, in consequence of which the first Default, with the profit thereof, and a second Summons by Edict on such behalf as aforesaid was prayed:

WHEREFORE, we have granted and do hereby grant accordingly the first Default, and for the profit thereof, deprive all and every person or persons having or pretending to have any right, title, or interest to or in the said Fund, and defaulters of the Exception declinator, and have thought proper to summon, as we hereby do summon the said persons and defaulters for the second time by Public Edict, to appear in our said Court on the thirtieth day in the month of June, 1834, at the sitting of the said Court, either in person or by proxy in order to purge their first Default, and further to hear such Claim and Conclusion as shall be made on such behalf as aforesaid in respect of the said Fund, to answer and proceed according to Law.

WILLIAM the Fourth, by the Grace of God, of the United Kingdom of Great Britain and Ireland, King, Defender of the Faith, &c. &c. &c.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy,—GREETING:

WHEREAS upon the petition to the Honorable the Chief Justice, and the Judges of Our Supreme Court of Our said Colony, of *Benjamin Norden*, of Graham's Town, Auctioneer, against *John David Steller*, Caffre Trader, formerly of Graham's Town, but who hath now no fixed place of abode in this Colony, and who is now residing in Caffreland, beyond the boundaries of the said Colony, it appears to us that the said *John David Steller* is justly and truly indebted to the said *Benjamin Norden* in the sum of one hundred and two pounds, nine shillings, and one half-penny sterling; first the sum of forty-four pounds, ten shillings, and three pence sterling, being the amount of a certain promissory Note, dated twenty-third day of November, one thousand eight hundred and thirty-two, made and signed by the said *John David Steller*, payable to the said *Benjamin Norden*, or order; and second, the sum of fifty-seven pounds, eighteen shillings, and nine pence half-penny sterling, being the amount of a draft, dated nineteenth day of September, one thousand eight hundred and thirty-two, drawn upon the said *Benjamin Norden*, by the said *John David Steller*, and which amount the said *Benjamin Norden* paid to the order, and for and on account of the said *John David Steller*; and that on or about the month of November, one thousand eight hundred and thirty-two, the said *John David Steller* departed from his Dwelling House, with intent to defeat the said *Benjamin Norden*, and others his Creditors, in obtaining payment of their just debts to them due and owing, and did thereby commit an act of insolvency, whereupon the said *Benjamin Norden* prayed that the Estate of the said *John David Steller* might be sequestrated for the benefit of his Creditors; and whereas it further appears to us of record, that the Honorable *George Kekewich*, Esquire, one of the Judges of the Supreme Court of our said Colony, did, by order under his hand bearing date the fourth day of January, one thousand eight hundred and thirty four, place the Estate of the said *John David Steller* under Sequestration in the hands of the Master of the said Court, until the same should be thereafter adjudged to be sequestrated, or the said Petition should be discharged:

Now, therefore, we command you, that you summon the said *John David Steller*, that he be before our Judge of our Circuit Court, at Graham's Town, in the District of Albany, on the first day of the sitting of the said Court, to shew cause, if he have any, why his Estate shoud not, by Sentence of the said Court, be adjudged to be sequestrated for the benefit of his Creditors, and return you then there this Writ, with whatever you have done thereupon.

Witness, Sir *John Wylde*, Knight, our Chief Justice of our said Colony, this twenty-ninth day of January, one thousand eight hundred and thirty-four, in the fourth year of our Reign.

T H. BOWLES, Registrar of the Supreme Court.

M. BORCHERDS,
No. 3, Church-square, Cape Town,
Attorney of the Petitioning Creditor.

A true Copy,
M. BORCHERDS, Attorney.

In the Supreme Court of the Colony of the Cape of Good Hope.

Cape Town, Tuesday, the 4th day of February, 1834.

In the Insolvent Estate of HENRY SPARKS, *of Graham's Town, Carpenter.*

WHEREAS on the 19th day of August, in the year of our Lord 1831, the above-mentioned Insolvent Estate was, by Order of His Honor the Chief Justice of this Colony, placed under Sequestration in the hands of the Master of this Court, upon the petition and surrender of the said HENRY SPARKS;

And whereas the said HENRY SPARKS hath produced to this Court a Certificate, signed by four fifths in number and value of the Creditors who have proved Debts against his Estate, testifying their consent to his discharge from his debts, and the said HENRY SPARKS hath made oath, in writing, that such Consent and Certificate were obtained without fraud, and without his having used any undue means or influence, or having made any secret compromise with his Creditors in order to obtain the same:

And whereas the said HENRY SPARKS hath applied to this Court, by motion, to have his Certificate allowed, and due notice having been given of the said motion in the *Government Gazette*, none of the Creditors of the said HENRY SPARKS have shewn any objection thereto:

Now, therefore, the Court doth allow and confirm the said Certificate.

By the Court,
T. H. BOWLES, Registrar.

And that nothing herein contained shall extend, or be construed to extend, to free, discharge, or relieve, any person, or the heirs, executors, or representatives of any person, who shall at any time have been a member or officer of the said Orphan Chamber, from any obligation, claim, or demand, in or to which any such person has at any time made himself, or his heirs, executors, or representatives, liable by reason of any act improperly done, or omitted to be done, by such person, in the performance of the duties of his office of member or officer of the said Orphan Chamber.

XI. And be it further enacted, That the Master of the Supreme Court, so soon after the said first day of March next, as may be, shall, in order to provide for the proper custody, care, control, maintenance, and education, of all such persons as shall by virtue of the provisions of this Ordinance be placed under his guardianship and charge, do, and cause to be done, every act and thing which by the provisions of the Ordinance No. 105, he shall be authorized and required to do, or cause to be done, with reference to the custody, care, control, maintenance, and education of such persons as shall, by virtue of the provisions of that Ordinance, be placed under his guardianship and charge.

XII. And be it further enacted, That, with respect to all property, estates, matters, and things, which shall, by virtue of the provisions of this Ordinance, be placed under the administration of the Master of the Supreme Court, he shall proceed in the administration, distribution, and final settlement thereof, in conformity with, and according to the rules and regulations, in conformity with, and according to which the same ought by law to have been administered, distributed, and finally settled by the said Orphan Chamber, if it had continued to exist. And the said Master is hereby authorized and required, from and after the said first day of March next, to demand, exact, receive, and retain, in respect of such property, estates, matters, and things, and in respect of any proceedings, touching or concerning the same, all such fees as by law would have been due, and could have been exacted by the said Orphan Chamber, or any of the officers thereof, if such property, estate, matter, or thing, had, previously to the said day, been administered, distributed, or finally settled by the said Orphan Chamber, or any of the officers thereof. And the said Master shall keep a separate and distinct account of all such fees, so received or retained by him, and shall account for and pay over the same in like manner as is by law provided in respect of any other fees received or retained by him as Master of the Supreme Court: Provided always, that it shall and may be lawful for the said Master, in all cases in which it shall appear to him expedient so to do, to proceed in the administration, distribution, and final settlement of all such property, estates, matters, and things, as aforesaid, in such manner, and in conformity with, and according to the rules and regulations which shall be provided respectively by the Ordinances Nos. 104 and 105, for the administration, distribution, and final settlement of any property, estate, matter, or thing, which shall by the provisions of such Ordinances respectively be placed under the administration of the said Master. And provided also, that when, under and by virtue of the provisions of this Ordinance, there shall be paid to, or received by, the said Master, any money belonging to any person or estate under his guardianship, then and in every such case it shall and may be lawful for the said Master to open a debit and credit account in the Ward's Book with the person or persons to whom, or the estate to which such money shall belong, and to pay such money into the Discount Bank, to be carried to the credit of the Guardian's Fund, in like manner in all respects as is provided by the 26th, 27th, 28th, and 29th sections of the Ordinance No. 105, touching and concerning any money therein mentioned.

ORDINANCE

Of His Excellency the Governor in Council,

For regulating the Registration of Wills and the administration of the Estates and Property of Persons dying, either testate or intestate, in so far as the same are situated within this Colony.

WHEREAS it has been enacted by H. M. Royal Charter of Justice, dated at Westminster on the 4th day of March, 1832, that the Orphan Chamber within this Colony shall be abolished, and that the duties which have heretofore been performed by the said Orphan Chamber, shall henceforth be performed by the Master for the time being of the Supreme Court; and whereas the registration of Wills, and the administration of certain Estates of Persons dying within this Colony heretofore formed part of the duties of the said Orphan Chamber, and were performed by the said Orphan Chamber, and by the Agents thereof, according to certain Regulations contained in certain "*Instructions*" and "*Provisional Instructions for the Orphan Chamber*," and in certain "*Instructions for the Agents to the Board of Orphan Masters in the Country Districts of the Colony of the Cape of Good Hope*," which have heretofore been in force, or have been enforced in this Colony, and in the Ordinance No. 42;—and whereas, by reason that the duties hereinbefore specified are henceforth to be performed by the

Master of the Supreme Court, instead of by the said Orphan Chamber, many of the said Regulations have become impracticable or inexpedient;—and whereas it is now expedient, in certain respects, to alter and amend the Law of this Colony, in so far as relates to the registration of Wills, and the administration of the Estates and Property of Persons dying, either testate or intestate, in so far as the same are situated within this Colony: Be it therefore enacted by His Excellency the Governor in Council, that from and after the 1st day of March next, the Instructions and Provisional Instructions herein before mentioned, as also the Ordinance No. 42, shall be, and the same are hereby repealed, except in so far as it has been enacted and declared by the Ordinance No. 103, that the said Instructions and Provisional Instructions, and Ordinance, or any of the provisions thereof, shall subsist and have force and effect for regulating the administration, distribution, and final settlement of such Property, Estates, Matters, and Things, as by virtue of the provisions of the said Ordinance No. 103 shall be placed under the administration of the Master of the Supreme Court: Provided always, that nothing herein contained shall extend, or be construed to extend, to repeal any of the enactments or provisions of His Majesty's Order in Council, dated 24th November, 1828.

II. And be it further enacted, That from and after the said 1st day of March next, it shall and may be competent for any person, to lodge in the office of the Master of the Supreme Court, enclosed under a sealed cover, any will, codicil, or testamentary instrument, executed by him; and the said Master shall keep, or cause to be kept, a register of the names and descriptions of the persons lodging every such deed, and of the date of lodging the same; and every such deed shall be kept under the charge and custody of the said Master, unopened, until the death of the maker thereof, unless re-delivery of the same shall be demanded by the said maker, or in his life time by his lawful Attorney, specially authorized for that purpose by any deed duly executed by the said maker; and when any such deed shall be re-delivered in manner aforesaid, the maker, or his attorney, as the case may be, shall sign a receipt for the same in the margin of the aforesaid register, opposite to the entry of such deed.

III. And be it further enacted, That from and after the said first day of March next, every person, who shall, at the time of the death of the maker thereof, have in his possession any deed being, or purporting to be, or entitled the last will, codicil, or other testamentary instrument of any other person, or into whose possession any such deed shall come after the death of the maker thereof, shall forthwith, by the first opportunity, deliver or transmit every such deed at or to the office of the Master of the Supreme Court, when such possessor shall reside in Cape Town, or the District thereof, or the Cape District, or the District of Stellenbosch; and when such possessor shall reside in any other District of the Colony, then to the Resident Magistrate of the District in which he shall reside. And every such Resident Magistrate shall cause a copy of every such deed so delivered or transmitted to him to be made, and shall authenticate such copy with his signature, and shall forthwith, by the first opportunity, transmit the original deed to the office of the said Master of the Supreme Court, and shall keep and preserve the aforesaid copy thereof, until he shall receive information from the said Master that such original deed has been safely lodged in his office; and when any such Magistrate shall receive information, that any deed transmitted by him as aforesaid to the office of the Master, has not arrived there, but has been lost or has miscarried, he shall forthwith, from the copy in his custody, cause another copy to be made, and shall authenticate such copy with his signature, and shall, by the first opportunity, transmit the same to the office of the said Master, and he shall proceed in like manner so often as may be necessary, until he shall receive information from the said Master that the copy so transmitted has been safely lodged in his office; and so soon as he shall be so informed that such original deed or copy thereof has been safely lodged in the said office, the copy kept by the said Resident Magistrate in manner aforesaid, shall be delivered to any person having an interest therein, who shall apply for the same, or shall be destroyed if no such application be made within twelve months after the original shall have been lodged with such Resident Magistrate.

IV. And be it further enacted, That, if any person shall, either during the life of the testator or testatrix, or after his or her death, steal, or for any fraudulent purpose destroy or conceal any will, codicil, or other testamentary instrument, every such offender shall, being convicted thereof, be liable, at the discretion of the Court before which he shall be so convicted, to transportation from this Colony for seven years, or such other punishment by imprisonment, with or without hard labor, for any period not exceeding seven years, or by fine, or by both, as the said Court shall award; and it shall not in any indictment for such offence be necessary to allege that such will, codicil, or other instrument, is the property of any person, or is of any value: Provided always, that nothing herein contained, relating to the said offences, nor any proceeding, conviction, acquittal, or judgment, to be had or taken thereupon, shall prevent, lessen, or impeach any remedy which any person aggrieved by any such offence might or would by law have had by means of any civil action, suit, or proceeding, if this Ordinance had not been passed; but nevertheless, the conviction of any such offender shall not be received as evidence against him, nor his acquittal as evidence for him, in any such civil action, suit, or proceeding against him. And no person shall be liable to be convicted of the offence aforesaid, by any evidence whatever, in respect of any act done by him, if he shall at any time previous to his being indicted for such offence have disclosed such act on oath, in consequence of any compulsory process of any competent Court in any civil action, suit, or proceeding, which shall have been *bona fide* instituted by any party thereby aggrieved, or if he shall have disclosed the same in any examination which he may have undergone under and by virtue of the provisions of the 61st and 64th sections of the Ordinance No. 64.

V. And be it further enacted, That the Chief Justice of the Colony, every Judge of the Supreme Court, and every Resident Magistrate or Justice of the Peace within the Colony, upon an information, taken on oath, being transmitted to him by the Attorney-General, or any Clerk of the Peace, or upon the information of any person, made on oath before any such Judge or Magistrate, that there is reason to suspect that any will, codicil, or other testamentary instrument, stolen or concealed for any fraudulent purpose, is concealed in any place within the jurisdiction of such Judge or Magistrate, may, by warrant under his hand, cause every such place to be searched during the day time.

VI. And be it further enacted, That, if any person, who shall be in possession of any will, codicil, or testamentary instrument, shall, after the death of the testator or testatrix, refuse or fail to deliver or transmit the same in manner hereinbefore provided, at or to the office of the Master of the Supreme Court, or to the Resident Magistrate of the District in which such person shall reside, the said Master is herewith authorized and required forthwith summarily to apply to the Supreme Court, or any Judge thereof, for an order of such Court or Judge, on such person, forthwith to deliver to the said Master such will,

codicil, or other instrument; and further, on proof that any such person hath refused or failed to obey such order, to apply for and obtain from the said Court, or any Judge thereof, a warrant for the imprisonment of such person, until he shall deliver up to the said Master every such will, codicil, or other instrument in his possession, or under his control. And every such warrant shall and may be executed in like manner in all respects as any arrest may be made under and by virtue of the provisions of the 19th section of the Ordinance No. 73.

VII. And be it further enacted, That every deed, being or purporting to be, the will, codicil, or other testamentary instrument of any person which shall have been lodged in or delivered at or transmitted to the office of the Master of the Supreme Court in any manner hereinbefore provided, shall, after the death of the maker thereof, in the original be enregistered by the Master in a register, to be by him for that purpose kept in his said office, and to be called the register of wills, for which purpose the said Master is hereby authorized and required to open or cause to be opened every such deed which may be sealed up:—Provided always, that notwithstanding any such registration, all questions, as to the validity and legal effect of every such deed, shall be reserved and remain for the decision of the Supreme Court, or any Circuit Court, in which any action or suit shall be brought or shall depend, touching or concerning the validity and effect of any such deed.

VIII. And be it further enacted, That it shall and may be lawful for any person, on any day, sundays and holidays excepted, at any hour, when according to any regulation made by competent authority for that purpose, the office of the Master of the Supreme Court shall be directed to be kept open, to apply at the said office, and to demand inspection of any deed enregistered in the register of wills aforesaid, and to demand any copies or extracts thereof; and for every such inspection, copy, or extract, there shall be paid, by the person demanding the same, such fee as is specified in the Schedule hereunto annexed, marked A. Provided always, that every person holding office under the government of this Colony shall be, and they are hereby authorized, without the payment of any fee or charge whatever, to inspect any such deeds as aforesaid, and to take copies or extracts thereof, whenever it shall be necessary or expedient that the same should be done by any such person in the discharge of the duties of his office.

IX. And be it further enacted, That whenever any death shall occur, the nearest relative or connection of the deceased who shall at the time be at or near the place of death, and in default of any such near relative or connection, the person who at or immediately after the death, shall have the chief charge of the house in, or of the place on which, the death shall occur, shall cause notice of the death to be given in manner following, that is to say, where the death shall occur in Cape Town, or within six hours distance thereof, at the office of the Master of the Supreme Court; where the death shall occur elsewhere, and in, or within six hours distance of any town or village in which the office of any Resident Magistrate shall be holden, at such office; and where the death shall occur at any place situated at a greater distance from any such town or village, to the Field-Cornet of the Field-Cornetcy in which the death shall occur. And every person herein required to cause such notice as aforesaid to be given, who shall without some lawful and sufficient excuse fail to do so, shall, on conviction thereof before the Resident Magistrate of the District, at the instance of the Clerk of the Peace thereof, iucur a penalty not exceeding *Five Pounds* Sterling, nor less than *Five Shillings*, to be levied out of the moveable property of such person. And every Field-cornet within the Cape District, and the District of Stellenbosch, to whom any such notice as aforesaid of any death shall be given, shall forthwith transmit the same to the office of the Master of the Supreme Court; and every Field-cornet in any other District to whom any such notice shall be given, shall forthwith transmit the same to the Resident Magistrate of such District; and every Resident Magistrate to whom any such notice shall be transmitted, shall forthwith transmit the same to the Master of the Supreme Court: Provided always, that it shall not be necessary for any person to cause notice of any death to be given under and in terms of the provisions of this Ordinance before the lapse of the period within which it is hereinafter provided that inventories taken of the property left by deceased persons shall be transmitted in manner hereinafter mentioned, and that such notices may at all times be transmitted along with such inventories in manner hereinafter mentioned,—any thing herein contained to the contrary notwithstanding.

X. And be it further enacted, That all such notices of death as are hereinbefore required to be given, shall contain and set forth the following particulars, in so far as the same shall be known to the person giving the same, that is to say:—

1. The name and birth-place and names of the parents of the deceased.
2. His or her age.
3. His or her condition.
4. Whether married or unmarried, or widower or widow.
5. The day of the decease.
6. At what house or where the person died.
7. Names of the deceased's children, and whether they are majors or minors,
8. Whether deceased has left property of any kind.

Provided always, that in such notice it shall not be necessary to specify the nature or amount of such property.

XI. And be it further enacted, That a register, to be called the Death Register, shall be kept in the office of the Master of the Supreme Court, in which the said Master shall cause to be inserted every notice of death which shall be transmitted to him in manner hereinbefore provided, together with all the particulars therein contained.

XII. And be it further enacted, That every person, by whom the funeral of any deceased person shall be performed, or caused to be performed, shall for the amount of the expenses of such funeral, in so far as the same were suitable to the condition of the deceased, have a preference on the property and assets of the estate of the deceased, before any other debt or claim which may have been owing by the deceased at the time of his death, or which may arise against his estate after his death.

XIII. And be it further enacted, That when one of two spouses who have been married in communion of property shall die, the joint estate shall remain under the charge of the survivor until the executors of the deceased, or the tutors testamentary, or dative, of the minor children of the marriage, or the Master of the Supreme Court, or curator *bonis* lawfully appointed to such minor children, shall institute proceedings for the administration, distribution, and final settlement of the said joint estate, under and by virtue of the provisions of this Ordinance, or of the Ordinance No. 105: Provided always, that nothing herein contained shall extend, or be construed to extend, to prevent any such joint estate from being placed under sequestration as insolvent, at the instance either of the surviving spouse, or of any creditor or creditors on such estate, in like manner as the same might have been done under and by virtue of the provisions of the Ordinance No. 64, prior to the passing of this Ordinance.

XIV. And be it further enacted, That, when one of two spouses who have been married in community of property shall die, the survivor shall, within six weeks

after the death of the deceased, cause an inventory of all property, goods, and effects, moveable and immovable, of what kind soever, which at the time of the death shall have formed part or belonged to the estate possessed in community between the pre-deceasing and surviving spouses, to be made in presence of two witnesses, being persons qualified by law to serve on juries in the Supreme or Circuit Courts of this Colony, and of such persons having an interest in the distribution of the joint estate, as heirs or legatees of the pre-deceased spouse, who shall attend. And every such inventory shall be subscribed by the surviving spouse, the witnesses aforesaid, and such heirs or legatees as shall be present at the making thereof. Provided always, that it shall be lawful for the Supreme Court, and Circuit Courts, or any Judge of the Supreme Court, on cause being shewn by the Master of the Supreme Court, or any person having an interest in such joint estate, respectively, to order, that an inventory thereof shall be taken by any person or persons named in such order, or to appoint a curator to take the charge and custody of any such joint estate, at any time, either before or after the lapse of the said period of six weeks.

XV. And be it further enacted, That every surviving spouse, who shall willfully neglect to cause an inventory of the joint estate to be made, in manner and within the period hereinbefore provided, or shall knowingly omit to enter in such inventory any article of property, of whatsoever kind, shall in the distribution of such estate forfeit all right to, and share in, any thing which may accrue to the joint estate after the death of the pre-deceasing spouse, and in and to such property so omitted in the inventory, and every loss which shall have been caused by the destruction or deterioration of any such property so omitted in the inventory, or which shall have accrued to the joint estate after the death of the pre-deceasing spouse, by the loss or deterioration of any part thereof, shall in the distribution of the estate fall upon and be borne by such surviving spouse solely and exclusively: Provided always, that nothing herein contained shall extend, or be construed to extend, to free or exempt any person who shall for any fraudulent purpose make, or cause to be made, any false inventory of any such joint estate, from any penalty or punishment herein-after, or by any other Law or Ordinance provided, with respect to the offence of making false inventories for fraudulent purposes.

XVI. And be it further enacted, That on the death of any person not being one of two spouses married in community of goods, the wife or husband of the deceased, and in default or absence of the wife or husband, the child or children of the deceased, or in default, absence, or minority of the child or children, the next of kin of the deceased, or in default, absence, or minority of the next of kin, the person who at or immediately after the death, shall have the chief charge of the house in, or of the place on, which the death shall occur, shall secure and take charge of all goods and effects, of whatever description, belonging to the deceased, and being in the house or upon the premises at the time of the death of the deceased, and shall retain the same in his or her custody and possession until delivery thereof shall be demanded by the executor or executors of the deceased, or by any person lawfully appointed by the Supreme Court, or by a Judge, or the Master thereof, to receive delivery of the same, and shall, within six days after the death, make or cause to be made, in the presence of two witnesses, being persons qualified by law to serve on juries in the Supreme or Circuit Courts of this Colony, an inventory of all such goods and effects as aforesaid and of all others known by the person making, or causing such inventory to be made, to have belonged to the deceased. And every such inventory shall be subscribed by the person making or causing the same to be made, and by the witnesses aforesaid.

XVII. And be it further enacted, That, if any person required and directed under and by virtue of the provisions of the 14th and 16th sections of this Ordinance, to make, or cause to be made, an inventory of any estate, goods, or effects, shall, for any fraudulent purpose, make a false inventory thereof, every such offender being convicted thereof, shall be liable, at the discretion of the Court before which he shall be so convicted, to punishment by imprisonment, with or without hard labor, for any period not exceeding two years, or by fine, or by both as the said Court shall award.

XVIII. And be it further enacted, That every person hereinbefore required or directed to make or cause to be made any such inventory as aforesaid, shall, so soon as the same has been made, forthwith, by the first opportunity, deliver or transmit every such inventory at or to the office of the Master of the Supreme Court, when such person shall reside in Cape Town or the District thereof, or the Cape District, or the District of Stellenbosch; and when such person shall reside in any other district, then to the Resident Magistrate of such district. And every such Resident Magistrate shall cause a copy or copies of every such inventory so delivered or transmitted to him to be made, and shall authenticate such copy or copies with his signature, and shall transmit the original of every such inventory to the office of the said Master:—Provided always, that, when such inventory as aforesaid shall have been made by the survivor of two spouses, to whom the pre-deceasing spouse shall by will have lawfully bequeathed all the share of the said joint estate belonging to such pre-deceasing spouse, or whom the pre-deceasing spouse shall by will or other lawful instrument have appointed the executor of his or her will, and the tutor of his or her minor children, and the administrator *(Boedel-houder)* of the said joint estate during the minority of such children, then and in every such case it shall and may be lawful for such spouse, if he or she shall think fit so to do, to transmit every such inventory as aforesaid, sealed up, to the office of the Master of the Supreme Court, or to the Resident Magistrate of the District respectively, in manner hereinbefore provided. And when any such inventory, so sealed up, shall be transmitted to any Resident Magistrate, there shall also be transmitted to such Magistrate a duplicate and triplicate of such inventory, also sealed up. And such Resident Magistrate shall transmit the original of every such sealed inventory to the office of the said Master, and for and with respect to the transmission of such original inventory, whether sealed up or open, and of such copy or copies thereof as aforesaid, and of such duplicate and triplicate thereof as aforesaid, shall do, and cause to be done, every thing which, under and by virtue of the provisions of the 3d section of this Ordinance, such Resident Magistrate is required to do, or cause to be done, for the transmission of the originals and copies of wills, and shall proceed in all respects in like manner as is therein directed: Provided always, that no such duplicate or triplicate shall be re-delivered by such Resident Magistrate to any person, except the surviving spouse by whom the same was transmitted to him, or to some person authorized by such survivor to receive the same; and that no such sealed inventory, or duplicate, or triplicate thereof, shall be opened, except by virtue of an order of the Supreme Court, or some Judge thereof, on sufficient cause for opening the same being shewn by the Master of the Supreme Court, or by some person having an interest in the said joint estate.

XIX. And be it further enacted, That the estates of all persons dying, either testate or intestate, in so far as the same shall be situated within this Colony, shall be administered and distributed according to law under and by virtue of letters of administration to be granted in the form contained in the Schedule hereunto annexed, marked B. by the Master of the Supreme Court, to the testamentary executors duly appointed by such deceased persons, or to such persons as shall in default of testamentary executors be appointed executors dative to such deceased persons, in manner hereinafter-mentioned: Provided always, that in all cases where the same may be necessary or expedient, the Master of the Supreme Court shall and may appoint a curator *bonis*, to take the custody and charge of any such estate, until letters of administration shall be granted to executors testamentary or dative, for the due administration and distribution thereof. And that every appointment so made by the said Master of any curator *bonis* shall, on the application of any person having an interest in such estate, be subject to be reviewed and confirmed, or set aside

by the Supreme Court, or any Judge thereof; and such Court or Judge, by whom any such appointment shall be set aside, shall and may appoint some other fit and proper person to be curator *bonis*.

XX. And be it further enacted, That in all cases in which any deceased person shall by his will have duly appointed any person or persons to be his executor or executors, the Master of the Supreme Court shall, upon the application of such executor or executors, forthwith grant letters of administration to him or them, so soon as the will of the deceased shall have been lodged in the office of the said Master, in manner hereinbefore mentioned: Provided always, that, if it shall appear to the said Master, or if any person, by writing lodged at the office of the said Master, shall object that any deed, by virtue whereof any person or persons shall claim to be the testamentary executor or executors of any person deceased, is not in law sufficient to warrant and support such claim, then and in every such case letters of administration shall not be granted until the validity and legal effect of such deed shall have been determined by the judgment of some competent Court, or until such objection as aforesaid shall have been withdrawn by the party by whom the same was made.

XXI. And be it further enacted, That, when any person shall have died without having by any valid deed appointed any person or persons to be his executor or executors, or where any person or persons duly appointed to be the executor or executors of any deceased person shall have pre-deceased him, or shall refuse, or become incapacitated to act as such, then and in every such case the Master of the Supreme Court shall cause to be published in the Gazette of this Colony, and in such other manner as to him shall seem fit, an Edict, calling the surviving spouse, (if any,) the next of kin, legatees, and creditors of the deceased, to attend at his office at the time therein specified, not being less than six weeks from the day of publication, to see letters of administration granted to such person or persons as shall then be appointed by him executor or executors dative to the estate of such deceased person: Provided always, that, when it shall appear to the said Master necessary or expedient so to do, it shall and may be lawful for him, in such Edict, to call such persons as aforesaid to attend at the office of any Resident Magistrate at such time as aforesaid, for the purpose of proposing some person or persons, to be by such Magistrate reported to the Master as fit and proper to be by him appointed executor or executors dative. And the said Master shall, at the meeting so to be holden at his office, or upon receiving the report of such Resident Magistrate, appoint such person or persons as to him shall seem fit and proper to be executor or executors dative of the estate of the deceased, and shall grant letters of administration accordingly, unless it shall appear to him necessary or expedient to postpone such appointment, and to call another or other such meeting or meetings as aforesaid. And provided also, that when it shall appear to the satisfaction of the said Master that the estate of any such deceased person as is hereinbefore mentioned is manifestly insolvent, then and in every such case it shall not be necessary for the said Master to take any such proceedings as aforesaid for the appointment of an executor or executors dative, and no such proceedings shall by him be taken for that purpose; and it shall and may be lawful for him, and he is hereby declared and required to take the necessary proceedings for having such estate placed under sequestration as insolvent, under and by virtue of the provisions of the 3d section of the Ordinance No. 64.

XXII. And be it further enacted, That in every case in which a competition shall take place for the office of executor dative, the surviving spouse, whom failing, the next, or some of the next of kin, whom failing, a creditor or creditors, whom failing, a legatee or legatees, shall be preferred by the Master of the Supreme Court to the office of executor dative. Provided always, that nothing herein contained shall prevent any one or more of the above-mentioned classes of persons from being conjoined in the said office with any one or more of any other of the above-mentioned classes of persons: And that, when it shall appear to the Master or to the Supreme Court, or any Judge thereof, on reviewing the appointment of the Master, that any valid objection exists to the appointment of all or any of the above-mentioned persons, or classes of persons, as executor or executors dative, such objectionable person or class of persons shall be passed by, and some other fit and proper person or persons shall by the said Master, or by such Court or Judge, be appointed executor or executors dative. And provided also, that every such appointment so made by the said Master, shall, on the application of any person having an interest in such estate, be subject to be reviewed and confirmed, or set aside by the Supreme Court, or any Judge thereof; and such Court or Judge, by whom any such appointment shall be set aside, shall and may appoint some other fit and proper person or persons to be executor or executors dative.

XXIII. And be it further enacted, That when it shall happen that any of the next of kin, or creditors, or legatees, of any deceased person shall be minors under the guardianship of any tutor or tutors duly appointed, then and in every such case such tutor or tutors shall be entitled to be preferred to the office of executor or executors dative, under the provisions of the immediately preceding section of this Ordinance, in like manner in all respects as the minor or minors whose tutor or tutors he or they are, would, if of full age, have been entitled to be preferred to that office under the provisions of the said section.

XXIV. And be it further enacted, That nothing herein contained shall extend, or be construed to extend, to prevent any testamentary executor or executors of any testator from assuming any other person or persons as executor or executors of such testator, under and by virtue of any power for that purpose to him or them committed by such testator, by his will, or by any other deed duly executed by him: Provided always, that no person shall be entitled or qualified to act as assumed executor until letters of administration shall have been granted to him as such by the Master of the Supreme Court, who is hereby directed and required to grant the same, on production to him of the will or other deed by which the assumption of such executor is authorised, and of the deed by which such testamentary executor or executors has or have assumed such person as executor. And every provision of this and of every other Law or Ordinance, applicable or relating to, or affecting executors dative, shall be deemed and taken to, and shall apply and relate to and affect every such executor so assumed.

XXV. And be it further enacted, That when, by reason of any testamentary or assumed executor to whom letters of administration shall have been granted for the administration of any estate, having died or become incapacitated to act as such, or having been removed from his office by the decree of any competent Court, there shall not remain, for the administration of such estate, any executor whatever, or so many executors, either testamentary or assumed, as by the provisions of the deed by which such executors were appointed or permitted to be assumed, shall be required to form a quorum of executors for the administration of such estate, and when it shall happen that any executor dative shall, after letters of administration have been granted to him, die or become incapacitated, or be removed in manner aforesaid, then and in every such case proceedings, in order to the appointment of an executor dative, in place of such executor so dying or becoming incapacitated or removed, shall be had and taken by the Master of the Supreme Court, in like manner in all respects as is hereinbefore provided by the provisions of the 21st, 22d, and 23d sections of this Ordinance.

XXVI. And be it further enacted, That letters of administration granted to any person as testamentary executor, shall at all times be subject to be revoked and annulled by the decree of the Supreme or of any Circuit Court on the proof to the satisfaction of such Court that the deed in respect of which such letters have been granted to such persons is null, or has been revoked, either wholly or in so far as relates to the nomination and appointment of such executor:—And that letters of administration granted to any person as executor dative shall be at all times subject to be revoked and annulled by the order of the Master of the Supreme Court, on production to him of any valid deed, by which any other, who shall then be legally capable and qualified, and who shall consent to act as executor, has been legally nominated and appointed testamentary executor to the estate which such

executor dative has been appointed to administer: provided always, that, if the nonproduction of such deed, prior to letters of administration having been granted to the executor dative has been owing to the fault or negligence of the person therein appointed testamentary executor, such person shall be personally liable for all expenses which have been incurred in respect of and with reference to the appointment of the executor dative.

XXVII. And be it further enacted, That every executor dative shall, before he shall be permitted to enter on the administration of the estate, find security to the satisfaction of the Master of the Supreme Court, for the due and faithful administration of the estate of which he has been appointed executor dative, to such amount as in the circumstances of each particular case shall be reasonable.

XXVIII. And be it further enacted, That every executor, whether testamentary or dative, shall, so soon as letters of administration shall have been granted to him in manner aforesaid, forthwith make an inventory of all property, goods, and effects, moveable and immoveable, of what kind soever, belonging to, or forming part of, the estate which such executor shall have been appointed to administer, and shall, in like manner, from time to time, thereafter and so soon as such executor shall find or know of any other such property, goods, or effects, belonging to, or forming part of, such estate, and not contained in such first-mentioned inventory, make an additional inventory or inventories of all such last-mentioned property, goods, and effects. And every such executor, either testamentary or dative, shall forthwith cause every such inventory and additional inventory to be transmitted to the office of the said Master. And when any such additional inventory shall be so transmitted by any executor dative, he shall find such further security as aforesaid as shall be required of him: Provided always, that when the person by whom any testamentary executor has been appointed shall, by any deed duly executed by him, have directed that such testamentary executor shall not transmit to the office of the said Master any such inventory or additional inventory as aforesaid, then and in every such case no such executor shall be required,—and that the survivor of any two spouses, married in community of property, to whom the pre-deceasing spouse shall by will have lawfully bequeathed all the share of the said joint estate belonging to such pre-deceasing spouse, or whom the pre-deceasing spouse shall by will or other lawful instrument have appointed the executor of his or her will, and the tutor of his or her minor children, and the administrator (*Boedelhouder*) of the said joint estate during the minority of such children, shall not in any case be required,—to transmit to the office of the said Master, or to produce any such inventory as aforesaid, except when an order for the production of the same shall have been made by the Supreme Court, or any Judge thereof, on sufficient cause for the production of the same being shewn by the Master, or by some person having an interest in the said joint estate; any thing to the contrary herein contained notwithstanding.

XXIX. And be it further enacted, That if previously to letters of administration being granted by the Master of the Supreme Court to any executor or executors, testamentary or dative, for the administration of any estate, any person shall take upon himself to administer, distribute, or in any wise dispose of such estate, or any part thereof, except in so far as may be absolutely necessary for the safe custody or preservation thereof, or for providing a suitable funeral for the deceased, or for the subsistence of the family or household, or live stock left by the deceased, or if any person to whom letters of administration have been granted, either as executor testamentary or dative, shall administer, distribute, or in any wise dispose of any property or effects belonging to the estate of which he is the executor, and which shall not have been contained in the inventory or inventories of such estate lodged in the office of the said Master, previously to the granting of the said letters of administration, or shall not be contained in any additional inventory or inventories made by him and transmitted by him to the said office, in terms of the provisions of the 28th section of this Ordinance; every such person shall thereupon, and in respect and by reason of such undue administration, distribution, or disposal of any such estate, or any part thereof, become and be personally liable to pay to the creditors and legatees of the deceased all debts due by the deceased at the time of his death, or which have thereafter become due by his estate, and all legacies left by the deceased, in so far as the proceeds and assets of such estate shall be insufficient for the full payment of such debts or legacies: Provided always, that when any person who shall be sued for the payment of any debt or legacy which he shall have rendered himself personally liable to pay in manner aforesaid, shall prove to the satisfaction of the Court before which he shall be sued, that the true amount and value of the property which has actually been unduly administered, distributed, or disposed of by him, did not exceed a certain sum, and that his administration, distribution, or disposal of the same was not fraudulent, then and in every such case such person shall only be personally liable for the amount of such sum, or for such part thereof as he shall fail to prove has been distributed or disposed of in such manner and for such purposes as by law the same ought to have been distributed or disposed of, and for the amount of the costs by him incurred in and concerning such suit, as well as for the amount of the taxed costs incurred in and concerning such suit by the plaintiff therein,—notwithstanding that by reason of such person's personal liability have been restricted in manner aforesaid such plaintiff shall not have recovered from such person any part of the debt or legacy sued for.

XXX. And be it further enacted, That every executor, whether testamentary or dative, shall, so soon as he shall have entered on the administration of any estate, forthwith cause a notice to be published in the Gazette of this Colony, and in such other manner as may be deemed expedient, calling upon the creditors of, and all others having claims against the deceased or his estate, to lodge the same with such executor within such period from the date of the publication thereof, as shall be therein specified, not being less than six weeks, or more than four calendar months, as in the particular circumstances of each case shall by such executor be deemed proper.

XXXI. And be it further enacted, That it shall not be lawful for any person who shall have obtained the judgment of any Court against any deceased person in his life time, or against his executor or executors, in any suit or action commenced against such executor or executors, or which having been pending against the deceased at the time of his death, shall thereafter have been continued against the executor or executors of such person, to sue out or obtain any process in execution of any such judgment before the expiration of the period notified in the Gazette in manner hereinbefore provided. As also, that it shall not be lawful for any such person as aforesaid, to sue out or obtain any process in execution of any such judgment as aforesaid, within six months from the time when letters of administration shall have been granted to the executor or executors against whom execution of such judgment is sought, without first obtaining an order from the Supreme Court, or some Judge thereof, for the issuing of such process.

XXXII. And be it further enacted, That on the expiration of the period notified in the Gazette in manner hereinbefore provided, every such executor or executors as aforesaid shall forthwith proceed to rank, according to their legal order of preference, all such debts and claims against the deceased, or his estate, as have been lodged with them, or of the existence of which they shall have knowledge, and shall pay off, and discharge the same so soon as the funds necessary for that purpose shall have been realised out of the estate.—And if the proceeds of such estate shall be found to be insufficient for the payment of all the just and valid claims to which it is liable, the executor or executors thereof shall be liable to pay to any person having any such just and valid claim, the amount to which such person would have been entitled to receive in respect of such claim if ranked according to the legal order of preference, in so far as such executor or executors shall have within the said period lastmentioned, or afterwards, at any time when he or they knew of the existence of such claim, paid such amount to any person or persons, the payment of whose claims against the deceased, or his estate, according to the legal order of preference, ought to have been postponed until such just and valid claim as aforesaid had been satisfied; reserving always to such executor or executors recourse against the person or persons to whom payment of their claims may have been improperly made. Provided always, that, when such notice to creditors as aforesaid shall

have been duly published as aforesaid no creditor or claimant on the estate of any deceased person, who shall not have lodged the same with the executor or executors within such period as aforesaid, or thereafter before the distribution of the funds of the estate, shall, in respect thereof, be entitled to recover from any person having a just and valid claim against such estate, restitution of any part of such funds which may have been paid to such person in satisfaction thereof, after the expiry of such period, and before the claim of the person seeking such restitution was lodged with the executor or executors, although, if lodged in due time, such lastmentioned claim would, according to the legal order of preference, have been preferent to that of the person to whom such payment had previously been made, nor shall such person have any claim against any executor or executors in respect of any such distribution as aforesaid of the funds of any such estate made by him or them after the expiry of such period as aforesaid, and before the claim of such person shall have been made known to such executor or executors.

XXXIII. And be it further enacted, That every executor, whether testamentary or dative, shall, so soon as the estate under his administration shall have been fully administered and distributed, lodge with the Master of the Supreme Court, and the Resident Magistrate of the District within which such estate was situated, who shall respectively cause the same to be preserved and registered in their offices for the inspection of all concerned, a full and true account of the whole administration and distribution of such estate. And every person having an interest in such estate, shall and may, at any time after the expiration of six months, from the day on which the letters of administration were granted to such executor or executors, summon him or them to shew cause before the Supreme Court, or any Circuit Court, why such account as aforesaid has not been lodged with the said Master and said Resident Magistrate. And every executor who shall fail to lodge such account as aforesaid, in manner herein provided, and who shall have no lawful and sufficient excuse for such failure, shall by reason thereof forfeit all claim to any fees which he might otherwise be entitled to receive in respect of his administration of such estate.

XXXIV. And be it further enacted, That, when any person shall die intestate, whose estate, in so far as situated within this Colony, shall appear to the Master of the Supreme Court to be under the value of £40, then and in every such case the said Master shall and may cause such estate to be administered and distributed according to law by an executor dative, to be by him summarily appointed by letters of administration granted by him for that purpose.

XXXV. And be it further enacted, That none of the provisions of this Ordinance shall extend or apply to the estate, property, or effects actually on board any vessel lying or being in any harbour, port, or place of, or within the limits of this Colony, or the dependencies thereof, and belonging to any person who, being one of the officers or crew of, or passengers by, such vessel, shall die on land within this Colony, or on board of any such vessel while lying or being in any such harbour, port, or place, as aforesaid, unless such person so dying shall at the time of his death have left property situated on land within this Colony, not being wearing apparel, bedding, or other articles of the like nature, or unless it shall be shewn to the Supreme Court, or one of the Judges, or the Master thereof, that for the preservation or due administration and distribution of such property, it is necessary or expedient that such property and effects should be administered, distributed, and disposed of under and by virtue of the provisions of this Ordinance; and that none of the provisions of this Ordinance shall extend or apply to the estate, property, or effects, (except immoveable property situated within this Colony,) of any Officer employed on or belonging to the Staff, or of any commissioned or non-commissioned Officer or private Soldier, present with or belonging to any regiment or corps of H. M. Army serving in this Colony, who shall die whilst so employed on or belonging to the said staff, regiment or corps.

XXXVI. And be it further enacted, That, if any person, who shall die after the 1st Day of March next, shall, by any will or other deed of a testamentary nature, unrevoked at the time of his death, have appointed the Orphan Chamber, or the Master of the Supreme Court, to be the executor of his estate, then and in every such case such person shall be deemed and taken in law to have died without having appointed any executor, and the like proceedings shall be had and taken for and in respect of the appointment of executors to administer and distribute his estate, as would have been had or taken under and by virtue of the provisions of this Ordinance, if no such will had ever been executed by such deceased person.

XXXVII. And be it further enacted, That the law respecting the duties, powers, rights, relief, and responsibility of executors, and touching and concerning the administration by the survivor of two spouses of the joint estate of such spouses during the minority of the children of the pre-deceased spouse, (*Boedelhouderschap*,) in force within this Colony prior to the passing of this Ordinance, shall, except in so far as the same has been expressly repealed or altered by the provisions of this Ordinance, remain in full force and effect, in like manner as if this Ordinance had not been made, any thing to the contrary herein contained notwithstanding: provided always, that every executor, either testamentary or dative, shall, in respect of his administration, distribution, and final settlement of any estate, be entitled to claim, receive, or retain out of the assets of such estate, or from any person who, as heir, legatee, or creditor, shall be entitled to the whole or any part of such estate, such fees only as are specified in the tariff contained in the Schedule hereunto annexed, marked C. and shall not be entitled to claim, receive, or retain any other reward or remuneration whatever for his trouble or personal expenses touching or concerning the same.

XXXVIII. And be it further enacted, that every executor, either testamentary or dative, who shall, in administering, distributing, and settling any estate, find that any minor, not having a tutor testamentary or dative, or any lunatic, not having a lawful curator, or any person absent from this Colony, and not having a lawful representative within the same, has any just and lawful right or claim to such estate, or any part thereof, such executor shall forthwith transmit in writing, to the office of the Master of the Supreme Court, a statement containing the name of such minor, lunatic, or absent person, and specifying the nature and amount of the property to which such minor, lunatic, or absent person has such right or claim as aforesaid.

XXXIX. And be it further enacted, that the Master of the Supreme Court shall cause to be kept in his office a register, containing the names of every executor, either testamentary or dative, to whom any letters of administration shall have been granted, and of every surety for any executor dative. And whenever any order for sequestration shall, under and by virtue of the provisions of the 19th section of the Ordinance No. 64, be delivered to the said Master, he shall cause such register to be examined, and if upon such examination it shall appear that the person, whose estate has been placed under sequestration by such order, is either an executor or the surety of an executor, of any estate not previously administered, distributed, and finally settled, the Master shall in the first notice of such sequestration, which shall be published in the Gazette of this Colony, insert a statement of every such estate as aforesaid, of which such insolvent is an executor, or for the executor of which such insolvent is a surety; and specifying whether he is the executor or the surety for the executor of such estate.

XL. And be it further enacted, That the Master of the Supreme Court shall, and he is hereby authorised and required to charge and to demand, receive, retain, or recover, in respect of the acts, matters, and things done or caused to be done by him, or in his office, under and by virtue of the provisions of this Ordinance, all such fees as are specified in the tariff contained in the Schedule hereunto annexed, marked A. and shall account for and pay over the same in like manner as is by law provided in respect of any other fees received or retained by him as Master of the Supreme Court. Provided always, that nothing herein contained shall extend, or be construed to extend, to repeal any law now in force, requiring any stamp to be used for any purpose or any stamp duty to be paid in respect of any proceeding, except in so far as any such alteration shall be expressly made in the tariff of fees hereinbefore-mentioned.

XLI. And be it further enacted, That whenever and so

ORDINANCE

Of His Excellency the Governor in Council,

For providing for the due administration and management of the Estates and Property of Minors, Lunatics, and Persons absent from the Colony,—and for the proper care of the Persons of Minors and Lunatics.

WHEREAS, it has been enacted by H. M. Royal Charter of Justice, dated at Westminster, on the 4th day of May, 1832, that the Orphan Chamber within this Colony shall be abolished, and that the duties which have heretofore been performed by the said Orphan Chamber, shall henceforth be performed by the Master for the time being of the Supreme Court; and whereas the administration of the Estates and Property of Minors, and in certain cases of Persons absent from the Colony, and the care of the Persons of Minors, heretofore formed part of the duties of the said Orphan Chamber; and whereas, by the Ordinance No. 103, the Regulations according to which such duties were performed by the said Orphan Chamber have from and after the 1st Day of March next been repealed, and it has now become expedient to provide for the due administration and management of the Estates and Property of Minors, Lunatics, and in certain cases of Persons absent from this Colony, and also for the proper care of the Persons of Minors and Lunatics: Be it therefore enacted by His Excellency the Governor in Council, that from and after the first Day of March next, it shall not be lawful for any person, except the father of any minor, or mother of any minor, whose father is dead, by any will or other deed, to nominate and appoint any tutor or tutors to administer and manage the estate, or to take care of the person of such minor: Provided always, that nothing herein contained shall extend, or be construed to extend to prevent any person, who shall give or bequeath any property to any person, to appoint any curator or curators to administer and manage such property during the minority or during the continuance of the insanity of the person to whom the same shall be given or bequeathed, in like manner and as fully in all respects as the same might lawfully have been done prior to the passing of this Ordinance; and that all curators so appointed for any such purpose shall be called and known in law by the style and appellation of *curators nominate.*

II. And be it further enacted, That all tutors, nominated and appointed by fathers or mothers, in manner aforesaid, to their minor children, shall be called and known in law by the style and appellation of *tutors testamentary*, whether such tutors shall have been nominated and appointed by wills, or by any other deeds duly executed by such fathers or mothers; and that no tutor testamentary shall assume or enter upon the administration or management of the estate or property of any minor, except in so far as may be necessary for the preservation and safe custody of the same, until letters of confirmation shall have been granted to him by the Master of the Supreme Court, in the form contained in the Schedule hereunto annexed, marked A.

III. And be it further enacted, That the Master of the Supreme Court shall, on application in writing being made to him for that purpose, grant letters of confirmation as tutor testamentary, to every person who shall have been lawfully nominated and appointed tutor testamentary to any minor by any valid deed produced by such person together with his application, or which shall previously have been registered in the office of the said Master, under and by virtue of the

provisions of the Ordinance No. 104. And it shall and may be lawful for any person, who shall have been appointed tutor testamentary to any minor by any will, codicil, or other testamentary instrument, which such person shall, under and by virtue of the provisions of the said Ordinance No. 104, be required to transmit, or to cause to be transmitted to the office of the said Master, to transmit to the Master, together with such deed, an application for letters of confirmation as tutor testamentary. And whenever it shall come to the knowledge of the said Master, that any person who has been duly nominated and appointed tutor testamentary by any valid deed, has not applied for letters of confirmation, the said Master shall, by writing, require of such person to inform him whether he is willing to act as such tutor testamentary, and if he shall consent so to do, shall grant to him letters of confirmation accordingly: Provided always, that letters of confirmation as tutor testamentary shall not in any case be granted to any person who shall at the time be by law incapacitated or disqualified to hold the office of tutor.

IV. And be it further enacted, That no curator nominate shall assume or enter upon the administration or management of such estate or property, except in so far as may be necessary for the preservation and safe custody of the same, until letters of confirmation shall have been granted to him by the Master of the Supreme Court. And in order to the granting of such letters of confirmation, proceedings shall be had and taken by any such person, and by the Master, in like manner in all respects as is hereinbefore provided by the provisions of the 3d Section of this Ordinance, as to the granting of letters of confirmation to tutors testamentary, and such letters shall be in the form contained in the Schedule hereunto annexed, marked B.

V. And be it further enacted, That it shall and may be lawful for the Supreme Court, or any Judge thereof, on the application of the Master thereof, or of any relation, or of any person having an interest in the due administration of the estate or property of any minor, in every case in which, prior to the passing of this Ordinance, any tutor testamentary might by law have been required to give security *rem pupilli salvam fore*, to make an order that letters of confirmation shall not be granted to any such tutor testamentary, or curator nominate, as aforesaid, until he shall have found security to the satisfaction of the said Master, to such an amount as in the circumstances of each particular case shall be reasonable, for the due and faithful administration and management of such estate or property.

VI. And be it further enacted, That in every case in which it shall come to the knowledge of the Master of the Supreme Court, that any estate or property within this Colony has devolved on, or come to belong to, any minor, being within this Colony, and not being at the time under the natural guardianship of his or her father or mother, or of a tutor or tutors testamentary duly confirmed, then and in every such case the said Master, except when it shall be known to him that a tutor or tutors testamentary has or have been duly nominated and appointed to such minor by any valid deed, (in which case he shall proceed in manner for that purpose provided by the 3d Section of this Ordinance,) shall cause to be published in the Gazette of this Colony, and in such other manner as to him shall seem fit, an edict, calling on the relations of the minor, both paternal and maternal, to attend at his office at the time therein specified, not being less than three weeks, or more than eight weeks from the day of the publication thereof, to see letters of confirmation granted to such persons as shall therein be appointed by him tutor or tutors dative of such minor: Provided always, that when it shall appear to the said Master necessary or expedient so to do, it shall and may be lawful for him, in such notice, to call on the relations of such minor, both paternal and maternal, to attend at the office of any Resident Magistrate, at the time therein specified, for the purpose of stating any objections which may exist to any of the next of kin, or other person being appointed tutor dative, or of proposing some person or persons to be by such Magistrate reported to the Master as fit and proper to be by him appointed tutor or tutors dative. And the said Master shall at the meeting so to be holden at his office, or upon receiving the report of such Resident Magistrate, appoint such person or persons as to him shall seem fit and proper to be the tutor or tutors dative of such minor, and shall grant to him or them letters of confirmation as such, unless it shall appear to him necessary or expedient to postpone such appointment, and to call another or other such meeting or meetings as aforesaid. And provided also that when any such minor shall not be possessed of, or have claim to, any other estate or property except such as shall have been given or bequeathed to such minor by some person who has duly appointed a curator or curators nominate to administer and manage the same during the minority of such minor, it shall not be necessary for the said Master to take any such proceedings as aforesaid for the appointment of a tutor dative, and no such proceedings shall by him be taken for that purpose.

VII. And be it further enacted, That when it shall be necessary to appoint a tutor dative to any minor in manner hereinbefore provided, the Master of the Supreme Court shall appoint as tutor or tutors dative the mother and one or two or more of the nearest male relations, paternal or maternal, of such minor, who shall have attained the age of twenty-one years, and shall be willing to act as such: Provided always, that when it shall appear to the Master, or to the Supreme Court, or any Judge thereof, on reviewing the appointment of the Master, that any valid objection exists to the appointment of all or any of such relations to be the tutor or tutors dative of such minor, such objectionable person or persons shall be passed by, and some other fit and proper person or persons shall by the said Master, or by such Court or Judge, be appointed tutor or tutors dative. And provided also, that every such appointment so made by the said Master, shall, on the application of any of the relations, either paternal or maternal, of, or of the curator or curators nominate of any estate or property belonging to such minor, be subject to be reviewed and confirmed, or set aside by the Supreme Court, or any Judge thereof; and such Court or Judge, by whom any such appointment shall be set aside, shall and may appoint some other fit and proper person or persons to be the tutor or tutors dative of such minor.

VIII. And be it further enacted, That nothing herein contained shall extend, or be construed to extend, to prevent any tutor or tutors testamentary of any minor, or curator or curators nominate of any estate, from assuming respectively any other person or persons as tutor or tutors of such minor, or curator or curators of such estate, under and by virtue of any power for that purpose to him or them committed by the will of, or any other deed duly executed by, the person by whom such tutor or tutors testamentary or curator or curators nominate shall have been appointed: Provided always, that no person shall be entitled or qualified to act as assumed tutor or curator, until letters of confirmation shall have been granted to him as such by the Master of the Supreme Court, who is hereby directed and required to grant the same, on produc-

tion to him of the will or other deed by which the assumption of such tutor or curator is authorized and of the deed by which such tutor or tutors testamentary or curator or curators nominate has or have respectively assumed such person as tutor or curator. And every provision of this and of every other Law or Ordinance applicable or relating to, or affecting tutors or curators dative, shall be deemed and taken to, and shall apply and relate to and affect, every such tutor or curator so assumed respectively.

IX. And be it further enacted, That, when by reason of any tutor of any minor, either testamentary or assumed, or of any curator of any estate, either nominate or assumed, to whom letters of confirmation shall have been granted, having died, or become incapacitated to act as such, or having been removed from his office by the decree of any competent Court, there shall not remain for the guardianship of such minor, or for the administration or management of such estate, respectively, any tutor or curator whatever, or so many tutors, either testamentary or assumed, or curators nominate or assumed, as by the provisions of the deed, by which such tutors or curators were respectively appointed or permitted to be assumed, shall be required to form a quorum of tutors or curators of the guardianship of such minor, or for the administration and management of such estate respectively,—and when it shall happen that any tutor dative shall, after letters of confirmation have been granted to him, die or become incapacitated, or be removed in manner aforesaid,—then and in every such case proceedings in order to the appointment of a tutor dative, in place of the person so dying or becoming incapacitated or removed, shall be had and taken by the Master of the Supreme Court, in like manner and in all respects as is hereinbefore provided by the provisions of the 6th and 7th Sections of this Ordinance.

X. And be it further enacted, That letters of confirmation granted to any person as tutor testamentary, or as curator nominate, of the estate of any minor, shall be at all times subject to be revoked and annulled by the decree of the Supreme Court, or of any Circuit Court, on proof, to the satisfaction of such Court, that the deed in respect of which such letters have been granted to such person is null, or has been revoked, either wholly or in so far as relates to the appointment of such tutor or curator, and that letters of confirmation granted to any person as tutor dative shall be at all times subject to be revoked and annulled by the order of the Master of the Supreme Court, on production to him of any valid deed by which any other person, who shall then be legally capable and qualified, and who shall consent to act as tutor, has been legally appointed tutor testamentary of the minor to whom such tutor dative had been appointed: Provided always, that, if the non-production of such deed, prior to letters of confirmation having been granted to the tutor dative, has been owing to the fault or negligence of the person therein appointed tutor testamentary, such person shall be personally liable for all the expences which have been incurred in respect of, and with reference to, the appointment of the tutor dative.

XI. And be it further enacted, That in every case in which it shall come to the knowledge of the Master of the Supreme Court, that any estate or property within this Colony, (not being an estate or property for the administration and management of which a curator nominate has been duly appointed in manner hereinbefore mentioned,) has devolved on or come to belong to any lunatic or insane person, being within this Colony, and not being at the time under the guardianship of some person lawfully appointed his curator dative, then and in every such case the said Master shall apply to the competent Court to appoint some fit and proper person or persons to be the curator or curators of such lunatic or insane person, and to make an order for the safe custody of such lunatic or insane person; and every such application shall be made by the Master, and every such appointment and order shall be made by such Court, in like manner in all respects as the same ought by Law to have been made prior to the passing of this Ordinance. And all curators so appointed to any lunatic or insane persons shall be called and known in law by the style and appellation of curators dative: Provided always, that nothing herein contained shall extend, or be construed to extend, to prevent any person, other than the said Master, from making such application for the appointment of a curator dative to any lunatic or insane person, in like manner as the same might by law have been made by any such person prior to the passing of this Ordinance. And provided also, that it shall and may be lawful for the said Master, or any other person, at any time to apply to any competent Court, to make an order for the safe custody of any lunatic or insane person, although such lunatic or insane person shall not be possessed of, or have right to, any estate or property, or although any property or estate of which he may be possessed, or to which he may have right, shall be under the administration and management of any curator or curators nominate duly appointed for that purpose.

XII. And be it further enacted, That, when after any person shall have been found and declared by the decree of any competent Court to be a lunatic or insane, and shall have had a curator dative appointed to him, or an order shall have been made for his safe custody, it shall happen that the curator dative of such lunatic or insane person, or the curator nominate of any estate or property which has been given or bequeathed to such person, shall die, or become incapacitated to act as such, or be removed from his office by the decree of any competent Court, then and in every such case, proceedings in order to the appointment of a curator dative to such lunatic or insane person, in place of the person so dying or becoming incapacitated or removed, shall be had and taken by the Master of the Supreme Court, in like manner in all respects as is hereinbefore provided by the provisions of the 6th and 7th Sections of this Ordinance as to the appointment of tutors dative to minors.

XIII. And be it further enacted, That, in every case in which it shall come to the knowledge of the Master of the Supreme Court, that, in consequence of the death of any person, any estate or property hath devolved on or come to belong to any person absent from this Colony, and not having a legal representative within the same, then and in every such case the said Master shall cause to be published in the Gazette of this Colony, and in such other manner as to him shall seem fit, an edict, calling on all whom it may concern, to attend at his office at the time therein specified, not being less than six weeks from the day of the publication thereof, to see letters of confirmation granted to such person as shall then be appointed by him curator dative of the estate or property of such absent person. And the said Master shall, at the meeting so to be holden at his office, appoint some fit and proper person to be such curator dative as aforesaid: Provided always, that, when the only property known by the said Master to belong to any such absent person shall consist of a sum or sums of money due and payable to him by the executor of any deceased person, or by the trustee on the sequestrated estate of any insolvent person, it shall not be necessary for the said Master to take any such proceedings as aforesaid for the appointment of a curator dative, and no such proceedings shall be had or taken, but it shall and may be lawful for the said Master, to demand, recover, and receive payment of all such sums of money, to be, after the same are so received by him, disposed of in manner hereinafter provided.

XIV. And be it further enacted, That nothing herein contained shall extend or be construed to extend to prevent the Supreme Court, or any Circuit Court, after the pass-

ing of this Ordinance, from appointing a curator *ad litem* to any person in every case and in the same manner in all respects in which such appointment might by law have been made by such Court prior to the passing of this Ordinance. And that in all cases, when the same may be necessary or expedient, the Master of the Supreme Court shall and may appoint a curator *bonis*, to take the custody and charge of any estate or property, until, in order to the due administration and management of the same, letters of confirmation shall be granted to some person as tutor testamentary or dative, or as curator nominate or dative, in manner hereinbefore provided. And every such appointment as curator *bonis* so made by the said Master, shall, on the application of any person having an interest in such estate, be subject to be reviewed and confirmed, or set aside, by the Supreme Court, or any Judge thereof; and such Court or Judge by whom any such appointment shall be set aside, shall and may appoint some other fit and proper person to be curator *bonis*.

XV. And be it further enacted, That nothing herein contained shall extend, or be construed to extend to repeal or alter the law in force within this Colony prior to the passing of this Ordinance, in so far as relates to the powers, rights, duties, obligations, and liabilities of curators *ad litem* or curators *bonis*, except in so far as the same is hereinbefore or hereinafter expressly repealed or altered by any special provision of this Ordinance.

XVI. And be it further enacted, That every tutor dative, and every curator dative, who shall be appointed by the Master of the Supreme Court, or any Court or Judge, to administer the estate or property of any minor or lunatic, or insane or absent person, shall, before he shall be permitted to enter on the administration of such estate or property, find security to the satisfaction of the Master of the Supreme Court, to such amount as in the circumstances of each particular case shall be reasonable, for the due and faithful administration and management of such estate and property.

XVII. And be it further enacted, That every person shall be deemed incapacitated and disqualified to hold, and shall be incapable of holding the office of tutor, either testamentary or dative, or of curator, either nominate or dative, in every case, and by and for every cause, in, by, and for which any person, appointed tutor testamentary, would, previously to the passing of this Ordinance, have been deemed incapacitated and disqualified to hold, and would have been incapable of holding the office of tutor testamentary, under and by virtue of any law then in force within this Colony. And that every tutor, either testamentary or dative, and every curator, either nominate or dative, whose estate shall be placed under sequestration as insolvent, under and by virtue of the provisions of the Ordinance No. 64, shall cease to exercise or hold, and shall thereupon be deemed to have been removed, and shall *ipso facto* be removed from his office as tutor or curator aforesaid, so soon as the order for such sequestration has been made, when the same has been made on the petition of the insolvent himself, and so soon as the sequestration has been adjudged by the competent Court, when the order for the same has been made on the petition of any creditor or creditors of the insolvent. And every such tutor or curator as aforesaid shall be subject to be removed from his office by the Supreme Court, or any Circuit Court, or to be suspended therefrom by any Judge of the Supreme Court, in every case and for every cause in, or for which any tutor testamentary might previously to the passing of this Ordinance have been removed or suspended from his office by any Court or Judge, under and by virtue of any law then in force within this Colony.

XVIII. And be it further enacted, That all tutors, either testamentary or dative, and all curators, either nominate or dative, shall, within eight weeks at most after entering upon the administration of their office, make or cause to be made, and shall subscribe, an inventory of all property, goods, effects, moveable and immoveable, forming part of or belonging to the estates or persons under their guardianship, in the same manner and form in all respects in which any tutor testamentary ought, prior to the passing of this Ordinance, to have made any such inventory, under and by virtue of any law then in force within this Colony. And every such tutor and curator shall thereafter, from time to time, and so soon as any other such property, goods, or effects as aforesaid shall come into his possession, or to his knowledge, make in like manner and form as aforesaid an additional inventory thereof. And every such tutor or curator shall, respectively, forthwith transmit all such inventories to the office of the Master of the Supreme Court: Provided always, that when the person by whom any tutor testamentary or curator nominate has been appointed, shall, in the deed by which such appointment is made, or in any other deed duly executed by him, have directed that the inventory and additional inventories, to be made by such tutor or curator in manner hereinbefore provided, shall be transmitted to the said Master, sealed up, then and in every such case it shall and may be lawful for such tutor or curator,—and when any such inventory shall have been made by the survivor of two spouses, whom the predeceasing spouse shall by will or other lawful instrument have appointed the tutor of his or her minor children, and the administrator (*Boedelhouder*) of the joint estate of such spouses during the minority of such children, then and in every such case it shall and may be lawful for such spouse, if he or she shall think fit so to do,—to transmit every such inventory, sealed up, to the office of the said Master. And no such sealed inventory shall be opened, except by virtue of an order of the Supreme Court, or some Judge thereof, on sufficient cause for opening the same being shewn by the said Master, or by some person having an interest in the said joint estate. And with every such inventory, whether sealed or unsealed, there shall be transmitted a list of the names of every person who shall by virtue of any bond or other written instrument be indebted to the estate to which such inventory relates, and of every surety for every such debtor.

XIX. And be it further enacted, That every tutor or curator who shall fail to make up and transmit any such inventory as aforesaid, in manner hereinbefore provided, and who shall have no lawful and sufficient excuse for such failure, shall, by reason thereof, and in addition to every other liability, consequence, and penalty, which he shall thereby by law subject himself to and incur be liable to pay all the expenses which shall have been, and shall be incurred, as well with reference to his own appointment, as to the appointment of the tutor or curator who shall on his removal be appointed in his place.

XX. And be it further enacted, That if any tutor or curator required and directed under and by virtue of the 17th section of this Ordinance, to make, or cause to be made, an inventory of any estate, goods, or effects, shall for any fraudulent purpose make a false inventory thereof, every such offender, being convicted thereof, shall be liable at the discretion of the Court before which he shall be so convicted, to punishment by imprisonment with or without hard labor for any period not exceeding two years, or by fine, or by both, as the said Court shall award.

XXI. And be it further enacted, That when letters of confirmation shall have been granted to any tutor, either testamentary or dative, or to any curator, either nominate or dative, then and in every such case, except in so far as shall to the contrary herein be provided, every such tutor shall in all respects and for all intents and purposes, and every such curator shall, in so far as relates to the particular estate or property which has been placed under his guardianship, have every power, right, and privilege, and shall do and cause to be done, every act, matter, and thing, touching and concerning the inventorisation, administration, and management of the estate or property under their guardianship,—and every such tutor or curator and his estate shall in respect and by reason of every act, matter, or thing done or omitted to be done by him, incur and be subject to every liability, obligation, and penalty,—which by any law in force within this Colony, prior to the passing of this Ordinance, any tutor testamentary would then respectively have had, or have been directed or required to do, and which he and his estate would then in respect and by reason of any such act, matter, or thing done or omitted to be done by him, have incurred or been subject to: Provided always, that nothing herein contained shall extend, or be construed to extend, to give to any curator nominate or dative, any power or authority as to the maintenance, education, or custody of the person of any minor, or lunatic or insane person, except in so far as the same may have been specially given and committed to him by the decree or order of any competent Court or Judge. And provided also, that every tutor

testamentary and curator nominate shall, in the discharge of such their office and in the administration of the estate and property respectively under their guardianship, conform and obey every lawful direction touching and concerning the same, which shall have been given by the person by whom such tutor or curator shall have been appointed in the deed by which such appointment was made, or in any other writing duly executed by such person.

XXII. And be it further enacted, That when, by reason of the death of one of two spouses who have been married in community of property, any part of the joint estate of such spouses shall devolve to any minor, then and in every such case, except when the survivor shall have been by the pre-deceasing spouse appointed the tutor of his or her children, and the administrator (*Boedelhouder*) of the joint estate of such spouses during the minority of such children, the tutor, either testamentary or dative, or curator nominate of such minor, shall, and he is hereby authorized and required to take such proceedings as may be necessary to cause the surviving spouse to make an inventory of the joint estate, in such manner and form as is provided by the 14th section of the Ordinance No. 104; or when such inventory has been made before letters of confirmation have been granted to such tutor, to cause an additional inventory to be made of all property, goods, or effects, moveable or immoveable, of what kind soever, which at the time of the death shall have formed part or belonged to the estate possessed in community between the pre-deceasing and surviving spouses, and which shall have been omitted in the inventory made by the surviving spouse. And so soon as the amount and extent of such property, goods, or effects as aforesaid, which shall have formed part of or belonged to the said joint estate, shall have been ascertained by the inventory or inventories hereinbefore mentioned, every such tutor as aforesaid shall forthwith take such proceedings for ascertaining and securing the share of such estate to which such minor shall have right, as shall be in conformity with any lawful directions for that purpose given by the deceased spouse in any will or other deed duly executed by such spouse, or, in default of such directions, as shall be most expedient for the interest of the minor, and as shall be consistent with the lawful rights of the surviving spouse: Provided always, for the more effectual securing the interest of such minors, that no Matrimonial Court within this Colony shall authorize or permit, and all such Courts are hereby prohibited to authorize or permit the father or mother of any such minor heirs, to re-marry, until there shall be produced to such Court a certificate, under the hand of the Master of the Supreme Court, or of such person or persons as shall have been duly appointed tutor or tutors testamentary or dative, or curator or curators *bonis*, to such minors, that the shares due to such minors out of such joint estate as aforesaid, have been ascertained and secured according to law. And every such father or mother who shall re-marry before the shares due to their minor children out of such joint estate as aforesaid have been ascertained and secured in manner aforesaid, shall forfeit one fourth part of his or her share in the said joint estate, for the benefit of his or her aforesaid minor children.

XXIII. And be it further enacted, That nothing herein contained shall extend, or be construed to extend to repeal or alter any law in force within this Colony prior to the passing of this Ordinance, touching and concerning the administration by the survivor of two spouses of the joint estate of such spouses during the minority of the children of the pre-deceased spouse (*"Boedelhouderschap,"*),—or touching and concerning the execution, requisites, and privileges of bonds passed by surviving spouses previously to their re-marriage, for securing the inheritance due to the minor children of their pre-deceased spouse (*"Kinderbewyzen,"*),—or touching and concerning the paternal power, guardianship, duties, and obligations of fathers and mothers over, and to their legitimate children, and of mothers over, and to their illegitimate children,—or touching and concerning the maintenance and education of minor children, either by their parents or others, and either out of the interest accruing from the paternal or maternal inheritance to which such children have succeeded or otherwise,—or touching and concerning the charge and custody of the persons of minors,—or touching and concerning the rights, privileges, remedies, or obligations of minors or other persons under the guardianship of tutors or curators, —or touching and concerning any action competent to such minors against their tutors or curators, or competent to their tutors or curators against such minors or other persons as aforesaid, except in so far as any such law is hereinbefore or hereinafter expressly repealed or altered by any special provision of this Ordinance: provided always, that when any question shall arise touching and concerning the maintenance or education or the charge or custody of the person of any minor, then and in every such case it shall and may be lawful for any Judge of the Supreme Court, to make such temporary order as to him shall seem necessary, to provide for the due maintenance, education, and the charge and custody of the person of such minor, until such question shall be decided by the decree of the Supreme Court, or any Circuit Court.

XXIV. And be it further enacted, That no tutor, either testamentary or dative, and no curator, either nominate or dative, or curator *bonis*, shall sell, alienate, or mortgage any immoveable property belonging to any minor, or forming part of any estate under the guardianship of such tutor or curator, unless the Supreme Court, or any Judge thereof, shall, by any order made by such Court or Judge, have authorized such sale, alienation, or mortgage, or unless the person, by whom any such tutor testamentary or curator nominate shall have been appointed, shall have directed such sale, alienation, or mortgage to be made.

XXV. And be it further enacted, That every tutor dative, and every curator dative, or curator *bonis*, shall forthwith pay over to the Master of the Supreme Court, all monies belonging to the person or estate under his guardianship, so soon as the same shall be received by, or come into the possession of such tutor or curator, except in so far as the same may be required for the instant payment of debts due by such estate, or for the immediate maintenance of such person —And if any such tutor or curator shall, without any lawful and sufficient excuse, retain and fail to pay over to the said Master any such monies as it is herein directed, shall be so paid over to the said Master, every such tutor or curator shall be liable to pay to, and for the benefit of the person, or estate, to whom or which such money belongs, interest on the same, at the rate of 10 per cent. per annum, for the whole period during which such money shall be so improperly retained and shall not be paid over to the Master; and shall be liable to be removed from his office of tutor or curator by the decree of any competent Court, if it shall eppear expedient to such Court so to do;—and whenever it shall come to the knowledge of the said Master that any such money has been so retained, and not paid over to him by any such tutor or curator, he shall forthwith institute an action against such tutor or curator, in order to recover payment thereof and of the above-mentioned penal interest due thereon.

XXVI. And be it further enacted, That it shall and may be lawful for any tutor testamentary, or curator nominate, to whom it shall seem expedient so to do, except where the person, by whom such tutor or curator has been appointed, shall have directed that the same shall not be done, to pay over to the Master of the Supreme Court, any money belonging to the person or estate under the guardianship of such tutor or curator, and which by law such tutor or curator might lend out on interest.

XXVII. And be it further enacted, That the Master of the Supreme Court shall, so soon as any money shall be paid over to or received by him, under the provisions of the 13th, 25th, and 26th sections of this Ordinance, open in a book, to be kept for that purpose, and which shall be called and known in law by the style and appellation of the "*Wards Book*," a debit and credit account with the person or persons to whom, or with the estate to which, such money shall belong, and in this account shall enter to the credit of such person or estate, all such money then or which may hereafter be paid over to him, or received by him on account of such person or persons, or estate. And when such money shall belong to more persons than one, the said Master shall ascertain the amount of the share actually belonging to each of such persons, and shall open such account as aforesaid with each of such persons separately, and not with the whole collectively, and shall in such account place to the credit of each the amount of the share actually belonging to each respectively. And when it shall not be known to what person or persons any such money, or any part thereof, shall belong,

then the account aforesaid, in so far as relates to the share or shares of such unknown person or persons shall be opened in the name of the estate of which such money formed part, or from which it has proceeded.

XXVIII. And be it further enacted, That every sum which shall be placed to the credit of any person or estate, in any such account so to be opened as aforesaid, shall bear interest from the first day of the second month which shall occur after such money shall have been entered in such account,—and such interest shall be at the rate of one per cent less than the legal rate of interest current at the time within this colony. And on the 1st day of January in each year all such interest as shall have become due to any such person as aforesaid, and shall not have been paid to him or on his account, shall be accumulated with the capital then due to such person: and the accumulated sum shall be placed to his credit in such account, and bear interest in like manner as is hereinbefore mentioned: Provided always, that no such money as aforesaid shall bear interest after the period at which the person, to whom it shall belong, being, or having a legal representative within this Colony might, by reason of his or her having attained the age of majority, or otherwise, have demanded and received payment of the same. And provided also, that when such money shall belong to any person absent from this colony, and not having any known legal representative within the same, or to any unknown person or persons, such interest shall, so long as such person shall be unknown or absent from the Colony, without having a legal representative within the same, provided such period shall not exceed five years, be at the rate of one half of the legal rate of interest current at the time within this Colony; and such interest shall on the first day of January in each year be placed to the credit of the person to whom it has become due, or of the estate on which it has accrued; but it shall not be accumulated with the capital, nor bear interest. And after the lapse of such period of five years, if the person or persons to whom it shall belong shall so long continue to be unknown or absent from the Colony, without having a legal representative within the same, no such money as aforesaid shall bear any interest whatever.

XXIX. And be it further enacted, That, for the purposes of the provisions of the 28th section of this Ordinance, the legal rate of interest current within this Colony, shall be deemed and taken to be, and shall be calculated at the rate of six per cent. per annum, until some other rate of interest shall by any law hereafter to be made be declared and established for the purpose aforesaid.

XXX. And be it further enacted, That, of the monies which shall be paid over to or received by the Master of the Supreme Court, in manner before provided, there shall be formed a fund, which shall be called and known in law by the style and appellation of the "*Guardian's Fund*," and that immediately after the promulgation of this Ordinance, a debit and credit account shall be opened in the books of the Discount Bank of this Colony with and in the name of the said Guardian's Fund; and the Master of the Supreme Court shall, on every day on which the said Discount Bank shall be open for the transaction of business, and before the hour of closing the same for the day, pay or cause to be paid into the said Bank, to be carried to the credit of the Guardian's Fund, all monies which on or previously to every such day shall have been paid to, or received by him, under and by virtue of the provisions of the 13th, 25th, and 26th sections of this Ordinance, as also all such monies as shall have been so paid to or received by him in payment of the interest or re-payment of the principal of money belonging to the said Guardian's Fund, and lent out on bond by him, in manner hereinafter provided. And it shall and may be lawful for the said Master from time to time to withdraw the whole or any part of the monies so paid into the said Discount Bank and placed to the credit of the Guardian's Fund, upon checques, signed by him, and specifying the purpose for which the sum contained in every such checque is to be appropriated, and no part of such monies as aforesaid shall be withdrawn from the said Bank otherwise than upon such checques as aforesaid

XXXI. And be it further enacted, That it shall and may be lawful for the Master of the Supreme Court, to pay any sum of money which in the Ward's Book aforesaid is placed to the credit of any person, or of any estate, to the person (or legal representative of the person) by law entitled to demand and receive the same, as also, to pay to any tutor or curator (upon the written order or receipt of such tutor or curator) of any minor, lunatic, insane, or absent person, or of any estate, the whole or any part of such sum of money as in the Ward's Book aforesaid shall at the time be placed to the credit of such minor, lunatic, insane, or absent person, or such estate as aforesaid, and as such tutor or curator is by law authorized or required to expend or dispose of for any purpose touching or concerning, or in respect of or with reference to, the person or estate under the guardianship of such tutor or curator. And when it shall appear to the said Master that it is either unnecessary or illegal for such tutor or curator to expend or dispose of any such sum of money, for the purpose for which it is alleged that the same is to be appropriated, it shall and may be lawful for the said Master to refuse or to suspend making such payment, until the Supreme Court, or some Judge thereof, shall have made an order, directing such payment to be made.

XXXII. And be it further enacted, That the Master of the Supreme Court shall from time to time, and so soon as he shall find opportunity so to do, lend or cause to be lent, on the mortgage of immoveable property situated within this Colony, and with or without additional security, as may in each particular case be deemed expedient, all such money as shall at the time be placed to the credit of the Guardian's Fund in account with the said Discount Bank, and as shall not be required to meet the current expenditure of the said Guardian's Fund: Provided always, that no such loan shall be made by the said Master, without first advising thereupon with the Treasurer-General and Auditor-General of this Colony, or any other two persons holding civil offices under the Government of this Colony, who shall be from time to time appointed for that purpose by the Governor, or, in the event of both or either of them refusing such consent, unless he shall have applied to and obtained from the Supreme Court, or any Judge thereof, an order of such Court or Judge, authorizing the said Master to make such loan. And provided also, that it shall not be lawful for any such loan to be made to, or in favor or on account of, the said Master, or of any of the two Civil Officers of Government appointed for the time being in manner aforesaid, for the purpose of advising with the said Master, touching and concerning such loan.

XXXIII. And be it further enacted, That all bonds which shall be taken for any money so to be lent out, shall be taken payable to the Guardian's Fund; and it shall and may be lawful for the said Master, to demand, receive, recover, and enforce, by proceedings at law, payment of all such bonds, and of the interest which may be due thereon, in like manner to all intents and purposes, as if the said bonds had been taken payable to the Master of the Supreme Court; and he shall pay, or cause to be paid, all sums received by him, either as the principal or interest due on any such bonds into the Discount Bank, to be placed to the credit of the Guardian's Fund: Provided always, that it shall and may be lawful for the said Master, to assign any such bond to any person lawfully entitled to demand and receive payment of any sum which shall be placed to the credit of any person or estate in the Ward's Book aforesaid in payment of the same, if such first-mentioned person shall consent to receive such bond in payment of his just demand, but not otherwise.

XXXIV. And be it further enacted, That it shall be the duty of the Master of the Supreme Court, and he is hereby required and directed so to regulate the amount and duration of the loans to be made of the money belonging to the Guardian's Fund, as that when any sum placed in the Ward's Book to the credit of any minor shall become payable, by reason of such minor having attained majority, there shall then be money sufficient for the payment of the sum placed to the credit of the Guardian's Fund, in account with the Discount Bank: Provided always, that, if it shall at any time happen that there shall not be so placed to the credit of the Guardian's Fund money sufficient to make any payment or payments, which ought to be made by the said Master out of the Guardian's Fund, then and in every such case it shall and may be lawful for the said Master to over-draw by such checques as aforesaid the account of the Guardian's Fund with the Discount Bank, to any amount not exceeding £2000, to be employed by him in making such payment or payments, and the amount

so over-drawn shall be paid by the said Bank, and shall in the said account be placed to the debit of the Guardian's Fund, and no interest shall be charged by the Bank in respect of any money so over-drawn.

XXXV. And be it further enacted, That on the first day of July, in the year 1834, or so soon thereafter as may be within the said month of July, and at the same period in every succeeding year, the Master of the Supreme Court, the Treasurer General, and the Auditor General, shall balance the Ward's Book, and ascertain the total amount of principal and interest due on the 30th day of June preceding, to all the persons and estates, with whom or with which such accounts as aforesaid shall then be open in the said Book, and they shall also ascertain the amount which shall on the said day have been placed to the credit of the Guardian's Fund in account with the Discount Bank; —as also the amount of all sums belonging to the Guardian's Fund, which shall have been lent on bonds in manner hereinbefore provided, and of the re-payment of which, when due, there shall then appear to be no reason to doubt. And they shall grant a certificate in writing, signed by them, of the amount of the sum, if any, by which the total amount of the money due to the Guardian's Fund by the Discount Bank, and in virtue of such bonds as aforesaid, shall on the said 30th day of June have exceeded the total amount then placed to the credit of persons and estates, with whom and with which accounts shall then have been open in the Ward's Book, and the said certificate shall thereupon be filed in the office of the Registrar of the Supreme Court. And the sum, the amount of which shall be so certified, shall thereupon be appropriated in the first place to replace any sums, which, prior to the said 1st day of July, have been withdrawn from the £10,000 placed in deposit in the Discount Bank, under and by virtue of the provisions of His Majesty's Order in Council, dated 24th November, 1828, and the balance of the sum so certified, remaining after replacing the sums so withdrawn from such Deposit Fund as aforesaid, shall thereupon and in respect of such certificate become due and payable out of the Guardian's Fund to the public revenue of this Colony. And the Master of the Supreme Court shall, and he is hereby authorized and required to draw by such checque or checques as aforesaid for such amount on the account of the Guardian's Fund with the Discount Bank, and to pay the same to the Treasurer-General, or to assign over to the Treasurer-General, any good bond or bonds due to the Guardian's Fund, in order that the Treasurer-General may, as he is hereby authorized and required to do, demand, receive, and recover payment of the same; and the Treasurer-General shall grant a receipt for such money so paid, or such bonds so assigned to him by the said Master as aforesaid.

XXXVI. And be it further enacted, That when any money, which shall have been placed in the Ward's Book to the credit of any person or estate, shall remain, and shall not have been claimed by any person having a just and lawful right thereto for the period of 40 years, from the date of the entry of such money in the Ward's Book, then and in every such case every account with such person or estate shall be closed, and all such money shall in respect of the lapse of such period become and be forfeited to the Crown, and shall be applied by the Master of the Supreme Court, or be by him paid over to the Treasurer General, for the like purposes and in the like manner in all respects as by the provisions of the 35th section of this Ordinance is hereinbefore provided with respect to any sum or sums of money certified in manner aforesaid as being the amount of the excess of the Guardian's Fund over the total amount due to the persons and estates having at the time open accounts in the Ward's Book aforesaid.

XXXVII. And be it further enacted, That on the first day of October next, and on the first days of July and of October respectively, in every succeeding year, the Master of the Supreme Court shall cause to be drawn up an exact account of the amount of all estates or property which shall be entered in the Ward's Book, and shall belong to any persons unknown, or not residing and not having some known legal representative within this Colony, with a statement of the names and designations of the persons so far as known who are supposed to be interested therein, and shall cause the same to be inserted in the Gazette of this Colony, and shall forthwith deliver two copies thereof to the Secretary to the Government of this Colony, who shall cause the same to be transmitted for publication in the London Gazette, and other newspaper or newspapers of the country to which the persons interested in such estates or property may be supposed to belong. And in the said advertisements all persons interested shall be required to transmit their claims to the Master of the Supreme Court. And the expense of such advertisements shall be borne proportionately by the estates to which they relate.

XXXVIII. And be it further enacted, That every tutor, either testamentary or daitve, and every curator either nominate or dative, or *bonis*, shall, on or before the 15th day of February in every year, lodge with the Master of the Supreme Court, (who shall cause the same to be preserved and registered in his office for the inspection of all concerned,) a just, true, and exact account of his administration of the estate or property under his guardianship, up to the 31st day of December preceding. And every such tutor or curator who shall fail to lodge such account as aforesaid in manner herein provided, and who shall have no lawful and sufficient excuse for such failure, shall, by reason thereof, forfeit all claim to any fees which he might otherwise be entitled to receive in respect of his administration of such estate during the year preceding the said 31st day of December: Provided always, that when the person by whom any testamentary tutor or curator nominate has been appointed, shall by any deed duly executed by him, have directed that such tutor or curator shall not lodge with the said Master any such annual account of his administration as aforesaid, then and in every such case no such tutor or curator shall be required to lodge any such annual account in manner aforesaid. And every such appraiser shall, in respect of every such appraisement so to be made by him, be entitled to demand and receive, and shall be paid out of the estate or property by him appraised, a reasonable compensation, to be assessed and taxed by the Master of the Supreme Court: Provided always, that no person shall act as such appraiser in any case in which he has an interest in the estate to be valued or appraised.

XLV. And be it further enacted, That every person who shall be appointed by the Master of the Supreme Court to act generally as an appraiser of such estates or properties as aforesaid, shall, before he shall proceed to act in virtue of such appointment, take an oath before any Judge of the Supreme Court, Resident Magistrate, or Justice of the Peace, that he will appraise all such estates or properties as may be submitted to his valuation, according to the just, proper, and true valuation thereof, to the best of his skill and knowledge, and shall transmit the said oath, so taken by him and certified by the Judge, Magistrate, or Justice of the Peace, before whom the same shall have been taken, to the office of the said Master;—and when any such person or persons shall be appointed in manner aforesaid to appraise any particular estate or property, it shall and may be lawful for the said Master in such his appointment, to direct, whether such person or persons shall be required before proceeding to make such appraisement, to take such oath as aforesaid, or not: Provided always, that when any such person or persons as last above-mentioned shall have made such appraisement, without having taken such oath as aforesaid, it shall and may be lawful for the said Master, or any person having an interest in the estate or property appraised, to require that the person or persons by whom the same has been appraised shall, before such appraisement shall be received and acted on, take an oath in manner aforesaid, that such estate and property has been by him or them appraised according to the just, proper, and true valuation thereof, to the best of his or their skill and knowledge.

NADEMAAL vastgesteld is by Z. M. Koninklyk Charter vnn Justitie, gedateerd te Westminster den 4den dag van Mei 1832, dat de Weeskamer binnen deze Kolonie zal worden afgeschaft, en dat de pligten welke tot nu toe zyn verrigt door de gez. Weeskamer, in het vervolg zullen worden verrigt door den Meester, in der tyd, van het Hooge Geregtshof; en nademaal de registratie van testamenten en de administratie van zekere boedels van personen overlydende binnen deze Kolonie, voormaals een deel uitmaakten van de pligten van de gez. Weeskamer en door de gez. Weeskamer of door de Agenten van dezelve werden uitgeoefend volgens zekere regulatien in zekere "*Instructien*" en "*Provisionele Instructien voor de Weeskamer,*" en in zekere "*Instructien voor de Agenten van het Collegie van Weesmeesteren in de Buiten-distrikten van de Kolonie de Kaap de Goede Hoop,*" welke voormaals in kracht zyn geweest of in werking zyn gebragt binnen deze Kolonie, en in de Ordonnantie No. 42;—en nademaal, om reden dat de pligten hierbevoren vermeld in het vervolg zullen moeten worden verrigt door den Meester van het Hooge Geregtshof, in plaats van door de gem. Weeskamer, velen der gem. regulatien onmogelyk of onraadzaam zyn geworden;—en nademaal het nu raadzaam is geworden, in zekere opzigten, de wetten dezer Kolonie te veranderen en te emenderen, zoo verre als betrekking heeft tot de registratie van testamenten, of de administratie van de boedels en het eigendom van personen die met een testament of *ab intestato* overleden zyn, in zoo verre als dezelve gelegen zyn binnen deze Kolonie;—Zoo wordt derhalve vastgesteld door Zyne Excellentie den Gouverneur in Rade, dat van en na den 1sten dag van Maart aanstaande, de gem. Instructien en de Provisionele Instructien, hierboven vermeld, en mede de Ordonnantie No. 42, zullen zyn en dezelve worden by deze herroepen, behalve in zoo verre als bepaald en verklaard is by de Ordonnantie No. 103, dat de gem. Instructien, Provisionele Instructien en Ordonnantie, of eenige van de voorzieningen van dezelve, zullen blyven bestaan en van kracht en werking zyn in het regelen van de administratie, distributie en finale afrekening van zoodanig eigendom, boedels, zaken en dingen, als uit kracht van de voorzieningen van de gem. Ordonnantie No. 103 zullen geplaatst worden onder de administratie van den Meester van het Hooge Geregtshof: Met dien verstande altyd, dat niets hierin vervat zal strekken, of gerekend worden te strekken, tot het herroepen van eenige der bepalingen of voorzieningen van Z. M. Order in Rade, gedateerd 24 Nov. 1828.

II. En wordt verder vastgesteld, dat van en na den gem. 1sten dag van Maart aanst. het een ieder zal en mag vrystaan, ten burele van den Meester van het Hooge Geregtshof, onder een besloten couvert, eenigen uitersten wil, codicil, of testamentair instrument te deponeren, dat door hem zal zyn vervaardigd; en de gem. Meester zal een register moeten houden, of doen houden, van de namen en beschryvingen der personen die iedere zoodanige acte zullen deponeren, en van den datum wanneer dezelve is gedeponeerd; en iedere zoodanige acte zal ongeopend moeten worden gehouden onder de bewaring en berusting van den gem. Meester, tot het overlyden van den maker van dezelve, ten zy de teruggave van dezelve zal worden gevorderd door den maker van dezelve, of gedurende deszelfs leven, door deszelfs wettigen agent of procureur speciaal tot dat einde geautoriseerd, by eenige acte behoorlyk gepasseerd door den gem. maker; en wanneer zoodanige acte zal worden teruggegeven in maniere als voormeld, zal de maker of deszelfs agent, naar het geval moge zyn, een recu moeten teekenen, in de margine van het voormeld register, tegenover de inboeking van zoodanige acte.

En ieder zoodanige Resident Magistraat zal een afschrift van iedere zoodanige acte, dus aan hem overgeleverd of toegezonden, moeten doen maken, en dezelve met zyne handteekening autentiseren, en dadelyk by de eerste gelegenheid de oorspronkelyke acte naar het bureau van den gem. Meester van het Hooge Geregtshof moeten overzenden, en het voorzegde afschrift daarvan bewaren, tot hy van den gem. Meester berigt zal hebben ontvangen, dat zoodanige oorspronkelyke acte veilig op deszelfs bureau is gedeponeerd; en wanneer eenig zoodanig Magistraat narigt zal ontvangen, dat eenige acte als voormeld door hem aan het bureau van den Meester als voormeld toegezonden, niet aldaar is ontvangen, maar verloren is, of verkeerdelyk is gezonden, zal hy dadelyk van het afschrift in zyne bewaring een ander afschrift moeten doen maken, en zoodanig afschrift met zyne handteekening autentiseren, en hetzelve by de eerste gelegenheid aan het bureau van den gem. Meester toezenden, en op gelyke wyze blyven voortgaan, zoo dikwyls als zulks noodig zal zyn, en tot dat hy van den gem. Meester berigt zal ontvangen dat het afschrift dus overgezonden veilig op zyn bureau is gedeponeerd; en zoodra hy dus zal onderrigt zyn dat zoodanige oorspronkelyke acte, of zoodanig afschrift daarvan, veilig op het gem. bureau is gedeponeerd, zal het afschrift door den Resident Magistraat als voormeld gehouden, moeten worden overgeleverd aan eenig persoon daarin belang hebbende, die daarom aanvraag zal doen, of moeten worden vernietigd, indien geen zoodanig aanzoek wordt gedaan binnen twaalf maanden na het origineel by zoodanigen Resident Magistraat zal zyn gedeponeerd.

IV. En wordt verder vastgesteld, dat wanneer eenig persoon, het zy gedurende het leven van den testateur of de testatrice, of na deszelfs of derzelver overlyden, eenige uiterste wil, codicil of ander testamentair instrument zal stelen, of met eenig frauduleus oogmerk zal vernietigen of verbergen, ieder zoodanige overtreder, op overtuiging daarvan, ter discretie van het Hof voor hetwelk hy dus zal overtuigd worden, zal worden gestraft met transportatie buiten deze Kolonie voor zeven jaren, of met zoodanige andere straf, by confinement met of zonder harden arbeid, voor eenigen tyd niet te bovengaande zeven jaren, of met boete, of met beiden, naar het gem. En niemand zal onderhevig zyn te worden schuldig bevonden aan de voorm. overtreding, by eenig getuigenis hoe ook genaamd, ten aanzien van eenige daad door hem gepleegd, indien hy op eenigen tyd voor dat hy beschuldigd is van zoodanige overtreding, zoodanige acte onder eede zal hebben verklaard, ingevolge van eenig compulsoir proces van eenig bevoegd Geregtshof in eenige civile actie of procedure, welke *bona fide* zal zyn ingesteld door eenige party daarby bezwaard, of indien hy zulks zal hebben verklaard in eenig onderzoek door hem ondergaan onder en uit kracht van de voorzieningen van de 61ste en 64ste Artikelen van de Ordonnantie No. 64.

En ieder zoodanig Resident Magistraat zal eene kopy of kopyen van iederen zoodanigen inventaris, dus aan hem afgegeven of toegezonden, moeten doen maken, en zoodanige kopy of kopyen moeten autentiseren met zyne handteekening, en het origineel van iederen zoodanigen inventaris zenden naar het Bureau van den gem. Meester: Met dien verstande altyd, dat wanneer zoodanige inventaris als voormeld zal gemaakt zyn door den langstlevenden van twee echte lieden, aan wien de vooroverleden echtgenoot by uitersten wil wettiglyk alle aandeelen van den gem. gemeenschappelyken boedel aan zoodanigen eerstoverledenen toebehoorende zal hebben gelegateerd, of dien de vooroverleden echtgenoot by uitersten wil of ander wettig instrument zal hebben aangesteld tot den executeur van zynen of haren uitersten wil en den voogd van zyne of hare minderjarige kinderen en den administrateur *(Boedelhouder)* van den gem. gemeenschappelyken boedel gedurende de minderjarigheid van zoodanige kinderen, dan en in ieder zoodanig geval, zal het iederen zoodanigen echtgenoot vrystaan, indien hy of zy zulks zal goedvinden, iederen zoodanigen inventaris als voormeld verzegeld toe te zenden aan het bureau van den Meester van het Hooge Geregtshof, of aan den Resident Magistraat van het distrikt, respectivelyk, in maniere hierboven voorzien. En wanneer eenige zoodanige inventaris, dus verzegeld, zal worden toegezonden aan eenigen Resident Magistraat, zal er mede aan zoodanigen Magistraat een duplicaat en een triplicaat moeten worden toegezonden, mede verzegeld. En zoodanig Resident Magistraat, zal het origineel van iederen zoodanigen dus verzegelden inventaris moeten toezenden aan het bureau van den gem. Meester, en voor en ten aanzien van het overzenden van zoodanigen originelen inventaris, het zy verzegeld of open, en van zoodanige kopy of kopyen daarvan, als voormeld, en van zoodanig duplicaat en triplicaat daarvan als voormeld, zal hy alles moeten doen en laten doen, dat onder en uit kracht van de voorzieningen van het 3de artikel van deze Ordonnantie, zoodanig Resident Magistraat gerequireerd is te doen of te laten doen, voor de transmissie van de originelen en kopyen van testamenten, en zal in alle opzigten moeten te werk gaan in gelyke manier als daarin voorgeschreven: Met dien verstande echter, dat geen zoodanig duplicaat of triplicaat door zoodanigen Resident Magistraat weder zal mogen worden afgegeven aan eenig persoon, anders dan aan den langstlevenden echtgenoot, door wien dezelve aan hem is ingezonden, of aan eenig persoon door zoodanigen langstlevenden behoorlyk geautoriseerd om denzelven te ontvangen, en dat geen zoodanige verzegelde inventaris, of duplicaat of triplicaat van denzelven, zal mogen worden geopend, anders dan uit kracht van eene order van het Hooge Geregtshof, of van eenigen Regter van hetzelve, wanneer genoegzame grond voor het openen van denzelven zal zyn getoond door den Meester van het Hooge Geregtshof, of door eenig persoon een belang hebbende in den gem. gemeenschappelyken boedel.

XIX. En wordt verder vastgesteld, dat de boedels van alle personen stervende met een testament of *ab intestato*, in zoo verre als dezelve binnen deze Kolonie gelegen zyn, zullen moeten worden geadministreerd en verdeeld volgens regten onder en uit kracht van brieven van administratie, te worden verleend in den vorm vervat in de Schedul hier annex, gemerkt B, door den Meester van het Hooge Geregtshof, aan de testamentaire executeuren behoorlyk aangesteld door zoodanig overleden persoon, of aan zoodanige personen die, by gebrek van testamentaire executeuren, zullen zyn aangesteld als dative executeuren van zoodanige overledene personen, in maniere hieronder vermeld: Altyd wel verstaan, dat in alle gevallen waar zulks noodig of raadzaam zal zyn, de Meester van het Hooge Geregtshof zal en mag aanstellen eenen curator *bonis*, om het opzigt en de zorg te hebben over zoodanigen boedel, tot dat brieven van administratie zullen worden verleend aan executeuren, testamentair of datief, voor de beheering en bereddering van denzelven. En dat iedere benoeming dus door den gem Meester gedaan, van eenigen curator *bonis*, op aanzoek van eenig persoon, die belang in den boedel heeft, onderhevig zal zyn om te worden herzien en bevestigd of ter zyde gezet door het Hooge Geregtshof, of eenigen Regter van hetzelve; en zoodanig Hof of Regter, door wien eenige zoodanige aanstelling zal worden ter zyde gezet, zal en kan een ander geschikt en bekwaam persoon aanstellen om curator *bonis* te zyn.

XX. En wordt verder vastgesteld, dat in alle gevallen waar eenig overleden persoon, by uitersten wil, behoorlyk eenig persoon of personen zal hebben aangesteld tot zyn executeur of executeuren, de Meester van het Hooge Geregtshof, op aanzoek van zoodanigen executeur of executeuren, dadelyk brieven van administratie aan hem of hen zal moeten afgeven, zoodra het testament des overledenen behoorlyk ten burele van den gem. Meester, als boven omschreven, zal zyn gedeponeerd: Altyd wel verstaan, dat, indien het aan den gem. Meester zal komen te blyken, of indien eenig persoon, by geschrifte gedeponeerd op het bureau van den gem. Meester, zal objecteren dat eenige acte, uit kracht waarvan eenig persoon of personen zal vorderen de testamentaire executeur of executeuren te zyn van eenig overleden porsoon, niet genoegzaam is om zoodanige vordering te staven, dan en in ieder zoodanig geval, zullen de brieven van administratie niet worden verleend, tot de validiteit en de wettige kracht van zoodanige acte zal beslist zyn door de uitspraak van eenig bevoegd Geregtshof, of tot zoodanige objectie zal zyn terug getrokken door den persoon die dezelve gemaakt heeft.

XXI. En wordt verder vastgesteld, dat wanneer eenig persoon zal zyn overleden zonder by eenige valide acte eenig persoon of personen te hebben aangesteld tot zyne of hare executeuren, of waar eenig persoon of personen, behoorlyk aangesteld om te zyn de executeur of de executeuren van eenig overleden persoon, voor denzelven zal zyn overleden, of zal weigeren of onbekwaam worden om als zoodanig te handelen, dan en in ieder zoodanig geval, zal de Meester van het Hooge Geregtshof in de Courant dezer Kolonie, en op zoodanige andere wyze als hy gepast zal oordeelen, een Edict doen publiceren, oproepende de overlevende echtgenoot, (indien er een is) de naaste bloedverwanten, legatarissen en crediteuren des overledenen, om byeen te komen op zyn bureau op den tyd daarin vermeld, niet zynde minder dan zes weken na den dag der publicatie, om brieven van administratie te zien verleenen aan zoodanig persoon of personen als door hem zullen worden aangesteld tot dative executeur of executeuren des boedels van zoodanigen overledenen persoon: Met dien verstande altyd, dat wanneer zulks den gem. Meester noodig en raadzaam zal voorkomen, het hem zal vrystaan, in zoodanig edict zoodanige personen als voormeld op te roepen om byeen te komen op het bureau van eenigen Resident Magistraat, op zoodanigen tyd als voormeld, ten einde eenig persoon of personen voor te stellen, om door zoodanigen Magistraat aan den Meester te worden gerapporteerd als bekwaam en geschikt om door hem te worden aangesteld als dative executeur of executeuren. En de gezegde Meester zal, by de

byeenkomst dus te worden gehouden op zyn bureau, of by de ontvangt van zoodanig rapport van zoodanigen Resident Magistraat, zoodanig persoon of personen aanstellen als hy gepast en geschikt zal oordeelen om te zyn de dative executeur of executeuren van den boedel des overledenen, en brieven van administratie daarmede overeenkomstig moeten uitvaardigen, ten zy het hem noodig of raadzaam zal voorkomen zoodanige aanstelling op te schorten en eene andere zoodanige byeenkomst of byeenkomsten als voorzegd te beroepen. En mede wel verstaan, dat wanneer het zal blyken, ten genoegen van den gem. Meester, dat de boedel van zoodanig overleden persoon, als hierbevoren is vermeld, blykbaar insolvent is, dan en in ieder zoodanig geval, zal het niet noodig zyn voor den gem. Meester, eenige zoodanige handelingen te doen als voormeld voor de aanstelling van eenen dativen executeur of dative executeuren, en zullen geene zoodanige stappen door hem genomen worden; en het zal hem vrystaan, en hy wordt by deze gerequireerd en gelast, de noodige stappen te nemen om zoodanigen boedel onder sekwestratie te stellen als insolvent, onder en uit kracht van de voorzieningen van het 3de artikel der Ordonnantie No. 64.

XXII. En wordt verder vastgesteld, dat in ieder geval waarin eene competitie zal plaats vinden voor het ambt van dativen executeur, de nagelaten echtgenoot, en by gebrek van dien, de naaste bloedverwant, en by gebrek van dien, een crediteur of crediteuren, en by gebrek van dien, een legataris of legatarissen, de voorkeur zullen hebben van den Meester van het Hooge Geregtshof voor het ambt van dativen executeur. Wel verstaan, dat niets hierin vervat, een of meer van de bovengemelde klassen van personen zal beletten in het gezegde ambt te worden zamengevoegd met een of meer van eenige andere der bovengemelde klassen van personen: En dat wanneer het aan den Meester, of aan het Hooge Geregtshof, of aan eenig Regter van hetzelve, by het revideren van de beslissing van den Meester, zal komen te blyken dat er eenige valide objectie bestaat tegen de aanstelling van allen of van eenigen der voormelde personen, of klassen van personen, als dative executeur of executenren, zoodanig verwerpelyk persoon of klasse van personen zal worden voorby gegaan en eenig ander geschikt en bekwaam persoon of personen, door den gem. Meester, of door zoodanig Hof of Regter, zal worden aangesteld als dative executeur of executeuren. En mede wel verstaan, dat iedere zoodanige aanstelling dus gemaakt door den gem. Meester, op aanzoek van eenig persoon belang hebbende in zoodanigen boedel, zal onderhevig zyn om te worden herzien en bevestigd, of ter zyde gesteld door het Hooge Geregtshof, of door eenigen Regter van hetzelve; en zoodanig Hof of Regter, door hetwelk ofdoor wien zoodanige aanstelling zal worden ter zyde gesteld, zal en mag een ander geschikt en bekwaam persoon of personen aanstellen om dative executeur of executeuren te zyn.

XXIII. En wordt verder vastgesteld, dat wanneer het zal gebeuren dat iemand der naaste bloedverwanten, of crediteuren of legatarissen van eenig overleden persoon, minderjarigen zullen zyn onder de voogdyschap van eenigen voogd of voogden behoorlyk aangesteld, dat dan en ieder zoodanig geval, zoodanige voogd of voogden geregtigd zullen zyn tot de preferentie voor het ambt van dativen executeur of executeuren, onder de voorzieningen van het dadelyk voorafgaande artikel van deze Ordonnantie, in gelyke maniere in alle opzigten als de minderjarige of minderjarigen, wier voogd of voogden hy of zy zyn, indien dezelve meerderjarig waren, zouden geregtigd zyn tot de preferentie tot dat ambt, onder de voorzieningen van het gem. artikel.

XXIV. En wordt verder vastgesteld, dat niets hierin vervat zal strekken, of gerekend worden te strekken, om eenigen testamentairen executeur of executeuren van eenigen testateur te beletten, eenig ander persoon of personen te assumeren als executeur of executeuren van zoodanigen testateur, onder en uit kracht van eenige magt hen tot dat einde verleend door zoodanigen testateur, by zyn testament of by eenige andere acte door hem tot dat einde behoorlyk gepasseerd: Met dien verstande altyd, dat niemand geregtigd of bevoegd zal zyn om als geassumeerd executeur te ageren, tot dat brieven van administratie aan hem, als zoodanig, door den Meester van het Hooge Geregtshof zullen zyn uitgevaardigd, die by deze gelast wordt dezelve te verleenen, op vertooning aan hem van den uitersten wil of andere acte, waarby de assumptie van zoodanigen executeur is geautoriseerd, en van de acte waarby zoodanig testamentair executeur of executeuren zoodanig persoon als executeur heeft of hebben geassumeerd. En iedere provisie van deze of van eenige andere Wet of Ordonnantie toepasselyk op, of betrekkelyk tot, of aangaande dative executeuren, zullen zyn, en geoordeeld worden te zyn, en zullen toepasselyk zyn op, en betrekking hebben tot, iederen zoodanigen executeur dus geassumeerd.

XXV. En wordt verder vastgesteld, dat wanneer, uit reden dat eenig testamentair of geassumeerd executeur, aan wien brieven van administratie zullen zyn verleend voor de administratie van eenigen boedel, zal zyn overleden, of onbekwaam zyn geworden om als zoodanig te ageren, of van zyn ambt zal zyn ontzet by decreet van eenig bevoegd Geregtshof, er geen executeur hoegenaamd zal blyven voor de administratie van zoodanigen boedel, of zoo vele executeuren, testamentair of geassumeerd, als by de voorzieningen van de acte waarby zulke executeuren zyn aangesteld of derzelver assumptie gepermitteerd, zullen vereischt worden om een *quorum* van executeuren te vormen voor de administratie van zoodanigen boedel, en wanneer het zal gebeuren dat eenigen dativen executeur, na dat de brieven van administratie aan hem zyn verleend, zal sterven, of onbekwaam worden, of worden geremoveerd in maniere voormeld, dan en in ieder zoodanig geval, zullen stappen tot de aanstelling van eenen dativen executeur in de plaats van den executeur dus overleden, onbekwaam of geremoveerd, worden genomen door den Meester van het Hooge Geregtshof, in alle opzigten als hierbevoren is bepaald by de voorzieningen der 21ste, 22ste en 23ste artikelen dezer Ordonnantie.

XXVI. En wordt verder vastgesteld, dat de brieven van administratie verleend aan eenig persoon als testamentair executeur, ten allen tyde zullen kunnen worden herroepen en vernietigd by decreet van het Hooge of eenig Rondgaand Geregtshof, op bewys, ten genoegen van zoodanig Hof, dat de acte, ten aanzien van welke zoodanige brieven aan zoodanige personen zyn verleend, van geen kracht is, of is herroepen, het zy in het geheel, of in zoo verre als betrekking heeft tot de nominatie en de aanstelling van zoodanigen executeur: En dat brieven van administratie, verleend aan eenig persoon als dativen executeur, ten allen tyde onderhevig zullen zyn om te worden herroepen en vernietigd op order van den Meester van het Hooge Geregtshof, wanneer voor hem zal worden geproduceerd eenige valide acte, waarby eenig ander persoon, die dan in regten bevoegd en bekwaam is, en die zal toestemmen te ageren als executeur, wettig benoemd en aangesteld is als testamentairen executeur van den boedel voor welks administratie zoodanige dative executeur is aangesteld; altyd wel verstaan, dat indien de non-productie van zoodanige acte, bevorens de brieven van administratie zyn verleend aan den dativen executeur, veroorzaakt is door de fout of het verzuim van den persoon daarin aangesteld tot testamentairen executeur, zoodanig persoon personeel aansprakelyk zal zyn voor de kosten welke zyn gemaakt ten aanzien van, en met betrekking tot de aanstelling van den dativen executeur.

XXVII. En wordt verder vastgesteld, dat ieder dative executeur, voor het hem zal vergund zyn de administratie te aanvaarden, securiteit zal moeten stellen, ten genoegen van den Meester van het Hooge Geregtshof, voor de behoorlyke en trouwe administratie van den boedel tot welks dative executeur hy is aangesteld, voor zulk bedragen als in de omstandigheden van ieder byzonder geval redelyk zal schynen.

XXVIII. En wordt verder vastgesteld, dat ieder executeur, het zy testamentair of datief, zoodra de brieven van administratie, in maniere hierboven, aan hem zullen verleend zyn, dadelyk eenen inventaris zal moeten maken van alle eigendommen, goederen en effecten, roerend en onroerend, van welken aard ook, behoorende tot, of vormende een deel van den boedel, tot welks administratie zoodanig executeur zal zyn aangesteld, en op gelyke wyze, van tyd tot tyd, daarna, en zoo spoedig als zoodanig executeur zal vinden of kennis krygen van eenig ander zoodanig eigendom, goederen of effecten, behoorende tot, of vormende een deel van den boedel, en niet vervat in zoodanigen eerstvermelden inventaris, een additionele inventaris of inventarissen zal moeten maken van alle zoodanige laatstgemelde eigendommen, goederen en effecten. En ieder zoodanig executeur, het zy testamentair of datief, zal dadelyk iederen zoodanigen inventaris en additionelen inventaris doen inzenden aan het bureau van den gem. Meester. En wanneer eenige zoodanige additionele inventaris zal worden ingezonden door eenigen dativen executeur, zal hy zoodanige verdere securiteit als voormeld moeten stellen als van hem zal gevorderd worden: Altyd wel verstaan, dat wanneer de persoon door wien eenig testamentair executeur zal zyn aangesteld, by eenige acte behoorlyk door hem geëxecuteerd, zal hebben bepaald, dat zoodanig testamentair executeur geen' zoodanigen inventaris of additionelen inventaris als voormeld aan het bureau van den gem. Meester zal moeten inzenden, dan en in ieder zoodanig geval, zal geen zoodanig executeur behoeven,—en dat de langstlevende van twee echte lieden, getrouwd in gemeenschap van goederen, aan wien de eerstoverleden echtgenoot wettiglyk alle aandeel in den gem. gemeenschappelyken boedel, behoorende aan zoodanig eerstoverleden echtgenoot, zal hebben vermaakt, of wien de eerstoverledene by testament of ander wettig instrument zal hebben aangesteld tot den executeur van zynen of haren uitersten wil, en tot voogd van zyne of hare minderjarige kinderen, en tot boedelhouder van den gem. gemeenschappelyken boedel, gedurende de minderjarigheid van zoodanige kinderen, zal in geen geval behoeven—aan het bureau van den gem. Meester in te zenden of te produceren eenigen zoodanigen inventaris als voormeld, behalve wanneer eene order voor de productie daarvan zal worden gemaakt door het Hooge Geregtshof of eenig Regter daarvan, wanneer genoegzame reden voor de productie van denzelven zal worden getoond door den Meester, of door eenig persoon belang hebbende in den gem. gemeenschappelyken boedel; niettegenstaande alles wat daarmede strydig hierin moge vervat zyn.

XXIX. En wordt verder vastgesteld, dat indien voor het verleenen van brieven van administnatie door den Meester van het Hooge Geregtshof aan eenigen executeur of executeuren, testamentair of datief, voor de administratie van eenigen boedel, eenig persoon zal op zich nemen zoodanigen boedel of eenig deel daarvan te administreren, te verdeelen, of op eenige wyze over denzelven te beschikken, behalve in zoo verre noodig is voor de veilige bewaring of preservatie van denzelven, of voor het voorzien van eene passende begrafenis voor den overledenen, of voor het onderhoud van het huisgezin, of de familie, of de levende have, door den overledenen nagelaten: of indien eenig persoon aan wien brieven van administratie zullen zyn verleend als executeur testamentair of datief, zal administreren, verdeelen, of in eenige maniere beschikken over eenig eigendom of goederen behoorende tot den boedel waarvan hy executeur is, en welke niet zyn vervat in den inventaris of inventarissen van zoodanigen boedel, gedeponeerd op het bureau van den gem. Meester, voor het verleenen van de gez. brieven van administratie, of welke niet zullen vervat zyn in eenigen additionelen inventaris of inventarissen door hem gemaakt en ingezonden overeenkomstig met de voorzieningen van het 28ste artikel van deze Ordonnantie; ieder zoodanig persoon daarop, en ten aanzien en uit reden van zoodanige onbehoorlyke administratie, distributie of beschikking van eenigen zoodanigen boedel, of van eenig deel daarvan, personeel zal worden en zyn verbonden tot de betaling, aan de crediteuren en legatarissen van den overledenen, van alle schulden door den overledenen tydens zyn overlyden verschuldigd, of welke daarna door den boedel zullen verschuldigd raken, en van alle legaten door den overledenen vermaakt, in zoo verre de opbrengst en goederen van den boedel niet voldoende zullen zyn voor de volle betaling van alle zoodanige schulden en legaten: Met dien verstande altyd, dat wanneer eenig persoon, die zal worden geprosequeerd voor de betaling van eenige schuld of legaat, waartoe hy zich in maniere hierboven omschreven verbonden zal hebben gemaakt, ten genoegen van het Hof voor hetwelk hy zal worden geprosequeerd zal aantoonen, dat het ware bedragen en de zuivere waarde van het eigendom, werkelyk en behoorlyk door hem geadministreerd, gedistribueerd of gedisponeerd, eene zekere som niet is te bovengegaan, en dat zyne administratie, distributie, of dispositie daarvan niet frauduleus is geweest, dan en in ieder zoedanig geval, zal ieder zoodanig persoon alleen personeel verbonden zyn voor het bedragen van zoodanige som, of van zoodanige deel daarvan, als hy niet zal kunnen bewyzen dat verdeeld of gedisponeerd is op zoodanige wyze, en tot zulke einden, en op zulke wyze, als het volgens regten moest zyn verdeeld of gedisponeerd, en voor de kosten, welke door hem zyn gemaakt in en ten aanzien van zoodanig proces, zoowel als voor het bedragen van de getaxeerde kosten gemaakt in en ten aanzien van zoodanig proces door den eischer in hetzelve,—niettegenstaande dat zoodanige eischer, om reden dat de personele verbindtenis van zoodanig persoon in maniere voormeld is beperkt, van zoodanig persoon geen deel zal hebben bekomen van de schuld of het legaat waarvoor hy heeft geprosequeerd.

XXX. En wordt verder vastgesteld, dat ieder executeur, het zy testamentair of datief, zoodra hy de administratie van eenigen boedel zal hebben aanvaard, dadelyk in de Courant dezer Kolonie, en op zoodanige andere manier als raadzaam zal worden bevonden, eene kennisgeving zal moeten doen publiceren, oproepende de crediteuren en alle anderen die vorderingen tegen den gem. boedel hebben, om dezelve in te dienen by zoodanigen executeur, binnen zoodanigen tyd na dato daarvan als daarin zal bepaald worden, zynde niet minder dan zes weken, en niet meer dan vier kalender maanden, naar mate zoodanig executeur in de byzondere omstandigheden van ieder geval zal raadzaam oordeelen.

XXXI. En wordt verder vastgesteld, dat het niemand zal vrystaan, die het vonnis van eenig Geregtshof heeft bekomen tegen eenig overleden persoon, gedurende deszelfs leven, of tegen deszelfs executeur of executeuren, in eenige actie of proces begonnen tegen zoodanigen executeur, of dat hangende geweest zynde tegen den overledenen tydens deszelfs overlyden, daarna zal zyn voortgezet tegen den executeur of executeuren van zoodanig persoon, eenig decreet te vorderen of te bekomen in executie van zoodanig vonnis, voor het verloop van den tyd als voormeld in de Courant aangekondigd. En mede, dat het geen zoodanig persoon als voorm. zal vrystaan, eenig decreet te vragen of te bekomen in executie van eenig vonnis als voormeld, binnen zes maanden van den tyd waarop de brieven van administratie zullen zyn verleend aan den executeur of executeuren tegen welke de executie van zoodanig vonnis wordt verzocht, zonder eerst eene order van het Hooge Geregtshof of van eenig Regter daarvan te hebben bekomen, voor het uitvaardigen van zoodanig decreet.

XXXII. En wordt verder vastgesteld, dat by de expiratie van den tyd aangekondigd in de Courant in maniere als hierboven is voorzien, ieder zoodanig executeur of executeuren als voormeld dadelyk zal of zullen moeten overgaan tot het rangschikken, volgens derzelver wettige orde van preferentie, van alle zoodanige schulden en vorderingen tegen den overledenen of deszelfs boedel, welke by hen zyn ingezonden of van welks bestaan zy kennis zullen dragen, en dezelve uitbetalen en aflossen, zoo spoedig als de noodige fondsen tot dat

einde uit den boedel zullen zyn gerealiseerd. En indien de opbrengst van zoodanigen boedel ongenoegzaam zal worden bevonden voor de betaling van alle regtmatige en valide vorderingen tegen denzelven, zal of zullen de executeur of executeuren gehouden zyn te betalen aan een ieder, die eenige zoodanige regtmatige vordering heeft, het bedragen dat zoodanig persoon geregtigd zou zyn geweest te ontvangen, ten aanzien van zoodanige vordering, indien dezelve ware gerangschikt in de wettige orde van preferentie, in zoo verre als zoodanig executeur of executeuren binnen den gem. laatstvermelden tyd, of daarna, op eenigen tyd dat hy of zy kennis hadden van het bestaan van zoodanige vordering, zoodanig bedragen zal of zullen hebben betaald aan eenig persoon of personen, de betaling van wier vordering tegen den overledenen of deszelfs boedel, volgens de wettige orde van preferentie, had moeten uitgesteld zyn tot zoodanige regtmatige en valide vorderingen waren voldaan; reserverende altyd aan zoodanig executeur of executeuren het verhaal tegen den persoon of personen wier vorderingen dus onbehoorlyk zyn betaald: Altyd wel verstaan, dat wanneer zoodanige kennisgeving aan crediteuren als voorm. behoorlyk zal zyn gepubliceerd als voorm., geen crediteur of eischer tegen den boedel van eenig overleden persoon, die dezelve niet zal hebben ingezonden by den executeur of executeuren binnen zoodanigen tyd als voormeld, of daarna voor de verdeeling van het fonds des boedels, ten aanzien daarvan geregtigd zal zyn van eenig persoon, die eene regtmatige vordering tegen zoodanigen boedel heeft, te recouvreren de restitutie van eenig deel van eenig zoodanig fonds, dat aan zoodanig persoon ter afdoening daarvan zal betaald zyn, na het verloop van zoodanigen tyd, en voor de vordering van zoodanig persoon die restitutie zoekt, by den executeur of de executeuren was ingezonden, ofschoon, ter behoorlyker tyd zynde ingezonden, zoodanige laatstgemelde vordering, volgens de wettige orde van preferentie, preferent zou zyn geweest boven de vordering van den persoon aan wien zulke betaling te voren is gedaan; noch zal zoodanig persoon eenige vordering hebben tegen eenigen executeur of executeuren, ten aanzien van eenige zoodanige distributie als voormeld van het fonds van eenigen zoodanigen boedel gemaakt door hem of hen na verloop van zoodanigen tyd als voormeld en voor de vordering van zoodanig persoon aan den executeur of executeuren zal zyn bekend gemaakt.

XXXIII. En wordt verder verder vastgesteld, dat ieder executeur, het zy testamentair of datief, zoodra de boedel, onder zyne administratie, ten volle zal zyn beredderd en gedistribueerd, by den Meester van het Hooge Geregtshof, en by den Resident Magistraat van het distrikt waarin de boedel zal gelegen zyn, die zulks respectivelyk zullen moeten doen bewaren en op hun officie registreren, zal moeten inzenden eene volledige en ware afrekening van de geheele administratie en distributie van zoodanigen boedel. En een ieder die eenig belang heeft in zoodanigen boedel, zal en mag op eenigen tyd, na verloop van zes maanden na den dag waarop de brieven van administratie zyn verleend aan zoodanigen executeur of executeuren, hem of hen dagvaarden voor het Hooge Geregtshof of eenig Rondgaand Geregtshof, om reden aan te toonen waarom hy of zy zoodanige rekening als voormeld niet heeft ingezonden aan den gem. Meester en den gem. Resident Magistraat. En ieder executeur, die zal verzuimen zoodanige afrekening als hierin vermeld in te zenden, in maniere hierin omschreven, en die geene wettige en genoegzame verschooning zal hebben voor zoodanig verzuim, zal uit reden daarvan verbeuren alle aanspraak op alle leges en salarissen, welke hy anders zou geregtigd zyn geweest te ontvangen ten aanzien van de administatie van zoodanigen boedel.

XXXIV. En wordt verder vastgesteld, dat wanneer eenig persoon intestaat zal komen te sterven, wiens boedel, in zoo verre dezelve in deze Kolonie zal gelegen zyn, aan den Meester van het Hooge Geregtshof zal blyken beneden de waarde van £40 te zyn, dan en in ieder zoodanig geval, zal de gem. M. Leger, dienst doende in deze Kolonie, die zal sterven terwyl hy dus gebezigd is op of zal behooren tot den gem. staf, regement of corps.

XXXVI. En wordt verder vastgesteld, dat indien eenig persoon, die zal overlyden na den 1sten dag van Maart aanst. by eenigen uitersten wil, of by eenige andere acte van eenen testamentairen aard, onherroepen ten tyde van zyn overlyden, de Weeskamer, of den Meester van het Hooge Geregtshof zal hebben benoemd tot executeur van zynen boedel, dat dan en in ieder zoodanig geval, ieder zoodanig persoon zal worden aangezien als zynde overleden zonder eenigen executeur te hebben aangesteld, en zullen gelyke stappen worden genomen voor en ten aanzien van het aanstellen van eenen executeur voor de bereddering en verdeeling van zoodanigen boedel, als zouden moeten worden genomen onder en uit kracht van de voorzieningen dezer Ordonnantie, indien geene zoodanige acte door zoodanig overleden persoon ware geëxecuteerd.

XXXVII. En wordt verder vastgesteld, dat de wet ten aanzien van de pligten, vermogens, regten, relieven, verantwoordelykheid van executeuren, en ten aanzien van en betreffende de administratie door den langstlevenden van twee echte lieden van den gemeenschappelyken boedel van twee zoodanige echte lieden, gedurende de minderjarigheid van de kinderen van den eerstoverledenen, (Boedelhouderschap,) van kracht binnen deze Kolonie voor het passeren van deze Ordonnantie, behalve in zoo verre dezelve expresselyk by de voorzieningen dezer Ordonnantie zyn veranderd of herroepen, in volle kracht en werking zullen blyven, op gelyke manier als of deze Ordonnantie niet ware gemaakt, niettegenstaande iets ter contrarie hierin moge zyn vervat, altyd wel verstaan, dat ieder executeur, het zy testamentair of datief, ten aanzien van de beheering, verdeeling en finale afrekening des boedels, gerechtigd zal zyn te vorderen, te ontvangen of uit de goederen van zoodanigen boedel terug te houden, of van eenig persoon die, als erfgenaam, legataris of [illegible] tigd zal zyn tot het geheel of tot [illegible] nigen boedel, alleen zoodanige leges en salaris te ver-

No. 105.

(Get.) G. LOWRY COLE.

ORDONNANTIE

Van Zyne Excellentie den Gouverneur in Rade,

Tot het voorzien in de behoorlyke administratie en het bestuur van de Boedels en het Eigendom van Minderjarigen, Krankzinnigen en Personen afwezend buiten de Kolonie, en voor het dragen van behoorlyke zorg voor de Personen van Minderjarigen en Krankzinnigen.

NADEMAAL is vastgesteld by Z. M. Koninklyk Charter van Justitie, gedateerd te Westminster op den 4den dag van Mei 1832, dat de Weeskamer binnen deze Kolonie zal worden afgeschaft, en dat de pligten welke tot nu toe zyn verrigt door de gem. Weeskamer, in het vervolg zullen worden verrigt door den Meester in der tyd van het Hooge Geregtshof; en nademaal de administratie van de boedels en het eigendom van minderjarigen, en in zekere gevallen van personen afwezend uit de Kolonie, en de zorg voor de personen van minderjarigen, voormaals een deel uitmaakte van de pligten van de gem. Weeskamer; en nademaal by de Ordonnantie No. 103, de regulatien, volgens welke zoodanige pligten werden volbragt door de gem. Weeskamer, van en na den 1sten dag van Maart aanst. zyn herroepen, en het nu noodig is te voorzien voor de behoorlyke administratie en beheering van de boedels en het eigendom van minderjarigen, krankzinnigen, en in zekere gevallen van personen uit deze Kolonie afwezend, en mede voor de behoorlyke zorg voor de personen van minderjarigen en krankzinnigen;—Zoo wordt derhalve vastgesteld door Zyne Excellentie den Gouverneur in Rade, dat het van en na den 1sten dag van Maart aanst. niemand zal vrystaan, behalve den vader van eenigen minderjarigen, of de moeder van eenigen minderjarigen, wiens vader overleden is, by eenig testament of andere acte eenigen voogd of voogden aan te stellen of te benoemen voor het administreren en beheeren van den boedel of het verzorgen van den persoon van zoodanigen minderjarigen: Met dien verstande altyd, dat niets hierin vervat zal strekken, of gerekend worden te strekken, om iemand te beletten, die eenig eigendom zal geven of vermaken aan eenig persoon, om eenen curator of curatoren aan te stellen om zoodanig eigendom te besturen en te beheeren gedurende de minderjarigheid of gedurende den duur van de krankzinnigheid van den persoon aan wien hetzelve zal zyn gegeven of vermaakt, in gelyke manier en even volledig in alle opzigten, als wettiglyk zou hebben gedaan kunnen worden voor het passeren dezer Ordonnantie; en dat alle curatoren, dus aangesteld voor eenig zoodanig einde, zullen worden genoemd en in regten bekend zyn by den naam van *benoemde curatoren*.

II. En wordt verder vastgesteld, dat alle voogden, benoemd en aangesteld door vaders of moeders, in maniere voorzegd, over hunne minderjarige kinderen, zullen worden genoemd en in regten bekend zyn by den naam en titel van *testamentaire voogden*, het zy zoodanige voogden zyn aangesteld en benoemd by uitersten wil, of by eenige andere acte behoorlyk geëxecuteerd door zoodanige vaders of moeders; en dat geen testamentair voogd de administratie van den boedel of het eigendom van eenigen minderjarigen zal mogen aanvaarden, behalve in zoo verre als noodig zal zyn voor de preservatie en veilige bewaring daarvan, tot dat brieven van confirmatie aan hem zullen verleend zyn door den Meester van het Hooge Geregtshof, in den vorm der Schedul hier annex, gemerkt A.

III. En wordt verder vastgesteld, dat de Meester van het Hooge Geregtshof, op aanzoek by hem, in geschrifte, tot dat einde gemaakt, brieven van confirmatie als testamentairen voogd zal moeten verleenen aan ieder persoon wettiglyk benoemd en aangesteld tot testamentairen voogd over eenigen minderjarigen, door eenige valide acte, geproduceerd door zoodanig persoon, benevens zyne applicatie, of welke te voren ten burele van den gem. Meester zal zyn geregistreerd onder en uit kracht van de voorzieningen der Ordonnantie No. 104. En het zal een ieder vrystaan, die zal aangesteld zyn tot testamentairen voogd over eenigen minderjarigen, by eenigen wil, codicil, of ander testamentair instrument, dat zoodanig persoon onder en uit kracht van de voorzieningen der Ordonnantie No. 104 gelast is in te zenden of te doen inzenden aan het bureau van den gem. Meester, benevens zoodanige acte aan den Meester te doen toekomen een aanzoek om brieven van confirmatie als testamentairen voogd. En wanneer het ter kennis van den gem. Meester zal komen, dat eenig persoon, die behoorlyk benoemd en aangesteld is, by eenige valide acte, tot testamentairen voogd, geen aanzoek heeft gedaan om brieven van confirmatie, zal de gem. Meester zoodanig persoon schriftelyk moeten requireren hem te berigten of hy genegen is te ageren als zoodanigen testamentairen voogd, en indien hy daarin zal toestemmen, hem daarmede overeenkomstig brieven van confirmatie te verleenen: Met dien verstande altyd, dat geene brieven van confirmatie als testamentairen voogd zullen mogen worden verleend aan eenig persoon die op dien tyd in regten onbekwaam of onbevoegd zal zyn het ambt van voogd waar te nemen.

IV. En wordt verder vastgesteld, dat geen benoemde curator de administratie of de beheering van zoodanigen boedel of van zoodanig eigendom zal mogen aanvaarden of op zich nemen, behalve in zoo verre als noodig zal zyn voor de preservatie en veilige bewaring van denzelven, tot dat brieven van confirmatie hem zullen zyn verleend door den Meester van het Hooge Geregtshof. En tot het verleenen van zoodanige brieven van confirmatie, zullen zoodanige stappen kunnen en mogen worden genomen, door eenig zoodanig persoon, en door den Meester, in gelyke maniere in alle opzigten als hierboven is voorzien by het 3de artikel van deze Ordonnantie, ten aanzien van het verleenen van brieven van confirmatie aan testamentaire voogden, en zoodanige brieven zullen moeten zyn in den vorm vervat in de Schedul annex, gemerkt B.

V. En wordt verder vastgesteld, dat het Hooge Geregtshof of eenig Regter van hetzelve geregtigd zal zyn, op aanzoek van den Meester van hetzelve, of van eenig nabestaande of van eenig persoon belang hebbende in de behoorlyke administratie van den boedel of het eigendom van eenigen minderjarigen, in ieder geval waarin, voor het passeren dezer Ordonnantie, eenig testamentair voogd kon worden gedwongen te geven securiteit *rem pupilli salvam fore*, eene order te maken dat brieven van confirmatie niet zullen worden verleend aan eenigen zoodanigen testamentairen voogd of benoemden curator, tot dat hy securiteit zal hebben gesteld, ten genoegen van den gem. Meester, tot zoodanig bedragen, als onder de omstandigheden van ieder zoodanig geval redelyk zal schynen, voor de behoorlyke en trouwe administratie en beheering van zoodanigen boedel of eigendom.

VI. En wordt verder vastgesteld, dat in ieder geval waar het ter kennis van den Meester van het Hooge Geregtshof zal komen, dat eenige boedel of eigendom binnen deze Kolonie vervallen is op, of zal komen in het bezit van eenigen minderjarigen, zynde binnen deze Kolonie, en op dien tyd niet zynde onder de natuurlyke voogdyschap van zynen of haren vader of moeder, of van eenen voogd of voogden testamentair, behoorlyk bevestigd, dan en in ieder zoodanig geval, zal de gem. Meester, behalve wanneer het ter zyner kennisse zal komen dat een testamentaire voogd of voogden over zoodanigen minderjarigen behoorlyk is of zyn aangesteld en benoemd by eene valide acte (in welk geval hy zal moeten te werk gaan in maniere tot dat einde voorzien by het 3de artikel van deze Ordonnantie,) in de

Courant dezer Kolonie, en op zoodanige andere wyze als hy gepast zal oordeelen, een edict doen publiceren, oproepende de bloedverwanten van den minderjarigen, zoo wel van vaders als van moeders zyde, om op zyn bureau byeen te komen op den dag daarin vermeld, niet zynde minder dan drie weken, noch meer dan acht weken na den dag van de publicatie van hetzelve, om brieven van confirmatie te zien verleenen aan zoodanige personen daarby aangesteld door hem tot dativen voogd of voogden van zoodanigen minderjarigen: Met dien verstande altyd, dat wanneer zulks den gem. Meester noodig of raadzaam zal voorkomen, het denzelven zal vrystaan, de nabestaanden van zoodanigen minderjarigen, zoo wel van vaders als van moeders zyde, by zoodanige kennisgeving op te roepen, om byeen te komen op het bureau van eenigen Resident Magistraat, op den tyd daarin vermeld, ten einde alle objectien te melden welke kunnen bestaan tegen het aanstellen van iemand der naaste bloedverwanten of ander persoon als dativen voogd, of om eenig persoon of personen voor te stellen om door zoodanigen Resident Magistraat aan den Meester te worden gerapporteerd als geschikt en bekwaam om door hem te worden aangesteld als dativen voogd of voogden. En de gem. Meester zal in de Byeenkomst dus te worden gehouden op zyn bureau, of by de ontvangst van het rapport van zoodanigen Resident Magistraat, zoodanig persoon of personen aanstellen als hem geschikt en bekwaam zullen voorkomen om te zyn de dative voogd of voogden van zoodanigen minderjarigen, en hem of hen brieven van confirmatie als zoodanig moeten verleenen, ten zy hy het noodig of raadzaam zal oordeelen zoodanige aanstelling uit te stellen en eene andere of andere zoodanige byeenkomst of byeenkomsten als voormeld te beroepen. En mede wel verstaan, dat wanneer eenig zoodanig minderjarige niet zal bezitten of aanspraak hebben op eenigen anderen boedel of eigendom, behalve zoodanige als hem zullen zyn gegeven of vermaakt door eenig persoon die behoorlyk eenen benoemden curator of curatoren heeft aangesteld om hetzelve te administreren en te beheeren gedurende de minderjarigheid van zoodanigen minderjarigen, zal het niet noodig zyn dat de gem. Meester zoodanige stappen als voormeld zal nemen tot het aanstellen van eenen dativen voogd en zullen geene zoodanige stappen door hem tot dat einde worden genomen.

VII. En wordt verder vastgesteld, dat wanneer het noodig zal zyn eenen dativen voogd aan te stellen voor eenigen minderjarigen in manier hierboven voorzien, de Meester van het Hooge Geregtshof als dative voogd of voogden zal moeten aanstellen de moeder, benevens een of twee of meer der naaste mannelyke nabestaanden, van vaders of moeders zyde, van zoodanigen minderjarigen, die den ouderdom van 21 jaren hebben bereikt en genegen zyn als zoodanig te ageren: Altyd wel verstaan, dat wanneer het den Meester, of aan het Hooge Geregtshof, of aan eenig Regter van hetzelve, by het herzien van de aanstelling van den Meester, zal blyken, dat er eenige valide objectie tegen de aanstellling bestaat van allen of van eenigen van zoodanige nabestaanden om te zyn den dativen voogd of voogden van zoodanigen minderjarigen, zal zoodanig verwerpelyk persoon of personen worden voorby gegaan, en eenig ander geschikt en bekwaam persoon of personen, zullen door den gem. Meester of door zoodanig Geregtshof of Regter moeten worden aangesteld als dativen voogd of voogden. En mede wel verstaan, dat iedere zoodanige aanstelling, dus gemaakt door den gem. Meester, op aanzoek van eenigen der nabestaanden, hetzy van vaders of moeders zyde, van, of van den curator of curatoren benoemd van eenigen boedel of eigendom behoorende aan zoodanigen minderjarigen, zal kunnen worden herzien en bevestigd, of ter zyde gesteld door het Hooge Geregtshof of door eenig Regter van hetzelve; en zoodanig Geregtshof of Regter, door wien eenige zoodanige aanstelling wordt ter zyde gezet, zal en kan eenig ander geschikt en bekwaam persoon of personen aanstellen om den dativen voogd of voogden van zoodanigen minderjarigen te zyn.

VIII. En wordt verder vastgesteld, dat niets hierin vervat zich zal strekken, of gerekend worden te strekken, om eenigen testamentairen voogd of voogden van eenigen minderjarigen, of eenigen benoemden curator of curatoren van eenigen boedel te beletten, respectivelyk eenig ander persoon te assumeren als voogd of voogden van zoodanigen minderjarigen, of curator of curatoren van zoodanigen boedel, onder en uit kracht van eenige vermogens hem of hen toevertrouwd by uitersten wil of eenige andere acte, behoorlyk geëxecuteerd door een persoon door wien zoodanig testamentair voogd of voogden of benoemde curator of curatoren is of zyn aangesteld: Altyd wel verstaan, dat niemand gekwalificeerd of bevoegd zal zyn te fungeren als geassumeerden voogd of curator, voor dat brieven van confirmatie als zoodanig hem door den Meester van het Hooge Geregtshof zullen verleend zyn, die by deze wordt gelast en gerequireerd dezelve te verleenen, op vertooning aan hem van den wil of andere acte, waarby de assumptie van zoodanigen voogd of curator is verooorloofd, en van de acte, waarby zoodanige testamentaire voogd of voogden, of benoemde curator of curatoren, respectivelyk zoodanig persoon hebben geassumeerd als voogd of curator. En iedere voorziening van deze, en iedere andere Wet of Ordonnantie toepasselyk op, of betrekking hebbende tot, of betreffende dative voogden of curatoren, zal worden geoordeeld en gerekend te zyn en toepasselyk zyn op, en betrekking hebben tot, en betreffen iederen zoodanigen voogd of curator respectivelyk, dus geassumeerd.

IX. En wordt verder vastgesteld, dat wanneer uit reden dat eenige voogd van eenigen minderjarigen, het zy testamentair of geassumeerd, of eenige curator van eenigen boedel, het zy benoemd of geassumeerd, aan wien brieven van confirmatie zullen zyn verleend, zal zyn overleden, of onbekwaam geworden om als zoodanig te ageren, of van zyn ambt ontzet zal zyn by decreet van eenig bevoegd Geregtshof, en er, voor de voogdyschap van zoodanigen minderjarigen, of voor de administratie en beheering van zoodanigen boedel, geen voogd of curator in het geheel zal overblyven, of niet zoo vele voogden, het zy testamentair of geassumeerd, of curatoren benoemd of geassumeerd, als by de acte by welke zoodanige voogden of curatoren respectivelyk zyn aangesteld, of derzelver assumptie veroorloofd, vereischt worden om een quorum van voogden of curatoren voor de voogdyschap van zoodanigen minderjarigen, of voor de administratie en beheering van zoodanigen boedel uit te maken,—en wanneer het zal gebeuren dat eenige dative voogd, na dat brieven van confirmatie aan hen zullen verleend zyn, zal komen te sterven, of onbekwaam worden of geremoveerd worden in maniere voormeld, dan en in ieder zoodanig geval, zal de Meester van het Hooge Geregtshof stappen moeten nemen voor de aanstelling van eenen dativen voogd in de plaats van den persoon dus gestorven, onbekwaam geworden, of geremoveerd, op gelyke manier in alle opzigten als hierboven is voorzien by de voorzieningen van de 6de en 7de artikelen dezer Ordonnantie.

X. En wordt verder vastgesteld, dat brieven van confirmatie verleend aan eenig persoon als testamentairen voogd, of benoemden curator, van den boedel van eenigen minderjarigen, ten allen tyde zullen kunnen worden herroepen en vernietigd by het decreet van het Hooge Geregtshof, of van eenig Rondgaand Geregtshof, op bewys, ten genoegen van zoodanig Hof, dat de acte, uit kracht van welke zoodanige brieven aan zoodanige persoon zyn verleend, nul is, of herroepen is, hetzy in deszelfs geheel, of in zoo verre als betrekking heeft tot de aanstelling van zoodanigen voogd of curator, en dat brieven van confirmatie verleend aan eenig persoon als dativen voogd ten allen tyde zullen kunnen worden herroepen en vernietigd by order van den Meester van het Hooge Geregtshof, op productie aan hem van eenige valide acte waarby eenig ander persoon, die dan in regten bevoegd en gekwalificeerd zal zyn, en die zal toestemmen te ageren als voogd, wettiglyk zal zyn aangesteld tot testamentairen voogd van den minderjarigen

voor wien zoodanigen dativen voogd zal zyn aangesteld: Met dien verstande altyd, dat indien de nonproductie van zoodanige acte, voor het verleenen van de brieven van confirmatie aan den dativen voogd, veroorzaakt is door de schuld of het verzuim van den persoon daarin aangesteld tot testamentairen voogd, zoodanig persoon personeel verbonden zal zyn voor al de kosten welke zyn gemaakt ten aanzien van, en met betrekking tot de aanstelling van den dativen voogd.

XI. En wordt verder vastgesteld, dat in ieder geval waar het ter kennisse van den Meester van het Hooge Geregtshof zal komen, dat eenige boedel of eigendom binnen deze Kolonie, (niet zynde een boedel of eigendom voor welks administratie en beheering eenen benoemden voogd behoorlyk is aangesteld in maniere hierboven gemeld,) is vervallen op, of zal komen te behooren aan eenig krankzinnig of lunatiek persoon, zynde binnen deze Kolonie, en niet alreeds zynde onder de voogdyschap van eenig persoon wettiglyk aangesteld als zynen dativen curator, dan en in ieder zoodanig geval, zal de Meester van het Hooge Geregtshof aan het bevoegde Geregtshof aanzoek moeten doen om eenig geschikt en bekwaam persoon of personen aan te stellen, om te zyn de curator of de curatoren van zoodanig krankzinnig persoon, en eene order uit te maken voor de veilige bewaring van zoodanig krankzinnig persoon; en ieder zoodanig aanzoek zal moeten worden gedaan door den Meester, en iedere zoodanige order en aanstelling zal moeten geschieden door zoodanig Hof, in gelyke manier in alle opzigten als zulks volgens de wet moest worden gedaan voor het passeren dezer Ordonnantie. En alle curatoren dus aangesteld over eenige krankzinnige personen, zullen worden genoemd en in regten bekend zyn by den naam en titel van dative curatoren. Met dien verstande altyd, dat niets hierin vervat zal strekken, of gerekend worden te strekken, om eenig persoon, behalve den gem. Meester, te beletten, zoodanig aanzoek te doen om de aanstelling van eenen dativen curator over eenig krankzinnig persoon, op gelyke wys als zou kunnen gedaan zyn volgens de wet door eenig zoodanig persoon, voor het passeren dezer Ordonnantie. En mede wel verstaan, dat het den gem. Meester of ieder ander persoon zal vrystaan, ten allen tyde aanzoek te doen by eenig bevoegd Geregtshof, om eene order uit te maken voor de veilige bewaring van eenig krankzinnig persoon, ofschoon zoodanig krankzinnig persoon niet zal bezitten of geregtigd zyn tot eenigen boedel of eigendom, en ofschoon eenig eigendom of boedel, welken hy zal bezitten of waartoe hy geregtigd zal zyn, zal zyn onder de administratie en beheering van eenigen benoemden curator of curatoren behoorlyk tot dat einde aangesteld.

XII. En wordt verder vastgesteld, dat wanneer, nadat eenig persoon by decreet van eenig bevoegd Geregtshof zal bevonden en verklaard zyn krankzinnig te wezen, en dat eenen dativen curator over hem zal zyn aangesteld, of eene order zal zyn uitgemaakt voor zyne veilige bewaring, het zal gebeuren, dat de dative curator van zoodanigen krankzinnigen, of de benoemde curator van eenigen boedel of eigendom dat aan zoodanig persoon gegeven of vermaakt is, zal komen te overlyden of onbekwaam worden om als zoodanig te ageren, of by decreet van eenig bevoegd Geregtshof worden geremoveerd, dan en in ieder zoodanig geval, zullen stappen voor de aanstelling van eenen dativen curator over zoodanig krankzinnig persoon, in de plaats van den persoon dus onbekwaam geworden, overleden of geremoveerd, door den Meester van het Hooge Geregtshof moeten genomen worden, in gelyke maniere in alle opzigten als hierboven bepaald is by de voorzieningen van de 6de en 7de artikelen dezer Ordonnantie, ten aanzien van de aanstelling van dative voogden voor minderjarigen.

XIII. En wordt verder vastgesteld, dat in ieder geval waarin het ter kennis van den Meester van het Hooge Geregtshof zal komen, dat, ingevolge het overlyden van eenig persoon, eenige boedel of eigendom is vervallen op of aangekomen tot eenig persoon afwezend buiten deze Kolonie, en geen wettige vertegenwoordiger binnen dezelve hebbende, dan en ieder zoodanig geval, zal de gem. Meester in de Courant dezer Kolonie, en op zoodanige andere wyze als hy geschikt zal oordeelen, een edict doen publiceren, allen wien het moge aangaan oproepende, om byeen te komen op zyn bureau op den tyd daarin bepaald, niet zynde minder dan zes weken van den dag van de publicatie van hetzelve, om brieven van confirmatie te zien verleenen aan zoodanig persoon die door hem zal worden benoemd als dativen curator voor den boedel of het eigendom van dusdanig afwezig persoon. En de gem. Meester zal, by de byeenkomst dus aan zyn kantoor gehouden, eenig geschikt en bekwaam persoon verkiezen om te zyn zoodanigen dativen curator als voormeld: Met dien verstande altyd, dat wanneer het eenige eigendom dat de gem. Meester weet dat aan zoodanig afwezend persoon toekomt, bestaat uit eene som of sommen gelds, welke hem verschuldigd zyn of moeten worden betaald door den executeur van eenig overleden persoon, of door den curator in den gesekwestreerden boedel van eenig overleden persoon, het niet noodig zal zyn dat de gem. In the joint and separate Insolvent Estates of JOHANNES CHRISTOFFEL FLECK, THOMAS LE BRETON, *and* EDWARD JENNER JERRAM, *trading under the Firms of* FLECK, LE BRETON, & JERRAM, *and* LE BRETON & JERRAM.

On MONDAY, the 31st MARCH, 1834, at 10 o'Clock in the Forenoon precisely,

WILL BE SOLD BY AUCTION,

PEREMPTORILY TO THE HIGHEST BIDDER,

ON THE PREMISES,

Before a Special Commissioner,

BY ORDER OF THE SUPREME COURT,

IN FIVE LOTS,

ALL that very eligible and desirable Property, called "THE CAPE BREWERY," situate in Bree-street, in the vicinity of the new Wharf, formerly the Property of Messrs. FLECK, LE BRETON, and JERRAM, consisting of the BREWERY, BUILDINGS, AND PLANT, very excellent Stores adjoining, and two Dwelling Houses. A part of this Property has been recently erected at great expense, upon the most approved principles; the Machinery and Implements are of the best description; and the Property as a whole constitutes, unquestionably, the most complete Establishment for a public Brewery that has ever been erected in this Colony.

Lot 1, (marked D. in the Diagram,) consists of a very neat and comfortable Dwelling House, of two Stories, containing on the Ground Floor, a commodious sitting Room and dining Room, a Kitchen and Yard, with back Entrance; and on the upper Storey, three bed Rooms. This Lot is now let to a respectable Tenant, at Rds. 40 per Month.

Lot 2, (marked E. in the Diagram,) is a small Dwelling House at the back of Lot 1, containing three Rooms, a Yard, and Servant's Apartment, now let to a monthly Tenant, at Rds. 20 per Month.

Lot 3, (marked C. in the Diagram,) comprises two very excellent Stores, about 86 feet long and 21 wide, fitted up with a Counting-House, Malting Floor, Bins, Stillions, and other Conveniences. The lower Store is paved throughout.

Lot 4, (marked B. in the Diagram,) consists of two Stores of the same extent as those comprising Lot 3, with a Malting Floor, Stillions, and other Fixtures, and paved throughout below. These Stores communicate with the Brewery, and will form a very valuable Appendage to the next Lot.

Lot 5, (marked A. in the Diagram.) This very valuable Lot comprises the whole of the Brewery and fixed Plant, and consists of a Brew House very recently erected of Brick and Timber, on the most approved principles with respect to ventilation and its general arrangements, containing eight Liquor Vats, a 500-gallon Copper, which, from the mode in which it has been fixed, is heated at a very small expense of fuel; a Mash Tub, a Hop Back, two under Backs, three gyle Tuns, three worm Tubs or Refrigerators, with Water Pipes for leading the Water to the whole of the Machinery, so that the whole process of Brewing from the coming in of the Liquor to the drawing off the Beer is conducted with simplicity, ease, and the smallest expense of manual labor. There is attached to the under Backs, a forcing Pump on an improved principle, and an additional Pump with metal Valves, as an auxiliary in case of accident. At the lower part of this Lot is a Malt Kiln, with an Iron Floor, to which Water is laid on for wetting the Barley, and two Liquor Vats, with Water Pipes leading to the DISTILLERY. This part of the Plant contains two Stills completely fitted up, one of which works as a Water Bath, and the other by Steam. There are two excellent Pewter Worms attached to these Stills, and four improved Copper Condensers. A Steaming Apparatus has been constructed for conveying Steam from the Distillery for cleansing Casks. A two-stalled Stable, Malting Floor, Coopers' Shop, floored, and a working Shed, are also comprised in the lower part of this Lot. The upper Yard contains seven Liquor Vats on Stillions, and affords convenient space for seasoning Casks and out-door stowage. The whole of this Lot is paved throughout; is surrounded with a high and substantial Stone Wall, and has an equally good one running through the centre.

These 5 Lots will be first put up by the rise and fall, and sold separately in the usual manner; then Lots 4 and 5 will be put up together by the fall only; and afterwards Lots 3, 4, and 5, in the same manner, and finally the whole of the five Lots will be put up together by the fall.

After the Sale of the above Landed Property and fixed Plant, the following moveable Property will be sold by Public Auction, peremptorily to the highest Bidder, viz:

About 40 Tons of Stone Coals, Store Casks, Hogsheads, Half-aums, Ankers, various descriptions of Tubs, Buckets, &c. A large quantity of empty Bottles, many of which are in their original packages, Bottle Baskets, spare Cocks, a quantity of Lead Pipe, two of the most-improved Saccharometers by *Bates*, which are very superior Instruments; an Hydrometer, several Thermometers, and a Bottling Machine, with the most recent improvements, which works four Bottles at once; also, a light Wagon, a Brewer's Cart, a Truck, Harness for two Horses, a quantity of Timber, &c.

In the joint and separate Insolvent Estates of JOHANNES CHRISTOFFEL FLECK, THOMAS LE BRETON, *and* EDWARD JENNER JERRAM, *trading under the Firms of* FLECK, LE BRETON, & JERRAM, *and* LE BRETON & JERRAM.

On THURSDAY, the 3d APRIL, 1834, at 10 o'Clock in the Forenoon precisely,

WILL BE SOLD BY AUCTION,

PEREMPTORILY TO THE HIGHEST BIDDER,

ON THE PREMISES,

Before a Special Commissioner,

BY ORDER OF THE SUPREME COURT,

IN FIVE LOTS,

ALL that very eligible and desirable Property, called "THE CAPE BREWERY," situate in Bree-street, in the vicinity of the new Wharf, formerly the Property of Messrs. FLECK, LE BRETON, and JERRAM, consisting of the BREWERY, BUILDINGS, AND PLANT, very excellent Stores adjoining, and two Dwelling Houses. A part of this Property has been recently erected at great expense, upon the most approved principles; the Machinery and Implements are of the best description; and the Property as a whole constitutes, unquestionably, the most complete Establishment for a public Brewery that has ever been erected in this Colony.

Lot 1, (marked D. in the Diagram,) consists of a very neat and comfortable Dwelling House, of two Stories, containing on the Ground Floor, a commodious sitting Room and dining Room, a Kitchen and Yard, with back Entrance; and on the upper Storey, three bed Rooms. This Lot is now let to a respectable Tenant, at Rds. 40 per Month.

Lot 2, (marked E. in the Diagram,) is a small Dwelling House at the back of Lot 1, containing three Rooms, a Yard, and Servant's Apartment, now let to a monthly Tenant, at Rds. 20 per Month.

Lot 3, (marked C in the Diagram,) comprises two very excellent Stores, about 86 feet long and 21 wide, fitted up with a Counting-House, Malting Floor, Bins, Stillions, and other Conveniences. The lower Store is paved throughout.

Lot 4, (marked B. in the Diagram,) consists of two Stores of the same extent as those comprising Lot 3, with a Malting Floor, Stillions, and other Fixtures, and paved throughout below. These Stores communicate with the Brewery, and will form a very valuable Appendage to the next Lot.

Lot 5, (marked A. in the Diagram.) This very valuable Lot comprises the whole of the Brewery and fixed Plant, and consists of a Brew House very recently erected of Brick and Timber, on the most approved principles with respect to ventilation and its general arrangements, containing eight Liquor Vats, a 500-gallon Copper, which, from the mode in which it has been fixed, is heated at a very small expense of fuel; a Mash Tub, a Hop Back, two under Backs, three gyle Tuns, three worm Tubs or Refrigerators, with Water Pipes for leading the Water to the whole of the Machinery, so that the whole process of Brewing from the coming in of the Liquor to the drawing off the Beer is conducted with simplicity, ease, and the smallest expense of manual labor. There is attached to the under Backs, a forcing Pump on an improved principle, and an additional Pump with metal Valves, as an auxiliary in case of accident. At the lower part of this Lot is a Malt Kiln, with an Iron Floor, to which Water is laid on for wetting the Barley, and two Liquor Vats, with Water Pipes leading to the DISTILLERY. This part of the Plant contains two Stills completely fitted up, one of which works as a Water Bath, and the other by Steam. There are two excellent Pewter Worms attached to these Stills, and four improved Copper Condensers. A Steaming Apparatus has been constructed for conveying Steam from the Distillery for cleansing Casks. A two-stalled Stable, Malting Floor, Coopers' Shop, floored, and a working Shed, are also comprised in the lower part of this Lot. The upper Yard contains seven Liquor Vats on Stillions, and affords convenient space for seasoning Casks and out-door stowage. The whole of this Lot is paved throughout; is surrounded with a high and substantial Stone Wall, and has an equally good one running through the centre.

These 5 Lots will be first put up by the rise and fall, and sold separately in the usual manner; then Lots 4 and 5 will be put up together by the fall only; and afterwards Lots 3, 4, and 5, in the same manner, and finally the whole of the five Lots will be put up together by the fall.

After the Sale of the above Landed Property and fixed Plant, the following moveable Property will be sold by Public Auction, peremptorily to the highest Bidder, viz:

About 40 Tons of Stone Coals, Store Casks, Hogsheads, Half-aums, Ankers, various descriptions of Tubs, Buckets, &c. A large quantity of empty Bottles, many of which are in their original packages, Bottle Baskets, spare Cocks, a quantity of Lead Pipe, two of the most-improved Sacharometers by *Bates*, which are very superior Instruments; an Hydrometer, several Thermometers, and a Bottling Machine, with the most recent improvements, which works four Bottles at once; also, a light Wagon, a Brewer's Cart, a Truck, Harness for two Horses, a quantity of Timber, &c.

Een gedeelte van dit Eigendom is onlangs met groote kosten op de goedgekeurdste plannen opgerigt; de Werktuigen en Gereedschappen zyn van de beste soort; en het Eigendom maakt, in het geheel, ongetwyfeld het volledigste Etablissement uit voor eene Brouwery, dat ooit in deze Kolonie is opgerigt.

Perceel 1, (gemerkt D. in de Kaart,) bestaat uit een zeer net en gemakkelyk Woonhuis onder dubbele verdieping, bevattende, beneden, een geryfelyke Zit- en Eetkamer, een Keuken en Achterplaats, met Achterpoort; en boven, drie Slaapkamers. Dit zeer kosthaar Perceel bevat de geheele Brouwery en Opstal, en bestaat uit eene Brouwery, onlangs van Steen en Hout op het goedgekeurdste plan gebouwd ten aanzien van ventilatie en de algemeene inrigtingen, bevattende acht Vochtvaten, een koperen Ketel van 500 gallons, welke, wegens de manier waarop dezelve is opgezet, met geringe uitgaven voor brandstof kan worden heet gemaakt; en alle andere Benoodigdheden voor eene Brouwery; met Waterpypen om het Water naar al de Werktuigen te leiden, zoo dat de geheele voortgang van het brouwer, van dat het Vocht inkomt tot dat het Bier wordt afgetapt, met eenvoudigheid, gemak en de geringste handenarbeid wordt verrigt. Aan het ondergedeelte van dit Perceel is een Moutoven met een yzeren bodem, waar het Water wordt ingeleid om de Garst nat te maken, en twee Vochtvaten, met Waterpypen leidende naar de STOKERY. Dit gedeelte van den Opstal bevat twee Distilleerketels, kompleet ingerigt, waarvan een als een Waterbad werkt en de andere door Stoom. Er zyn twee excellente tinnen Slangen en vier koperen Condensers by deze Distilleerketels. Een Stoom Apparaat is zamengesteld om Stoom uit de Stokery over te brengen tot het schoonmaken van Vaten. Een Stal voor twee Paarden, Moutvloer, Kuiperswinkel, gevloerd, en een Werkplaats zyn mede begrepen in het ondergedeelte van dit Perceel. Het bovengedeelte bevat zeven Vochtvaten op stellaadjen, en verschaft geryfelyke ruimte tot het bereiden van Vaten en een plaats om iets weg te stuwen. Het geheele Perceel is doorgaans gevloerd, omringd met een hooge sterke Muur, en heeft een even goede Muur in het midden.

Deze vyf Percelen zullen eerst by den op- en afslag worden opgeveild en op de gewone wyze afzonderlyk worden verkocht; alsdan zullen Perceel 4 en 5 alleen by den afslag gezamenlyk worden opgeveild, en naderhand Perceel 3, 4 en 5, op dezelfde wyze; en eindelyk zullen al de vyf percelen gezamenlyk by den afslag worden opgeveild.

FLECK, LE BRETON, and JERRAM, consisting of the BREWERY, BUILDINGS, AND PLANT, very excellent Stores adjoining, and two Dwelling Houses A part of this Property has been recently erected at great expense, upon the most approved principles; the Machinery and Implements are of the best description; and the Property as a whole constitutes, unquestionably, the most complete Establishment for a public Brewery that has ever been erected in this Colony.

Lot 1, (marked D. in the Diagram,) consists of a very neat and comfortable Dwelling House, of two Stories, containing on the Ground Floor, a commodious sitting Room and dining Room, a Kitchen and Yard, with back Entrance; and on the upper Storey, three bed Rooms. Lot 5, (marked A. in the Diagram.) This very valuable Lot comprises the whole of the Brewery and fixed Plant and consists of a Brew House very recently erected of Brick and Timber, on the most approved principles with respect to ventilation and its general arrangements, containing eight Liquor Vats, a 500-gallon Copper, which, from the mode in which it has been fixed, is heated at a very small expense of fuel; a Mash Tub, a Hop Back, two under Backs, three gyle Tuns, three worm Tubs or Refrigerators with Water Pipes for leading the Water to the whole of the Machinery, so that the whole process of Brewing from the coming in of the Liquor to the drawing off the Beer is conducted with simplicity, ease and the smallest expense of manual labor. There is attached to the under Backs, a forcing Pump on an improved principle, and an additional Pump with metal Valves, as an auxiliary in case of accident. At the lower part of this Lot is a Malt Kiln, with an Iron Floor to which Water is laid on for wetting the Barley, and two Liquor Vats, with Water Pipes leading to the DISTILLERY. This part of the Plant contains two Stills completely fitted up, one of which works as a Water Bath, and the other by Steam There are two excellent Pewter Worms attached to these Stills, and four improved Copper Condensers A Steaming Apparatus has been constructed for conveying Steam from the Distillery for cleansing Casks A two-stalled Stable Malting Floor, Coopers' Shop, floored, and a working Shed, are also comprised in the lower part of this Lot The upper Yard contains seven Liquor Vats on Stillions and affords convenient space for seasoning Casks and out-door stowage The whole of this Lot is paved throughout; is surrounded with a high and substantial Stone Wall, and has an equally good one running through the centre.
